6. The limitation on awards for noneconomic damages provided for in this subsection shall be increased or decreased on an annual basis effective January first of each year in accordance with the Implicit Price Deflator for Personal Consumption Expenditures as published by the Bureau of Economic Analysis of the United States Department of Commerce. The current value of the limitation shall be calculated by the director of the department of insurance, financial institutions and professional registration, who shall furnish that value to the secretary of state, who shall publish such value in the Missouri Register as soon after each January first as practicable, but it shall otherwise be exempt from the provisions of section 536.021.

7. Except as provided in subsection 3 of this section, in the case of any claim or judgment that arises under sections 537.600 and 537.610 against the state of Missouri, or an agency of the state, the aggregate of payments from the state legal expense fund and from any policy of insurance procured pursuant to the provisions of section 105.721 shall not exceed the limits of liability as provided in sections 537.600 to 537.610. No payment shall be made from the state legal expense fund or any policy of insurance procured with state funds pursuant to section 105.721 unless and until the benefits provided to pay the claim by any other policy of liability insurance have been exhausted.

8. The provisions of section 33.080 notwithstanding, any moneys remaining to the credit of the state legal expense fund at the end of an appropriation period shall not be transferred to general revenue.

9. Any rule or portion of a rule, as that term is defined in section 536.010, that is promulgated under the authority delegated in sections 105.711 to 105.726 shall become effective only if it has been promulgated pursuant to the provisions of chapter 536. Nothing in this section shall be interpreted to repeal or affect the validity of any rule filed or adopted prior to August 28, 1999, if it fully complied with the provisions of chapter 536. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or

adopted after August 28, 1999, shall be invalid and void.

536.021. 1. No rule shall hereafter be proposed, adopted, amended or rescinded by any state agency unless such agency shall first file with the secretary of state a notice of proposed rulemaking and a subsequent final order of rulemaking, both of which shall be published in the Missouri Register by the secretary of state as soon as practicable after the filing thereof in that office; except that a notice of proposed rulemaking is not required for the establishment of hunting or fishing seasons and limits or for the establishment of state program plans required under federal education acts or regulations. The secretary of state shall not publish any proposed rulemaking or final order of rulemaking that has not fully complied with the provisions of section 536.024 or an executive order, whichever appropriately applies. If the joint committee on administrative rules disapproves any proposed order of rulemaking, final order of rulemaking or portion thereof, the committee shall report its finding to the house of representatives and the senate. No proposed order of rulemaking, final order of rulemaking or portion thereof shall take effect, or be published by the secretary of state, so long as the general assembly shall disapprove such by concurrent resolution pursuant to article IV, section 8 within thirty legislative days occurring during the same regular session of the general assembly. The secretary of state shall not publish any order, or portion thereof, that is the subject of a concurrent resolution until the expiration of time necessary to comply with the provisions of article III, section 32.

2. A notice of proposed rulemaking shall contain:

(1) An explanation of any proposed rule or any change in an existing rule, and the reasons therefor;

(2) The legal authority upon which the proposed rule is based;

(3) The text of the entire proposed rule or the entire text of any affected section or subsection of an existing rule which is proposed to be amended, with all new matter printed in boldface type and with all deleted matter placed in brackets, except that when a proposed rule consists of material so extensive that the publication thereof would be unduly cumbersome or expensive, the secretary of state need publish only a summary and description of the substance of the proposed rule so long as a complete copy of the rule is made immediately available to any interested person upon application to the adopting state agency at a cost not to exceed the actual cost of reproduction. A proposed rule may incorporate by reference only if the material so incorporated is retained at the headquarters of the state agency and made available to any interested person at a cost not to exceed the actual cost of the reproduction of a copy. When a proposed amendment to an existing rule is to correct a typographical or printing error, or merely to make a technical change not affecting substantive matters, the amendment may be described in general terms without reprinting the entire existing rule, section or subsection;

(4) The number and general subject matter of any existing rule proposed to be rescinded;

(5) Notice that anyone may file a statement in support of or in opposition to the proposed rulemaking at a specified place and within a specified time not less than thirty days after publication of the notice of proposed rulemaking in the Missouri Register; and

(6) Notice of the time and place of a hearing on the proposed rulemaking if a hearing is ordered, which hearing shall be not less than thirty days after publication of the notice of proposed rulemaking in the Missouri Register; or a statement that no hearing has been ordered if such is the case.

3. Any state agency issuing a notice of proposed rulemaking may order a hearing thereon, but no such hearing shall be necessary unless otherwise required by law.

4. Any state agency which has issued in the Missouri Register a notice of proposed rulemaking to be made without a hearing, but which thereafter concludes that a hearing is desirable, shall withdraw the earlier notice and file a new notice of proposed rulemaking which fully complies with the provisions of subdivision (6) of subsection 2 of this section, and the state agency shall not schedule the hearing for a time less than thirty days following the publication of the new notice.

5. Within ninety days after the expiration of the time for filing statements in support of or in opposition to the proposed rulemaking, or within ninety days after the hearing on such proposed rulemaking if a hearing is held thereon, the state agency proposing the rule shall file with the secretary of state a final order of rulemaking either adopting the proposed rule, with or without further changes, or withdrawing the proposed rule, which order of rulemaking shall be published in the Missouri Register. Such ninety days shall be tolled for the time period any rule is held under abeyance pursuant to an executive order. If the state agency fails to file the order of rulemaking as indicated in this subsection, the proposed rule shall lapse and shall be null, void and unenforceable.

6. The final order of rulemaking shall contain:

(1) Reference to the date and page or pages where the notice of proposed rulemaking was published in the Missouri Register;

(2) An explanation of any change between the text of the rule as contained in the notice of proposed rulemaking and the text of the rule as finally adopted, together with the reason for any such change;

(3) The full text of any section or subsection of the rule as adopted which has been changed from that contained in the notice of proposed rulemaking;

(4) A brief summary of the general nature and extent of comments submitted in support of or in opposition to the proposed rule and a concise summary of the testimony presented at the hearing, if any, held in connection with said rulemaking, together with a concise summary of the state agency's findings with respect to the merits of any such testimony or comments which are opposed in whole or in part to the proposed rule; and

(5) The legal authority upon which the order of rulemaking is based.

7. Except as provided in section 536.025, any rule, or amendment or rescission thereof, shall be null, void and unenforceable unless made in accordance with the provisions of this section.

8. Except as provided in subsection 1 of this section and subsection 4 of section 536.031, after the final order of rulemaking has been published in the Missouri Register, the text of the entire rule shall be published in full in the Missouri code of state regulations. No rule, except an emergency rule, shall become effective prior to the thirtieth day after the date of publication of the revision to the Missouri code of state regulations. The secretary of state shall distribute revisions of the Missouri code of state regulations to all subscribers of the Missouri code of state regulations on or before the date of publication of such revision. The publication date of each rule shall be printed below the rule in the Missouri code of state regulations, provided further, that rules pertaining to changes in hunting or fishing seasons and limits that must comply with federal requirements or that are necessary because of documented changes in fish and game populations may become effective no earlier than on the tenth day after the filing of the final order of rulemaking.

[9. If it is found in a contested case by an administrative or judicial fact finder that a state agency's

action was based upon a statement of general applicability which should have been adopted as a rule, as required by sections 536.010 to 536.050, and that agency was put on notice in writing of such deficiency prior to the administrative or judicial hearing on such matter, then the administrative or judicial fact finder shall award the prevailing nonstate agency party its reasonable attorney's fees incurred prior to the award, not to exceed the amount in controversy in the original action. This award shall constitute a reviewable order. If a state agency in a contested case grants the relief sought by the nonstate party prior to a finding by an administrative or judicial fact finder that the agency's action was based on a statement of general applicability which should have been adopted as a rule, but was not, then the affected party may bring an action in the circuit court of Cole County for the nonstate party's reasonable attorney's fees incurred prior to the relief being granted, not to exceed the amount in controversy in the original action.

10. The actions authorized by subsection 9 of this section shall not apply to the department of revenue if that department implements the authorization hereby granted to the director or the director's duly authorized agents to issue letter rulings which shall bind the director or the director's agents and their successors for a minimum of three years, subject to the terms and conditions set forth in properly published regulations. An unfavorable letter ruling shall not bind the applicant and shall not be appealable to any forum. Subject to appropriations, letter rulings shall be published periodically with information identifying the taxpayer deleted. For the purposes of this subsection, the term "letter ruling" means a written interpretation of law by the director to a specific set of facts provided by a nonstate party.**]**

536.025. 1. A rule may be made, amended or rescinded by a state agency without following the provisions of section 536.021, only if the state agency:

(1) Finds that an immediate danger to the public health, safety or welfare requires emergency action or the rule is necessary to preserve a compelling governmental interest that requires an early effective date as permitted pursuant to this section;

(2) Follows procedures best calculated to assure fairness to all interested persons and parties under the circumstances;

(3) Follows procedures which comply with the protections extended by the Missouri and United States Constitutions; and

(4) Limits the scope of such rule to the circumstances creating an emergency and requiring emergency action.

2. At the time of or prior to the adoption of such rule, the agency shall file with the secretary of state and the joint committee on administrative rules the text of the rule together with the specific facts, reasons, and findings which support the agency's conclusion that the agency has fully complied with the requirements of subsection 1 of this section. If an agency finds that a rule is necessary to preserve a compelling governmental interest that requires an early effective date, the agency shall certify in writing the reasons therefor.

3. Material filed with the secretary of state and the joint committee on administrative rules under the provisions of subsection 2 of this section shall be published in the Missouri Register by the secretary of state as soon as practicable after the filing thereof. Any rule adopted pursuant to this section shall be reviewed by the secretary of state to determine compliance with the requirements for its publication and adoption established in this section, and in the event that the secretary of state determines that such proposed material does not meet those requirements, the secretary of state shall not publish the rule. The secretary of state shall

inform the agency of its determination, and offer the agency a chance to either withdraw the rule or to have it published as a proposed rule.

4. The committee may file with the secretary of state any comments or recommendations that the committee has concerning a proposed or final order of rulemaking. Such comments shall be published in the Missouri Register.

5. The committee may refer comments or recommendations concerning such rule to the appropriations and budget committee of the house of representatives and the appropriations committee of the senate for further action.

6. Rules adopted under the provisions of this section shall be known as "emergency rules" and shall, along with the findings and conclusions of the state agency in support of its employment of emergency procedures, be judicially reviewable under section 536.050 or other appropriate form of judicial review. The secretary of state and any employee thereof, acting in the scope of employment, shall be immune from suit in actions regarding the adoption of rules pursuant to this section.

7. A rule adopted under the provisions of this section shall clearly state the interval during which it will be in effect. Emergency rules shall not be in effect for a period exceeding one hundred eighty calendar days or thirty legislative days, whichever period is longer. For the purposes of this section, a "legislative day" is each Monday, Tuesday, Wednesday and Thursday beginning the first Wednesday after the first Monday in January and ending the first Friday after the second Monday in May, regardless of whether the legislature meets.

8. A rule adopted under the provisions of this section shall not be renewable, nor shall an agency adopt consecutive emergency rules that have substantially the same effect, although a state agency may, at any time, adopt an identical rule under normal rulemaking procedures.

9. A rule adopted under the provisions of this section may be effective not less than ten days after the filing thereof in the office of the secretary of state, or at such later date as may be specified in the rule, and may be terminated at any time by the state agency by filing an order with the secretary of state fixing the date of such termination, which order shall be published by the secretary of state in the Missouri Register as soon as practicable after the filing thereof.

[10. If it is found in a contested case by an administrative or judicial fact finder that an agency rule should not have been adopted as an emergency rule as provided by subsection 1 of this section, then the administrative or judicial fact finder shall award the nonstate party who prevails, as defined in this section, its reasonable fees and expenses, as defined in this section. This award shall constitute a reviewable order. If a state agency in a contested case grants the relief sought by the party prior to a finding by an administrative or judicial fact finder that the state agency's action was based on a statement of general applicability which should not have been adopted as an emergency rule, but was in fact adopted as an emergency rule pursuant to this section, then the affected party may bring an action in circuit court of Cole County for the nonstate party's reasonable fees and expenses, as defined in this section.

11. For the purposes of this section, the following terms mean:

(1) "Prevails", obtains a favorable order, decision, judgment or dismissal in a civil action or agency proceeding;

(2) "Reasonable fees and expenses" includes the reasonable expenses of expert witnesses, the reasonable

cost of any study, analysis, engineering report, test or project which is found by the court or agency to be necessary for the preparation of the party's case, and reasonable attorney or agent fees.**]**"; and

Further amend said bill, Page 1, Section 536.041, Line 14 of said page, by striking "1."; and

Further amend said bill and section, page 2, lines 22-28 by striking all of said lines from the bill; and

Further amend said bill and section, page 3, lines 1-28 by striking all of said lines from the bill and inserting in lieu thereof the following:

"536.050. 1. The power of the courts of this state to render declaratory judgments shall extend to declaratory judgments respecting the validity of rules, or of threatened applications thereof, and such suits may be maintained against agencies whether or not the plaintiff has first requested the agency to pass upon the question presented. The venue of such suits against agencies shall, at the option of the plaintiff, be in the circuit court of Cole County, or in the county of the plaintiff's residence, or if the plaintiff is a corporation, domestic or foreign, having a registered office or business office in this state, in the county of such registered office or business office. Nothing herein contained shall be construed as a limitation on the declaratory or other relief which the courts might grant in the absence of this section.

2. Any person bringing an action under subsection 1 of this section shall not be required to exhaust any administrative remedy if the court determines that:

(1) The administrative agency has no authority to grant the relief sought or the administrative remedy is otherwise inadequate; or

(2) The only issue presented for adjudication is a constitutional issue or other question of law; or

(3) Requiring the person to exhaust any administrative remedy would result in undue prejudice because the person may suffer irreparable harm if unable to secure immediate judicial consideration of the claim. Provided, however, that the provisions of this subsection shall not apply to any matter covered by chapters 288, 302, and 303; or

(4) The party bringing the action is a small business claiming a material violation of section 536.300 or 536.303 by the state agency requiring the small business impact statement for the amendment or rule.

3. **[**A nonstate party who prevails in an action brought pursuant to subsection 1 of this section shall be awarded reasonable fees and expenses, as defined in section 536.085, incurred by that party in the action.

4. A nonstate party seeking an award of fees and other expenses shall, within thirty days of a final disposition of an action brought pursuant to subsection 1 of this section, submit to the court which rendered the final disposition or judgment an application which shows that the party is a prevailing party and is eligible to receive an award pursuant to this section, and the amount sought, including an itemized statement from any attorney or expert witness representing or appearing in behalf of the party stating the actual time expended and the rate at which fees and other expenses are computed.

5. A prevailing nonstate party in an agency proceeding shall submit an application for fees and expenses to the court before which the party prevailed. The filing of an application shall not stay the time for appealing the merits of a case. When the state appeals the underlying merits of an adversary proceeding, no decision on the application for fees and other expenses in connection with that adversary proceeding shall be made pursuant to this section until a final and unreviewable decision is rendered by the court on the appeal or until the underlying merits of the case have been finally determined pursuant to the appeal.

6. The court may either reduce the amount to be awarded or deny any award, to the extent that the prevailing nonstate party during the course of the proceedings engaged in conduct which unduly and unreasonably protracted the final resolution of the matter in controversy.

7. The decision of a court on the application for reasonable fees and expenses shall be in writing, separate from the judgment or order of the court which determined the prevailing party, and shall include written findings and conclusions and the reason or basis therefor. The decision of a court on the application for fees and other expenses shall be final, subject respectively to appeal or judicial review.

8. If a party or the state is dissatisfied with a determination of fees and other expenses made in an action brought pursuant to subsection 1 of this section, that party or the state may, within the time permitted by law, appeal that order or judgment to the appellate court having jurisdiction to review the merits of that order or judgment. The appellate court's determination shall be based solely on the record made before the court below. The court may modify, reverse or reverse and remand the determination of fees and other expenses if the court finds that the award or failure to make an award of fees and other expenses, or the calculation of the amount of the award, was arbitrary and capricious, was unreasonable, was unsupported by competent and substantial evidence, or was made contrary to law or in excess of the court's jurisdiction. Awards made pursuant to this section shall be payable from amounts appropriated therefor. The state agency against which the award was made shall request an appropriation to pay for the award.

9.**]** The general assembly or its designee shall have standing, in law or equity, to intervene in any existing action involving such challenge to agency action. Unless otherwise provided by resolution, the general assembly's designee is the joint committee on administrative rules who may, upon a concurrence of a majority of the committee's members, intervene in the name of the members of the committee in their representative capacity. Nothing in this section shall confer upon the committee any duty to so act or intervene."; and

Further amend said bill, pages 4-7, section 536.087 by striking all of said section from the bill; and

Further amend said bill, page 11, section 536.325, line 13 by inserting after all of said line the following:

"**[**536.085. As used in section 536.087, the following terms mean:

(1) "Agency proceeding", an adversary proceeding in a contested case pursuant to this chapter in which the state is represented by counsel, but does not include proceedings for determining the eligibility or entitlement of an individual to a monetary benefit or its equivalent, child custody proceedings, eminent domain proceedings, driver's license proceedings, vehicle registration proceedings, proceedings to establish or fix a rate, or proceedings before the state tax commission;

(2) "Party":

(a) An individual whose net worth did not exceed two million dollars at the time the civil action or agency proceeding was initiated; or

(b) Any owner of an unincorporated business or any partnership, corporation, association, unit of local government or organization, the net worth of which did not exceed seven million dollars at the time the civil action or agency proceeding was initiated, and which had not more than five hundred employees at the time the civil action or agency proceeding was initiated;

(3) "Prevails", obtains a favorable order, decision, judgment, or dismissal in a civil action or agency proceeding;

(4) "Reasonable fees and expenses" includes the reasonable expenses of expert witnesses, the reasonable cost of any study, analysis, engineering report, test, or project which is found by the court or agency to be necessary for the preparation of the party's case, and reasonable attorney or agent fees. The amount of fees awarded as reasonable fees and expenses shall be based upon prevailing market rates for the kind and quality of the services furnished, except that no expert witness shall be compensated at a rate in excess of the highest rate of compensation for expert witnesses paid by the state in the type of civil action or agency proceeding, and attorney fees shall not be awarded in excess of seventy-five dollars per hour unless the court determines that a special factor, such as the limited availability of qualified attorneys for the proceedings involved, justifies a higher fee;

(5) "State", the state of Missouri, its officers and its agencies, but shall not include political subdivisions of the state.**]**

[536.087. 1. A party who prevails in an agency proceeding or civil action arising therefrom, brought by or against the state, shall be awarded those reasonable fees and expenses incurred by that party in the civil action or agency proceeding, unless the court or agency finds that the position of the state was substantially justified or that special circumstances make an award unjust.

2. In awarding reasonable fees and expenses under this section to a party who prevails in any action for judicial review of an agency proceeding, the court shall include in that award reasonable fees and expenses incurred during such agency proceeding unless the court finds that during such agency proceeding the position of the state was substantially justified, or that special circumstances make an award unjust.

3. A party seeking an award of fees and other expenses shall, within thirty days of a final disposition in an agency proceeding or final judgment in a civil action, submit to the court, agency or commission which rendered the final disposition or judgment an application which shows that the party is a prevailing party and is eligible to receive an award under this section, and the amount sought, including an itemized statement from any attorney or expert witness representing or appearing in behalf of the party stating the actual time expended and the rate at which fees and other expenses are computed. The party shall also allege that the position of the state was not substantially justified. The fact that the state has lost the agency proceeding or civil action creates no legal presumption that its position was not substantially justified. Whether or not the position of the state was substantially justified shall be determined on the basis of the record (including the record with respect to the action or failure to act by an agency upon which a civil action is based) which is made in the agency proceeding or civil action for which fees and other expenses are sought, and on the basis of the record of any hearing the court or agency deems appropriate to determine whether an award of reasonable fees and expenses should be made, provided that any such hearing shall be limited to consideration of matters which affected the agency's decision leading to the position at issue in the fee application.

4. A prevailing party in an agency proceeding shall submit an application for fees and expenses to the administrative body before which the party prevailed. A prevailing party in a civil action on appeal from an agency proceeding shall submit an application for fees and expenses to the court. The filing of an application shall not stay the time for appealing the merits of a case. When the state appeals the underlying merits of an adversary proceeding, no decision on the application for fees and other expenses in connection with that adversary proceeding shall be made under this section until a final and unreviewable decision is rendered by the court on the appeal or until the underlying merits of the case have been finally determined pursuant to the appeal.

5. The court or agency may either reduce the amount to be awarded or deny any award, to the extent that the prevailing party during the course of the proceedings engaged in conduct which unduly and unreasonably protracted the final resolution of the matter in controversy.

6. The decision of a court or an agency on the application for reasonable fees and expenses shall be in writing, separate from the judgment or order of the court or the administrative decision which determined the prevailing party, and shall include written findings and conclusions and the reason or basis therefor. The decision of a court or an agency on the application for fees and other expenses shall be final, subject respectively to appeal or judicial review.

7. If a party or the state is dissatisfied with a determination of fees and other expenses made in an agency proceeding, that party or the state may within thirty days after the determination is made, seek judicial review of that determination from the court having jurisdiction to review the merits of the underlying decision of the agency adversary proceeding. If a party or the state is dissatisfied with a determination of fees and other expenses made in a civil action arising from an agency proceeding, that party or the state may, within the time permitted by law, appeal that order or judgment to the appellate court having jurisdiction to review the merits of that order or judgment. The reviewing or appellate court's determination on any judicial review or appeal heard under this subsection shall be based solely on the record made before the agency or court below. The court may modify, reverse or reverse and remand the determination of fees and other expenses if the court finds that the award or failure to make an award of fees and other expenses, or the calculation of the amount of the award, was arbitrary and capricious, was unreasonable, was unsupported by competent and substantial evidence, or was made contrary to law or in excess of the court's or agency's jurisdiction. Awards made pursuant to this act shall be payable from amounts appropriated therefor. The state agency against which the award was made shall request an appropriation to pay the award.**]**"; and

Further amend the title and enacting clause accordingly.

Senator Crowell moved that the above amendment be adopted.

At the request of Senator Dixon, **SB 469**, with **SCS**, **SS** for **SCS** and **SA 2** (pending), was placed on the Informal Calendar.

Senator Lamping moved that **SJR 29** be called from the Informal Calendar and taken up for perfection, which motion prevailed.

SENATE JOINT RESOLUTION NO. 29

Senator Lamping moved that **SS** for **SJR 29** be adopted.

Senator Pearce assumed the Chair.

Senator Kraus offered **SA 1**:

Amend Senate Substitute for Senate Joint Resolution No. 29, Page 2, Section 20, Line 7 of said page, by inserting after the word "days." the following: "**Beginning with the ninety-eighth general assembly, any bill or resolution pending at the final adjournment of a regular session held in an odd numbered year shall carry over with the same status and bill or resolution number to the next regular session.**"; and

Further amend said resolution, Page 3, Section 20(a), Lines 4-6 of said page, by striking the following: "All bills in either house remaining on the calendar after 6:00 p.m. on the first Friday following the second Monday in April are tabled."; and

"Section 28. **[**No act shall be revived or reenacted unless it shall be set forth at length as if it were an original act.**]** No act shall be amended by providing that words be stricken out or inserted, but the words to be stricken out, or the words to be inserted, or the words to be stricken out and those inserted in lieu thereof, together with the act or section amended, shall be set forth in full as amended."; and

Further amend the title and enacting clause accordingly.

Journal of the Senate

SECOND REGULAR SESSION

TWENTIETH DAY—WEDNESDAY, FEBRUARY 8, 2012

The Senate met pursuant to adjournment.

President Kinder in the Chair.

Reverend Carl Gauck offered the following prayer:

"Do not deceive yourselves. If you think that you are wise in this age, you should become fools so that you may become wise." (I Corinthians 3:18)

Gracious and omniscient God, You look beyond our foolishness and self-pride and show us pathways to walk that can help us understand our place in Your kingdom so that we might better serve in this place and share the load of responsibilities that fall to each of us individually and collectively. Bless us this day, therefore, with Your presence and strengthen us so we may be faithful. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

The Journal of the previous day was read and approved.

Photographers from KRCG-TV were given permission to take pictures in the Senate Chamber.

May we go to those we love and love them with our whole heart so completely that they know we are giving our whole self to them. The Senate met pursuant to adjournment.

President Kinder in the Chair.

Reverend Carl Gauck offered the following prayer:

"You shall love the Lord your God with all your heart, and with all your soul, and with all your mind...You shall love your neighbor as yourself." (Matthew 22:37, 39)

God of love, help us to express our love to those who mean so much to us, especially on this Valentine's Day. Help us to express our love and care to those whom You have given us to love and show in a small way how our heart sings a song in their presence. And may we be neighborly to those we meet daily, especially those who want nothing from us but to be our friends and a help to us. In Your Holy Name we pray. Amen.

CONCURRENT RESOLUTIONS

Senators Pearce, Engler, Green, Dempsey, Parson, Rupp, Lembke, Munzlinger, Stouffer, Goodman and Mayer offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 21

WHEREAS, the United States relies – and will continue to rely for many years – on gasoline, diesel and jet fuel as well as renewable and alternative sources of energy; and

WHEREAS, in order to fuel our economy, the United States will need more oil and natural gas while also requiring additional alternative energy sources; and

WHEREAS, the United States currently depends on foreign imports for more than half of its petroleum usage, and is the largest consumer of petroleum in the world, and U.S. dependence on overseas oil has created difficult geopolitical relationships with potentially damaging consequences for our national security; and

WHEREAS, oil deposits in the Bakken Reserves of Montana, North Dakota, and South Dakota are an increasingly important crude oil resource and contain an estimated 11 billion barrels of recoverable crude oil, and there is not enough pipeline capacity for crude oil supplies from Montana, North Dakota, South Dakota, Oklahoma and Texas to American refineries; and

WHEREAS, Canadian oil reserves contain an estimated 173 billion barrels of recoverable oil and Canada is the single largest supplier of oil to the United States at 2.62 million barrels per day and has the capacity to significantly increase that rate; and

WHEREAS, the original Keystone pipeline which spans across the northern part of Missouri supplies over 435,000 barrels of North American crude oil to American refineries in the Midwest; and the Keystone XL pipeline will, when completed, carry 700,000 barrels of North American crude oil to American refineries in the Gulf Coast region; and

WHEREAS, construction of pipelines linking North American energy to the United States will create hundreds of thousands of jobs nationwide, including tens of thousands in construction and manufacturing, creating billions of dollars in economic growth and generating millions of dollars of government receipts; and

WHEREAS, a recent study by the U.S. Department of Energy found that increasing delivery of crude oil from Montana, North Dakota, South Dakota and Alberta, as well as Texas and Oklahoma, to American refineries has the potential to substantially reduce our country's dependency on sources outside of North America; and

WHEREAS, Canada sends more than ninety-nine percent of its oil exports to the United States, the bulk of which goes to Midwestern refineries; and oil companies are investing huge sums to expand and upgrade refineries in the Midwest and elsewhere to make gasoline and other refined products from Canadian oil derived from oil sands; and the expansion and upgrade projects will create many new construction jobs over the next five years and will add to the gross state product of Missouri; and

WHEREAS, ninety percent of the money used to buy Canadian oil will likely later be spent directly on U.S. goods and services in contrast with increasing the trade relationship with unstable regions. Supporting the continued shift towards reliable and secure sources of North American oil is of vital interest to the United States and the State of Missouri:

NOW THEREFORE BE IT RESOLVED that the members of the Missouri Senate, Ninety-sixth General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby support continued and increased development and delivery of oil derived from North American oil reserves to American refineries and hereby urge Congress to: support continued and increased development and delivery of oil from Canada to the United States; enact legislation deeming the Keystone XL pipeline to be in the national interest of the United States; and ask the U.S. Secretary of State to approve the Keystone XL pipeline project to ensure America's oil independence, improve our national security, reduce the cost of gasoline, create new jobs, and strengthen ties between the United States and Canada; and

Journal of the Senate

SECOND REGULAR SESSION

TWENTY-FOURTH DAY—WEDNESDAY, FEBRUARY 15, 2012

The Senate met pursuant to adjournment.

Senator Ridgeway in the Chair.

Reverend Carl Gauck offered the following prayer:

"The fear of the Lord is the beginning of wisdom." (Psalm 111:10)

Creator God, we know that we live in a time of ever expanding knowledge at even faster rates. But we have also learned that knowledge is certainly different than wisdom. Wisdom comes from learning from our mistakes and doing better in our lives. So grant us humility to acknowledge before You our failures and in our repentance learn from them. Grant us Your guidance as we deal with complex facts and bills that come before us so we may do what is wise and helpful. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

SENATE CONCURRENT RESOLUTION NO. 22

Relating to the ratification of the Equal Rights Amendment to the United States Constitution.

WHEREAS, three years after women won the right to vote, the Equal Rights Amendment to the United States Constitution, authored by Alice Paul, head of the National Women's Party, was introduced in Congress by Senator Curtis and Representative Anthony, both Republicans; and

WHEREAS, the Equal Rights Amendment to the United States Constitution passed the United States Senate and then the United States House of Representatives, and on March 22, 1972, the proposed Amendment to the United States Constitution was sent to the states for ratification; and

WHEREAS, the Equal Rights Amendment to the United States Constitution states:

"Section 1. Equality of rights under the law shall not be denied or abridged by the United States or by any state on account of sex.

Section 2. The Congress shall have the power to enforce, by appropriate legislation, the provisions of this article.

Section 3. This amendment shall take effect two years after the date of ratification."; and

WHEREAS, Congress placed a deadline of June 30, 1982, on the ratification process and thirty-five states ratified the proposed Amendment before the deadline; and

WHEREAS, Congress may not have the constitutional authority to place a deadline on the ratification process; and

WHEREAS, Article V of the United States Constitution allows the General Assembly of the State of Missouri to ratify this proposed Amendment to the Constitution of the United States; and

WHEREAS, the General Assembly of the State of Missouri finds that the proposed Amendment is meaningful and needed as part of the United States Constitution and that the present political, social and economic conditions are the same as or are even more demanding today than they were when the proposed Amendment was first submitted for adoption:

NOW, THEREFORE, BE IT RESOLVED that the members of the Missouri Senate, Ninety-sixth General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby ratify the Equal Rights Amendment to the United States Constitution; and

BE IT FURTHER RESOLVED that the Secretary of the Senate be instructed to prepare a properly inscribed copy of this resolution for the Archivist of the United States, Washington, D.C.; the Vice President of the United States; the Speaker of the United States House of Representatives; and each member of the Missouri Congressional delegation with request that it be printed in the Congressional Record.

Read 1st time.

Senator Munzlinger offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 23

WHEREAS, Missouri ranks as one of the highest livestock and poultry producing states in the country and the support of this industry is of vital interest to our state; and

WHEREAS, livestock and poultry production play an important role in Missouri's economy, not only for the direct purchase of the products themselves, but also for the economic ripple effects from the purchase of agricultural inputs required to produce the meat and poultry products like grain and hay; and

WHEREAS, the processing and shipping of the meat and poultry is an integral and necessary part of the complete production process; and

WHEREAS, the Federal Meat Inspection Act of 1967 and the Poultry Products Inspection Act of 1968 required all state meat and poultry inspection programs to be equivalent to federal standards; and

WHEREAS, twenty-eight states have adopted state meat inspection programs that equal or exceed federal standards and several more are considering the same; and

WHEREAS, other commodities, such as milk, dairy products, fruit, vegetables, fish, shellfish, and complex canned products, which are inspected under state jurisdiction, are allowed to be marketed freely throughout the U.S.; and

WHEREAS, foreign-inspected meat can be shipped to and sold anywhere in the U.S. as long as that country's foreign inspection program is equivalent to U.S. federal standards, which, in practice, is the same standard that state-inspected programs must meet; and

WHEREAS, Congress, in the 2008 Farm Bill directed the U.S. Department of Agriculture to develop regulations to allow state-inspected meat to cross state lines; and

WHEREAS, the new U.S. Department of Agriculture regulations have implemented standards that require state-inspected meat programs to be "the same as" rather than "equal to", thereby requiring states to use the same computer programs and other provisions that provide states with no flexibility; and

WHEREAS, the new regulations limit a processor participating in the program to that which has 25 or fewer employees, disregarding the temporary or part-time nature of employees; and

WHEREAS, the small and mid-sized meat and poultry producers are finding a high consumer demand for locally grown and processed meat and poultry products that is not limited to within a state's border; and

WHEREAS, the ban on interstate shipping does not improve food safety and only serves to slow the growth of small businesses such as farms and processors, limit purchasing options for consumers, impede rural economic development, slow rural job growth, and further encourage the concentration of the meat processing industry:

NOW, THEREFORE, BE IT RESOLVED that the members of the Missouri Senate, Ninety-sixth General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby wish to thank the members of Congress who supported the interstate shipment of state-inspected meat in the 2008 Farm Bill and given that the barriers to such sales now reside in regulation not legislation, hereby urge Congress to:

(1) Again address the issue either in the 2012 Farm Bill or as stand-alone legislation or guidance to the U.S. Department of Agriculture to ensure regulations are enacted that will allow the intent of the law to be satisfied and finally allow the interstate sale of state-inspected meat and poultry;

(2) Modify language regarding interstate commerce to allow states to exercise their prerogative to regulate meat sold within their borders regardless of where it originates; and

(3) Specifically allow states to develop their own processes and procedures for the interstate sale and distribution of meat grown and processed within their state borders; and

BE IT FURTHER RESOLVED that state legislators, state veterinarians, and state departments of agriculture are encouraged to work

collaboratively to develop memorandums of understanding that deem meat, inspected under state law equal to or exceeding the USDA standards, to be eligible for sale in another state; and

BE IT FURTHER RESOLVED that upon its passage by the General Assembly, the director of the Missouri Department of Agriculture shall distribute a copy of this resolution to all state departments of agriculture in the nation and the State Agriculture and Rural Leaders Association; and

BE IT FURTHER RESOLVED that the Secretary of the Senate be instructed to prepare a properly inscribed copy of this resolution for the director of the Missouri Department of Agriculture, the U.S. Secretary of Agriculture, the chairpersons of the U.S. Senate Committee on Agriculture, Nutrition and Forestry and the U.S. House Committee on Agriculture, and Missouri's Congressional delegation.

Reverend Carl Gauck offered the following prayer:

"We cannot forget history...we will be remembered for good or ill...we cannot escape the burden nor responsibility." (Abraham Lincoln)

Almighty God, on this President's Day we are mindful how You have called forth leaders to take us through perilous times and how they are remembered today. Help us be mindful of our history and the effect the actions we take as leaders have on our people. So we need Your guidance and direction for what we will say and do for that will determine how we are remembered, may it be that we have lead with wisdom and effectiveness. In Your Holy Name we pray. CONCURRENT RESOLUTIONS

Senator Stouffer offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 24

WHEREAS, the trucking industry is a critical component of the United States economy; and

WHEREAS, truck safety is an important public policy concern; and

WHEREAS, on December 16, 2011, the Federal Motor Carrier Safety Administration (FMCSA) published a final rule establishing new Hours of Service (HOS) regulations for commercial motor vehicles; and

WHEREAS, the final rule institutes a new 30-minute rest break requirement for drivers, mandates that the 34-hour restart provision include two off-duty periods between 1:00 a.m. and 5:00 a.m., and revises the definition of on-duty time; and

WHEREAS, FMCSA's new HOS rule reduces the maximum weekly hours truck drivers may work from an average of 82 hours to 70 hours; and

WHEREAS, the final rule also establishes penalties for egregious violations of the HOS regulations and revises log book requirements for drivers involved in oilfield operations; and

WHEREAS, the FMCSA's final rule would decrease the overall number of hours a truck driver could work, and require the addition of more trucks and drivers to deliver the nation's freight; and

WHEREAS, this impact would likely compromise highway safety by generating more exposure to crashes, putting less experienced drivers on the road, exacerbating the shortage of rest area parking spaces and creating long periods of idle time for truck drivers; and

WHEREAS, the increased costs generated by the need for additional trucks and drivers, as well as operational changes, under the proposal would inflate delivery expenses and raise business and consumer costs; and

WHEREAS, the impact of the final rule will result in additional costs for motor carriers, reduced income for truck drivers, reduced productivity, an increase in highway congestion, and an increase in the cost of goods for Missourians; and

WHEREAS, the FMCSA's cost-benefit analysis of the proposal is incomplete, fails to completely account for all trucking-industry and economy-wide costs, and inflates the safety benefits of the proposal; and

WHEREAS, the American Trucking Association recently filed a petition with the U.S. Circuit Court of Appeals for the District of Columbia, asking the court to set aside FMCSA's recently published final rule as arbitrary and capricious and contrary to law; and

WHEREAS, FMCSA advisory panels are looking toward adopting regulations that involve screening and treatment of drivers at risk for obstructive sleep apnea; and

WHEREAS, the FMCSA Advisory Committee and Medical Review Board adopted 11 recommendations, including a requirement that all drivers with a body mass index measurement (BMI) of 35 or higher be tested for sleep apnea; and

WHEREAS, while there is some evidence to indicate that some commercial truck drivers have sleep apnea, there is insufficient evidence that this condition has resulted in the increased likelihood of crashes; and

WHEREAS, the Owner-Operator Independent Drivers Association Foundation calculated that 49 percent of the 3.5 million commercial truck drivers have a BMI of 30 or greater and that if a number of drivers is required to undergo sleep lab exams, such a rule would cost truckers $5.25 billion; and

WHEREAS, the reach of the proposed sleep apnea testing regulation would even govern school bus drivers; and

WHEREAS, there are valid operational differences between school bus operations and other commercial carrier operations which should be taken into account when considering applying the recommendations to all commercial drivers; and

WHEREAS, FMCSA is considering adopting other rules and regulations, notably regulations concerning electronic stability control for large trucks and speed limits for large trucks, all measures that could have a profound effect on the national economy:

NOW, THEREFORE, BE IT RESOLVED that the members of the Missouri Senate, Ninety-sixth General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby urge the Federal Motor Carrier Safety Administration to rescind its newly published rule regarding hours of service and refrain from adopting regulations concerning sleep apnea and other measures affecting the trucking industry; and

BE IT FURTHER RESOLVED that the Secretary of the Missouri Senate be instructed to prepare properly inscribed copies of this resolution for the Administrator of the Federal Motor Carrier Safety Administration, Anne S. Ferro, and each member of the Missouri Congressional delegation.

CONCURRENT RESOLUTIONS

President Pro Tem Mayer offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 25

WHEREAS, over the course of the spring and summer of 2011, unprecedented releases of water upstream by the U.S. Army Corps of Engineers have caused extensive pressure on the river levees in the state of Missouri that protect many communities, businesses, and prime agricultural lands; and

WHEREAS, in the face of this tremendous pressure some of Missouri's levees have been intentionally and unintentionally breached, resulting in widespread flooding, which has proved devastating to many Missouri homes, farms, families, and livelihoods; and

WHEREAS, last summer, the U.S. Army Corps of Engineers intentionally breached the Birds Point levee in southeast Missouri which resulted in the flooding of 130,000 acres of mostly agricultural land; and

WHEREAS, Missouri families have suffered unprecedented losses as a result of this situation and many Missouri farmers have experienced a complete and total loss of agricultural production, resulting in decimated farm incomes and ravaged local economies; and

WHEREAS, according to a June 2011 report drafted by the Food and Agricultural Policy Research Institute of the University of Missouri, the breach of the levee and subsequent flooding of crop lands in southeast Missouri has resulted in economic losses totaling $60.6 million, a combination of forgone net returns and incurred production expenses in the affected area; and

WHEREAS, according to the University of Missouri Extension, the southeast Missouri region produced the following shares of the state's total production of specific agricultural commodities in 2010:

1) 100% of total cotton production in Missouri;

2) 99.6% of total rice production in Missouri;

3) 52.9% of total wheat production in Missouri;

4) 21.4% of total grain sorghum production in Missouri;

5) 18.1% of total soybean production in Missouri;

6) 15.4% of total corn production in Missouri; and

WHEREAS, with the agricultural production of southeast Missouri accounting for approximately one-third of the state's total economy, the catastrophic results of the flooding of agricultural land due to the intentional breach of the Birds Point levee in southeast Missouri has a significant economic impact for the entire state. This complete and total loss of agricultural production at a time when our state's economy is experiencing recession can only exacerbate the state's current economic hardships; and

WHEREAS, the flood waters have not yet receded in some parts of Missouri and continue to disrupt the lives of hard-working Missourians; and

WHEREAS, even after the flood waters recede, much work will need to be done to restore the productivity of the damaged agricultural

land and repair the ruined homes and businesses; and

WHEREAS, the U.S. Army Corps of Engineers has a responsibility to the nation for flood control; and

WHEREAS, the original flood plan was authorized in 1928 in response to severe flooding of the Mississippi River in 1927. The U.S. Army Corps of Engineers is obligated to re-examine the flood plan in light of the devastating losses, both short-term and long-term, suffered in this state as a result of the unprecedented releases of water upstream and the intentional breach of the Birds Point levee by the U.S. Army Corps of Engineers during the spring and summer of 2011:

NOW THEREFORE BE IT RESOLVED that the members of the Missouri Senate, Ninety-sixth General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby strongly urge the U.S. Army Corps of Engineers to:

1) Re-examine the flood plan for the Mississippi River; and

2) Conduct its river operations in such a way as to avoid the devastating flooding disasters that occurred in 2011; and

3) Rebuild the damaged levees to at least their previous heights as expediently as possible; and

BE IT FURTHER RESOLVED that the members of the Missouri General Assembly encourage communities, families and other stakeholders to work together to restore the prime agricultural lands that have been damaged by the recent flooding so that the productive value of these lands is not irrevocably lost; and

BE IT FURTHER RESOLVED that the members of the Missouri General Assembly strongly encourage the members of the Missouri Congressional delegation to actively support policies for the management of the Mississippi River that minimize devastating flood events such as those that have been experienced by so many Missourians last summer; and

BE IT FURTHER RESOLVED that the Secretary of the Missouri Senate be instructed to prepare properly inscribed copies of this resolution for the Commanding General of the U.S. Army Corps of Engineers and the members of the Missouri Congressional delegation.

President Pro Tem Mayer assumed the Chair.

WHEREAS, under Section 2713 of the federal Patient Protection and Affordable Care Act of 2010 health insurers must cover "preventive services" for women without charging a co-pay beginning August 1, 2012; and

WHEREAS, Health and Human Services Secretary Kathleen Sebelius defined these preventive services to include "all FDA-approved forms of contraception, sterilization procedures and patient education and counseling"; and

WHEREAS, regulations announced last year (Interim Final Rule 76 FR 46621, August 3, 2011) provided an exemption for certain religious employers regarding contraception. At that time, it was unclear if the religious exemption applied to entities operated by religious organizations that employed or served people from a variety of faiths or had no religious affiliation at all; and

WHEREAS, on January 20, 2012, Secretary Sebelius said this mandate would take effect in August for most employers. Churches would be exempted from the rule, but not religious affiliated hospitals, colleges, or charities, though they would be given an extra year to comply; and

WHEREAS, Obama administration officials said that 28 states, including California and New York, already have similar rules for health insurance; and

WHEREAS, on Friday, February 10, 2012, President Obama announced a compromise that would exempt churches, other houses of worship, and similar organizations from covering contraception on the basis of their religious objections, and would provide a one-year transition period for religious organizations while this policy is being implemented; and

WHEREAS, the Obama administration also announced that sometime in the upcoming year it will propose and finalize a new regulation to address the religious objections of the non-exempted religious organizations. The new regulation will require insurance companies to cover contraception if the non-exempted religious organization chooses not to. Under the compromise:

(1) Religious organizations would not have to provide contraception coverage or refer their employees to organizations that provide contraception;

(2) Religious organizations would not be required to subsidize the cost of contraception;

(3) Contraception coverage would be offered to women by their employers' insurance companies directly, with no role for religious employers who oppose contraception;

(4) Insurance companies would be required to provide contraception coverage to these women free of charge; and

WHEREAS, the Missouri General Assembly has a solemn duty and obligation to uphold the laws of the State of Missouri, and to take all steps necessary and legal to stop any infringement upon the protected rights of Missouri citizens; and

WHEREAS, the people of the State of Missouri adopted Section 1.330, RSMo, by referendum, Proposition C, on August 3, 2010, which states in part:

"1.330. 1. No law or rule shall compel, directly or indirectly, any person, employer, or health care provider to participate in any health care system."; and

WHEREAS, in accordance with Section 1.330:

(1) No employee, self-employed person, or any other person should be compelled to obtain coverage for, or be discriminated against or penalized for declining or refusing coverage for, abortion, contraception, or sterilization in a health plan if such items or procedures are contrary to the religious beliefs or moral convictions of such employee or person; and

(2) No employer, health plan provider, health plan sponsor, health care provider, or any other entity should be compelled to provide coverage for, or be discriminated against or penalized for declining or refusing coverage for, abortion, contraception, or sterilization in a health plan if such items or procedures are contrary to the religious beliefs or moral convictions of such employer, health plan provider, health plan sponsor, health care provider, or entity; and

(3) No governmental entity, public official, or entity acting in a governmental capacity should be permitted to discriminate against or penalize a health plan, plan sponsor, health care provider, employer, employee, or other entity or person because of such plan's, sponsor's, provider's, employer's, employee's, entity's, or person's unwillingness, based on religious beliefs or moral convictions, to provide or obtain coverage for, participate in, or refer for, abortion, contraception, or sterilization in a health plan; and

WHEREAS, the most recent regulation under the federal Patient Protection and Affordable Care Act (PPACA) will require religious hospitals and institutions to choose between offering insurance coverage to their employees which provide birth control, sterilization procedures, and abortifacients, such as the "morning after pill", services which are contrary to the religious tenets and beliefs of the Catholic Church, other churches, and religious organizations who operate such hospitals and institutions, or decide not to provide health insurance coverage to their employees and pay the penalty imposed under PPACA; and

WHEREAS, the compromise announced by President Barack Obama on February 10, 2012, does not resolve the issue for the Catholic Church, other churches, and many religious organizations because it failed to address several important issues, such as self insurers, conscience objections of individuals, and states' rights; and

WHEREAS, in many religious hospitals and institutions, the Catholic Church, other churches, or religious organizations are self insured, which once again forces them to make an unnecessary choice in violation of their religious liberties; and

WHEREAS, even if the Catholic Church, other churches, or religious organizations do not self insure, the transfer of responsibility to the insurer of providing these services free of charge under the announced compromise will likely be passed on to employers in the form of higher premiums to cover the cost to the insurer, which forces these churches and institutions to indirectly pay for these mandates through their premiums in violation of their religious liberties; and

WHEREAS, religious liberty is a fundamental principle in our nation and state that must be protected. The intrusion of the federal government into our health care choices by creating a health care mandate which forces not only the Catholic Church, other churches, and religious organizations, but also any person with deeply held religious beliefs to violate their conscience or be subject to a penalty is unacceptable in a free society; and

WHEREAS, under the Tenth Amendment to the United States Constitution, the State of Missouri and every other state in the nation has the right to enact laws which prohibit the infringement of the federal government into the lives and affairs of its citizens in areas which are not expressly provided to the federal government under the United States Constitution; and

WHEREAS, Missouri has enacted legislation which directly contradicts the mandates contained in the federal Patient Protection and Affordable Care Act of 2010; and

WHEREAS, the Missouri General Assembly takes a firm and unwavering stand against an unconstitutional infringement on the right of the State of Missouri and its citizens not to be forced to participate in any health care system which is contrary to the laws of the State of Missouri:

NOW THEREFORE BE IT RESOLVED that the members of the House of Representatives of the Ninety-sixth General Assembly, Second Regular Session, the Senate concurring therein, hereby declare the firm and unwavering stand of the Missouri General Assembly to strongly oppose the federal health care mandates contained in the Patient Protection and Affordable Care Act of 2010, including the most recent regulation requiring the provision of preventive services, as an infringement of the rights of the State of Missouri and a violation of state law; and

BE IT FURTHER RESOLVED that the Missouri General Assembly strongly affirms the right of each state under the Tenth Amendment of the United States Constitution to enact laws which prohibit the unconstitutional infringement of the federal government into the lives and affairs of the states in areas which are not expressly provided to the federal government; and

BE IT FURTHER RESOLVED that the Missouri General Assembly strongly urges and encourages the members of the Missouri Congressional delegation to write letters to Secretary Sebelius to express opposition to this new regulation; and

Journal of the Senate

SECOND REGULAR SESSION

THIRTIETH DAY—MONDAY, FEBRUARY 27, 2012

The Senate met pursuant to adjournment.

President Kinder in the Chair.

Reverend Carl Gauck offered the following prayer:

"Rejoice in the Lord always, and again I say rejoice." (Philippians 4:4)

Gracious God, we hear the prompting to "rejoice in You" that our lives are to be one of the planned joys. So we do rejoice because the most rapturous moments of our life still lie ahead of us. We know we will confront thorns and difficulties but we also know that we will have times when Your light shines through to us so we are not in the dark. And because it does, we have strong reason to rejoice and give You praise. Your presence and Your guidance is a pleasure to us and we confess our need of You as we deal with the challenges of this week. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

Journal of the Senate

SECOND REGULAR SESSION

THIRTY-THIRD DAY—THURSDAY, MARCH 1, 2012

The Senate met pursuant to adjournment.

President Kinder in the Chair.

Reverend Carl Gauck offered the following prayer:

"As a man thinks in his heart, so he is." (Proverbs 23:7)

Creator God, hear our prayers this morning as we prepare to finish up our work and head home to be with those we love. Let us be mindful that You are the Creator and we are Your creation. You have created us so that we might be comforted knowing that we are just men and women, husbands and wives, fathers and mothers called to be interdependent with one another and, therefore, in need of one another to be made whole by thinking no more of ourselves than we should. Help us use this time for rest and firm up our relationships with one another. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

MESSAGES FROM THE HOUSE

The following message was received from the House of Representatives through its Chief Clerk:

Mr. President: I am instructed by the House of Representatives to inform the Senate that the House has taken up and adopted **HCS** for **HCR 32**.

HOUSE COMMITTEE SUBSTITUTE FOR
HOUSE CONCURRENT RESOLUTION NO. 32

WHEREAS, the Land and Water Conservation Fund (LWCF) was established by the United States Congress in 1965 to preserve, develop, and assure accessibility to quality outdoor recreation resources "to strengthen the health and vitality of the citizens of the United States"; and

WHEREAS, the LWCF is principally funded by revenue received from offshore energy extraction and is authorized to receive $900 million annually through the annual appropriations process; and

WHEREAS, the LWCF funds a federal land acquisition program and provides matching grants to states and localities for capital projects through the State Assistance program; and

WHEREAS, investments from the LWCF State Assistance program support the creation of public parks in rural and urban communities throughout America, protect green space and local water supplies, guarantee outdoor recreation opportunities, spur economic development, create jobs, and significantly aid national efforts to promote health, connect youth to nature and the outdoors, combat childhood obesity, and protect the environment; and

WHEREAS, in the original authorizing legislation, Congress recognized the important role of state and local parks in achieving its intended purpose by requiring the allocation of 60% of LWCF annual funding to the State Assistance program and 40% to the federal program; and

WHEREAS, the language protecting the State Assistance program was removed in the mid 1970s resulting in a disproportional amount (84%) of LWCF funding going to the federal side of the program over the past 25 years; and

WHEREAS, no language exists to protect the State Assistance funding allocations, and Congress appropriated a total of approximately $304 million to LWCF in FY 2009 but allocated only $19 million (6%) to the State Assistance program, and in FY 2010 appropriated a total of approximately $479 million to LWCF with a mere $40 million (8%) going to the State Assistance program; and

WHEREAS, Missouri received only $509,599 in FY 2009 and $699,429 in FY 2010 based on Missouri's portion (.017%) of the 16% that is currently allocated to the states; and

WHEREAS, the disproportional allocation of LWCF funding between the two programs has severely limited state and local governments

in their capacity to develop parks and open spaces and protect green space and local water supplies in light of rapidly increasing populations; and

WHEREAS, LWCF provides one-time funding for state and local capital projects and state and local governments equally match the federal dollars, then assume all costs of management and maintenance; and

WHEREAS, the State of Missouri has approximately $7 million in unmet need for LWDF State Assistance projects; and

WHEREAS, requiring 40% of LWCF funds to be annually allocated to the State Assistance program would not increase the national debt, but would ensure a more balanced allocation of resources between federal land acquisition and state and local community conservation efforts, as intended by the authorizing legislation:

NOW THEREFORE BE IT RESOLVED that the members of the House of Representatives of the Ninety-sixth General Assembly, Second Regular Session, the Senate concurring therein, hereby call on the United States Congress to implement legislation specifying an annual allocation of at least 40% of Land and Water Conservation Fund (LWCF) moneys to the State Assistance program; and

BE IT FURTHER RESOLVED that the Chief Clerk of the Missouri House of Representatives be instructed to prepare properly inscribed copies of this resolution for President Barack Obama, the Majority and Minority Leaders of the United States Senate and House of Representatives, and each member of the Missouri Congressional delegation.

In which the concurrence of the Senate is respectfully requested.

The Senate met pursuant to adjournment.

President Kinder in the Chair.

Reverend Carl Gauck offered the following prayer:

"In stillness we learn to remain with the energy that arises from contact we have made with our own spiritual nature." (John Main)

God of Creation, we leave here today, our work done for the week and now a week of rest. Lord may we find time to re-energize our bodies and relax with loved ones. May it restore our minds and souls so we find a stillness that permits us to discover and know You better and learn about ourselves while nurtured by Your word and grace. In Your Holy Name we pray. Amen.

Whereas, Farrah Fite of Jefferson City, Missouri, has attained considerable distinction as the Majority Caucus Communications Director in the Missouri Senate, a vocational and leadership calling that she will draw to a close on March 16, 2012, after eight years of service; and

Whereas, no stranger to honors and accolades, Farrah Fite was labeled "The ever-pleasant Farrah Fite" by a Democratic website during a contentious political time; and

Whereas, Farrah Fite has taken great pride in maintaining a professional relationship with the Capitol Press Corps, being an informational asset to the members and staff of the Missouri Senate, and always promoting the principle that "You should report your own bad news first"; and

Whereas, Farrah Fite is the beloved wife of Gus Wagner and the daughter of James and Cherry-Ann Fite:

2. Each driver, except persons employed by the United States Postal Service while performing duties for that federal agency which require the operator to service postal boxes from their vehicles, or which require frequent entry into and exit from their vehicles, and front seat passenger of a passenger car manufactured after January 1, 1968, operated on a street or highway in this state, and persons less than eighteen years of age operating or riding in a truck, as defined in section 301.010, on a street or highway

(2) If the evidence supports such a finding, the trier of fact may find that the plaintiff's failure to wear a safety belt in violation of this section contributed to the plaintiff's claimed injuries, and may reduce the amount of the plaintiff's recovery by an amount not to exceed one percent of the damages awarded after any reductions for comparative negligence.

5. Except as otherwise provided for in section 307.179, each person who violates the provisions of subsection 2 of this section is guilty of an infraction for which a fine not to exceed **[**ten**]** **fifty** dollars may be imposed. MESSAGES FROM THE GOVERNOR

The following message was received from the Governor, reading of which was waived:

GOVERNOR OF MISSOURI
JEFFERSON CITY
65102

March 16, 2012

TO THE SECRETARY OF THE SENATE
96th GENERAL ASSEMBLY
SECOND REGULAR SESSION
STATE OF MISSOURI

Herewith I return to you Senate Substitute for Senate Committee Substitute for Senate Bill No. 572 entitled:

AN ACT

To repeal sections 287.067, 287.120, 287.150, and 287.240, RSMo, and to enact in lieu thereof four new sections relating to workers' compensation.

I disapprove of Senate Substitute for Senate Committee Substitute for Senate Bill No. 572. My reasons for disapproval are as follows:

Under current law, workers suffering from work-related occupational diseases may seek redress by bringing a civil action against their employer. This includes workers who suffer from serious and deadly work-related occupational diseases such as mesothelioma and cardiopulmonary disease that involve long-term workplace exposure to toxic substances. Current law appropriately recognizes the severity and duration of these types of occupational diseases, which may take years or even decades to manifest themselves, by allowing affected workers broader redress through access to the civil justice system. Taking this right away from workers suffering from serious and deadly occupational diseases, as Senate Substitute for Senate Committee Substitute for Senate Bill No. 572 would do by adding "occupational disease" to the workers' compensation exclusivity provision, is not acceptable.

With respect to proposed Section 287.120.11, RSMo, which provides that a civil action against an employer or employee of the employer may not proceed until all administrative remedies are exhausted, it is worth noting that both employers and employees have a shared interest in a timely and efficient disposition of claims. It is questionable whether holding a civil action in abeyance pending "exhaustion" of all "administrative remedies" – terms that, moreover, are not defined in the bill – furthers these goals. Procedural requirements should foster an efficient and equitable resolution for all parties.

In accordance with the above stated reasons for disapproval, I am returning Senate Substitute for Senate Committee Substitute for Senate Bill No. 572 without my approval.

Respectfully submitted,
Jeremiah W. (Jay) Nixon
Governor

2. Beneficiaries of an eligible entity may select any health plan offered by a health insurance issuer contracted with MO HealthNet. The director of the MO HealthNet division shall provide to the exchange no less than annually a list of contracted health insurance issuers. 3. A state employee as defined in section 103.003 may select any qualified health plan or qualified dental plan through the exchange.

4. The exchange may contract with the department for the certification, recertification, and decertification of health plans and dental plans as qualified health plans and qualified dental plans.

5. An eligible entity that contracts with the exchange for purposes of this section shall not be eligible to offer a qualified health plan or qualified dental plan through the exchange.

6. The exchange may enter into information-sharing agreements with federal and state agencies and other state exchanges to carry out its responsibilities under sections 376.1150 to 376.1185, provided such agreements include adequate protections with respect to the confidentiality of the information to be shared and comply with all state and federal laws and regulations.

376.1165. 1. The exchange shall certify a health plan as a qualified health plan or qualified dental plan if that plan has met the requirements in subdivision (4) of section 376.1155.

2. The exchange shall not exclude a health plan:

(1) On the basis that the plan is a fee-for-service plan;

(2) Through the imposition of premium price controls by the exchange;

(3) On the basis that the health plan provides treatments necessary to prevent patients' deaths in

circumstances the exchange determines are inappropriate or too costly; or

(4) On the basis that the health plan is offered by a health insurance issuer not contracted with the MO HealthNet program.

4. (1) The provisions of sections 376.1150 to 376.1185 that are applicable to qualified health plans shall also apply to the extent relevant to qualified dental plans, except as modified in accordance with the provisions of subdivisions (2) to (4) of this subsection or by regulations adopted by the exchange.

(2) The issuer shall be licensed to offer dental coverage, but need not be licensed to offer other health benefits.

The plan shall be limited to dental and oral health benefits, without substantially duplicating the benefits typically offered by health plans without dental coverage and shall include, at a minimum, the essential pediatric dental benefits prescribed by the Secretary under Section 1302(b)(1)(J) of the federal act, and such other dental benefits as the exchange or the Secretary may specify by regulation.

(4) Health insurance issuers may jointly offer a comprehensive plan through the exchange in which the dental benefits are provided by a health insurance issuer through a qualified dental plan and the other benefits are provided by a health insurance issuer through a qualified health plan, provided the plans are priced separately and are also made available for purchase separately at the same price. Nothing in this section shall be construed as prohibiting a health insurance issuer from offering a discounted rate on a qualified dental plan when purchased jointly with a qualified health plan.

5. (1) The exchange shall not exempt any health insurance issuer seeking certification of a qualified health plan or qualified dental plan, regardless of the type or size of the health insurance issuer, from state licensure or solvency requirements and shall apply the criteria of this section in a

manner that assures competition between or among health insurance issuers participating in the exchange.

(2) The director shall determine whether a health plan seeking certification or recertification as a qualified health plan or qualified dental plan meets all the requirements related to licensure and solvency.

6. The exchange shall establish an appeals process for health insurance issuers to appeal a decertification decision or the denial of certification as a qualified health plan or qualified dental plan.

Prior to January 1, 2014, the exchange may disclose qualified health plan and qualified dental plan coverage and price information available for consumers.

2. Neither the exchange nor a health insurance issuer offering health plans through the exchange may charge an individual a fee or penalty for termination of coverage if the individual enrolls in another type of minimum essential coverage because the individual has become newly eligible for that coverage or because the individual's employer-sponsored coverage has become affordable under the standards of Section 36B(c)(2)(C) of the Internal Revenue Code of 1986, as amended.

3. Qualified employers in the small group market may make their employees eligible for one or more qualified health plans offered through the exchange and specify a level of coverage so that any of its employees may enroll in any qualified health plan or qualified dental plan offered through the SHOP exchange at the specified level of coverage.

4. The exchange shall permit a consumer to establish a personal health record.

376.1175. 1. Federal funding for direct costs related to the development and operation of the exchange through 2014, the first year of operation, shall be provided under federal law. Any assessments or fees charged to health insurance issuers shall be limited to the minimum amount necessary to pay for the administrative and capital costs and expenses that have been approved in the annual budget process, with consideration of other available funding sources. Services performed by the exchange on behalf of other state programs or federal programs shall not be funded with assessments or user fees collected from health insurance issuers.

4. Any unexpended funding of the exchange shall be used for further exchange operations or

returned to health insurance issuers and health plans as a credit for future imposed assessments or fees.

5. The exchange shall publish the average costs of licensing, regulatory fees, taxes, issuer assessments, and any other payments required by the exchange, and the administrative costs of the exchange, on an internet website to educate consumers on such costs as authorized under Section 1311(d)(7) of the federal act.

6. Taxes, fees, or assessments used to finance the exchange shall be considered a state tax or assessment as outlined in Section 2718 of the Public Health Services Act and its implementing regulations, and shall be excluded from health plan administrative costs for the purpose of calculating medical loss ratios or rebates, to the full extent allowed by federal regulation.

7. The board shall have exclusive jurisdiction and control over the funds and property of the exchange. Income of the exchange shall not be considered revenue of the state of Missouri. The assets of the exchange shall be exempt from state and all political subdivision taxes.

8. All moneys received by or belonging to the exchange shall be paid to the executive director and promptly deposited by the executive director to the credit of the exchange in one or more banks, trust companies, or other financial institutions as selected by the board. No such moneys shall be deposited or be retained by any bank, trust company, or other financial institution which does not have on deposit with and for the board at the time the kind and value of collateral required by sections 30.240 and 30.270 for depositories of the state treasurer. Such moneys shall be funds of the exchange and shall not be commingled with any funds in the state treasury. The executive director shall be responsible for all funds, securities, and property belonging to the exchange and shall be provided with such corporate surety bond for the faithful handling of such funds, securities, and property as the board shall require.

376.1180. 1. Nothing in sections 376.1150 to 376.1185 shall prohibit qualified individuals or qualified employers from purchasing any health plans and dental plans outside the exchange.

2. The provisions of sections 376.1150 to 376.1185 shall not apply to a supplemental insurance policy, including a life care contract, accident-only policy, specified disease policy, hospital policy providing a fixed daily benefit only, Medicare supplement policy, long-term care policy, short-term major medical policy of six months' or less duration, or any other supplemental policy.

376.1185. 1. (1) The board may promulgate rules for the proceedings, implementation, and operations of sections 376.1150 to 376.1185.

(2) Rules promulgated under this subdivision shall not conflict with or prevent the application of rules promulgated by the Secretary under the federal act.

(3) Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in sections 376.1150 to 376.1185 shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. Sections 376.1150 to 376.1185 and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2012, shall be invalid and void.

2. (1) Nothing in sections 376.1150 to 376.1185 and no action taken by the exchange under sections 376.1150 to 376.1185 shall be construed to preempt or supersede the authority of the director to regulate the business of insurance within this state.

(2) Except as expressly provided to the contrary in sections 376.1150 to 376.1185, all health insurance issuers offering qualified health plans in this state shall comply fully with all applicable health insurance laws of this state and regulations adopted and orders issued by the director.

(3) The director may promulgate rules regarding the activities of navigators, consistent with the federal act and any regulations issued by the secretary. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this subdivision shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. The provisions of this subdivision and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2012, shall be invalid and void.

3. MESSAGES FROM THE HOUSE

The following messages were received from the House of Representatives through its Chief Clerk:

Mr. President: I am instructed by the House of Representatives to inform the Senate that the House has taken up and adopted **HCR 22**.

HOUSE CONCURRENT RESOLUTION NO. 22

WHEREAS, women have served honorably and with courage in all of America's wars and conflicts since the American Revolution; and

WHEREAS, the United States military has evolved from a predominantly male force to a force of over 14% women who are currently serving on active duty, and nearly 17% serving in the Reserves and National Guard; and

WHEREAS, the population of women veterans is increasing exponentially from 1.1 million in 1980 to a projection of nearly 2 million by 2020, and will comprise more than 10% of the veteran population; and

WHEREAS, the projected population of male veterans is expected to continue to decline; and

WHEREAS, given that an unprecedented number of women are serving in the military and participating in Operation Enduring Freedom and Operation Iraqi Freedom, the United States Department of Veterans Affairs (VA) is working to provide consistent, comprehensive, and quality health care and benefits to women veterans of all eras; and

WHEREAS, the number of women veterans has increased over the last decade because there is an increasing number and proportion of women who are entering and leaving the military, and women are living longer than men and have a younger age distribution compared to male veterans; and

WHEREAS, even though the VA has been at the forefront of health care and lifestyle solutions affecting an aging male population, there is now a growing need to improve health care services for women veterans, ensure clinicians are properly trained to provide primary care and gender specific care to women of all ages, and identify innovative courses of treatment and solutions to obstacles that are unique to women veterans; and

WHEREAS, with a rapidly increasing number of women serving in the military today and returning from deployments as seasoned veterans, and some with exposure to combat, VA facilities and veterans service organizations are working to ensure that the post-deployment mental and physical health needs unique to women veterans are also met; and

WHEREAS, even though the roles of women in the military have changed over time and will continue to change, they deserve to be acknowledge for their military service and treated with equal respect:

NOW THEREFORE BE IT RESOLVED that we, the members of the Missouri House of Representatives, Ninety-sixth General Assembly, Second Regular Session, the Senate concurring therein, hereby encourages the Missouri Veterans Commission and its women veterans state coordinator to work in conjunction with the National Foundation for Women Legislators and the Center for Women Veterans at the United States Department of Veterans Affairs to reach out to all women veterans within the State of Missouri to encourage them to bring their specific needs and concerns to the attention of agency officials so that state legislators and agency officials may work together to identify unique issues impacting women veterans and consider policy solutions that will improve the quality of life for women veterans within this state; and

BE IT FURTHER RESOLVED that the Missouri General Assembly formally honors all of the women in this state who have heroically answered their call to duty and recognizes the important role women have played in shaping this great nation; and

BE IT FURTHER RESOLVED that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for the Missouri Veterans Commission.

In which the concurrence of the Senate is respectfully requested.

Also,

Mr. President: I am instructed by the House of Representatives to inform the Senate that the House has taken up and adopted **HCR 37**.

HOUSE CONCURRENT RESOLUTION NO. 37

WHEREAS, the United States relies - and will continue to rely for many years - on gasoline, diesel, and jet fuel, as well as renewable and alternative sources of energy; and

WHEREAS, in order to fuel our economy, the United States will need more oil and natural gas while also requiring additional alternative energy sources; and

WHEREAS, the United States currently depends on foreign imports for more than half of its petroleum usage and is the largest consumer of petroleum in the world. United States dependence on overseas oil has created difficult geopolitical relationships with potentially damaging consequences for our national security; and

WHEREAS, oil deposits in the Bakken Reserves of Montana, North Dakota, and South Dakota are an increasingly important crude oil resource, with an estimated 11 billion barrels of recoverable crude oil. There is not enough pipeline capacity for crude oil supplies from Montana, North Dakota, South Dakota, Oklahoma, and Texas to American refineries; and

WHEREAS, Canadian oil reserves contain an estimated 173 billion barrels of recoverable oil. Canada is the single largest supplier of oil to the United States at 2.62 million barrels per day and has the capacity to significantly increase that rate; and

WHEREAS, the original Keystone Pipeline which spans across the northern part of Missouri supplies over 435,000 barrels of North American crude oil to American refineries in the Midwest. The Keystone XL Pipeline will, when completed, carry 700,000 barrels of North American crude oil to American refineries in the Gulf Coast region; and

WHEREAS, construction of pipelines linking North American energy to the United States will create hundreds of thousands of jobs nationwide, including tens of thousands in construction and manufacturing, creating billions in economic growth and generating millions of dollars worth of government receipts; and

WHEREAS, a recent study by the United States Department of Energy found that increasing delivery of crude oil from Montana, North Dakota, South Dakota, and Alberta, Canada, as well as Texas and Oklahoma to American refineries has the potential to substantially reduce our country's dependency on sources outside of North America; and

WHEREAS, Canada sends more than 99% of its oil exports to the United States, the bulk of which goes to Midwestern refineries. Oil companies are investing huge sums to expand and upgrade refineries in the Midwest and elsewhere to make gasoline and other refined products from Canadian oil derived from oil sands. The expansion and upgrade projects have and will create many new construction jobs over the next five years and will add to the gross product of Missouri; and

WHEREAS, 99% of the money used to buy Canadian oil will likely later be spent directly on United States goods and services, in contrast with increasing the trade relationship with unstable regions. Supporting the continued shift towards reliable and secure sources of North American oil is of vital interest to the United States and the State of Missouri:

NOW THEREFORE BE IT RESOLVED that the members of the House of Representatives of the Ninety-sixth General Assembly, Second Regular Session, the Senate concurring therein, hereby strongly:

(1) Support continued and increased development and delivery of oil derived from North American oil reserves to American refineries;

(2) Urge the United States Congress to support continued and increased development and delivery of oil from Canada to the United States; and

(3) Urge the United States Congress to enact legislation deeming the Keystone XL Pipeline to be in the national interest of the United States; and

(4) Urge the United States Secretary of State to approve the Keystone XL pipeline project to ensure America's oil independence, improve our national security, reduce the cost of gasoline, create new jobs, and strengthen ties between the United States and Canada; and

BE IT FURTHER RESOLVED that the Chief Clerk of the Missouri House of Representatives be instructed to prepare properly inscribed copies of this resolution for the President of the United States, the President Pro Tem of the United States Senate, the Speaker of the United States House of Representatives, and each member of the Missouri Congressional delegation.

In which the concurrence of the Senate is respectfully requested.

On motion of Senator Dempsey, the Senate recessed until 3:00 p.m.

SENATE COMMITTEE SUBSTITUTE FOR
SENATE CONCURRENT RESOLUTION NO. 17

WHEREAS, two of this country's greatest waterways, the Mississippi River on Missouri's eastern border and the Missouri River which winds across the state, helped Missouri become a supply center for many of the westward-bound settlers of the nation's early years; and

WHEREAS, from the muddy Missouri to the swift and clear Jacks Fork, the hundreds of rivers and streams in Missouri snake across more than 110,000 miles of the state - more than four times the distance around the earth - providing endless recreational opportunities for Missourians, including boating, fishing, swimming, and bird watching along the bluffs bordering our many rivers and streams; and

WHEREAS, shipping along the navigable rivers boosted Missouri's status as an agriculture supplier, barges and steamboats used the waterways to move goods, river towns boomed, and railroads continued to fuel the growth of Missouri as a large transportation center; and

WHEREAS, the Missouri Territory, and later the State of Missouri, took the name of the Missouri River which was named for the Missouri Indians who lived along the banks; and

WHEREAS, the State of Missouri has many nicknames, with the most widely recognized being "The Show-Me State" and "The Cave

State"; and

WHEREAS, roads along or near both banks of the Mississippi River along its entire length have been designated as "The Great River Road" and are marked with a special road sign which depicts a ship's wheel; and

WHEREAS, the Great Rivers Greenway District was established in November 2000 in St. Louis City, St. Louis County, and St. Charles County to eventually develop "The River Ring" as an interconnected system of greenways, parks, and trails in the St. Louis area which will enhance the quality of life for residents and visitors; and

WHEREAS, from confluence of the Big Muddy and the Mighty Mississippi at the eastern portion of the state and looking north, south, or west, the State of Missouri includes the land that Meriwether Lewis and William Clark scanned as they began their journey up the Missouri River on their Voyage of Discovery in 1804, the land that is habitat for deer, turkey, bald eagles, and other wildlife, the land that is farmland abundant with agricultural crops, and the same land that held 260 billion gallons of water during the Great Flood of 1993; and

WHEREAS, with much of Missouri's history tied to the mighty rivers that flow through it, Missouri should also be known as the "The Great Rivers State":

NOW THEREFORE BE IT RESOLVED that the members of the Missouri Senate, Ninety-sixth General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby encourage the use of the slogan "The Great Rivers State" as a slogan for the State of Missouri; and

Journal of the Senate

SECOND REGULAR SESSION

FORTY-SECOND DAY—THURSDAY, MARCH 22, 2012

The Senate met pursuant to adjournment.

President Kinder in the Chair.

Reverend Carl Gauck offered the following prayer:

"We have to pray with our eyes on God, not on the difficulties." (Oswald Chambers)

Heavenly Father, we bring another week to a close and have a growing awareness that the days we have left are getting shorter. We know that prayer helps us settle our souls, minds and bodies, so that we can deal with the stress and pressures that are building. So we ask, help us, O God, to keep our eyes on You and believe that difficulties can be solved by trusting in You. We also pray for Senator Ridgeway and her family at the death of her brother, Daryl. Grant mercy, comfort and healing at this time of their grief and pain. In Your Holy Name we pray. Amen.

A quorum being established, the Senate proceeded with its business.

Journal of the Senate

SECOND REGULAR SESSION

FORTY-SIXTH DAY—THURSDAY, MARCH 29, 2012

The Senate met pursuant to adjournment.

President Kinder in the Chair.

Reverend Carl Gauck offered the following prayer:

"My soul will be satisfied as with the richest of foods: with singing lips my mouth will praise you." (Psalm 63:5)

Gracious God, we find our satisfaction in You who continuously provide us all the wherewithal of life, food for our bodies, friends for our fellowship, love for our hearts and sharing of Your spiritual presence with those we love. Words cannot even express how grateful we are that You are in our lives for it makes them complete. Be with us this weekend in all we say and do. In Your Holy Name we pray. Amen.

SENATE RESOLUTION NO. 1762

WHEREAS, the Orthodox Christian Church, in existence for nearly 2,000 years, numbers approximately 300,000,000 members world-wide with more than 2,000,000 members in the United States; and

WHEREAS, since 1453, the continuing presence of the Ecumenical Patriarchate in Turkey has been a living testament to the religious coexistence of Christians and Muslims; and

WHEREAS, the European Union defined membership criteria for accession at the Copenhagen European Council in 1993, obligating candidate countries to achieve certain levels of reform, including stability of institutions guaranteeing democracy, adherence to the rule of law, and respect for and protection of minorities and human rights; and

WHEREAS, the Turkish government's current treatment of the Ecumenical Patriarchate is inconsistent with the membership conditions and goals of the European Union; and

WHEREAS, Orthodox Christians in this state and throughout the United States stand to lose their spiritual leader because of the continued actions of the Turkish government; and

WHEREAS, the Turkish government closed the Theological School on the Island of Halki in 1971 and has refused to allow it to reopen, thus impeding training for Orthodox Christian clergy; and

WHEREAS, the Turkish government has confiscated nearly 94% of the Ecumenical Patriarchate's properties and has placed a 42% tax, retroactive to 1999, on the Balouki Hospital and Home for the Aged, a charity hospital run by the Ecumenical Patriarchate; and

WHEREAS, the European Union, a group of nations with a common goal of promoting peace and the well-being of its people, began accession negotiations with Turkey on October 3, 2005; and

WHEREAS, the European Union defined membership criteria for accession; and

WHEREAS, this religious coexistence is in jeopardy because the Ecumenical Patriarchate is considered a minority religion by the Turkish government; and

WHEREAS, the Turkish government has limited the candidates available to hold the office of Ecumenical Patriarch to only Turkish nationals, and from the millions of Orthodox Christians living in Turkey at the turn of the 20th century and due to the continued policies during this period by the Turkish government, there remain less than 3,000 of the Ecumenical Patriarch's flock left in Turkey today; and

WHEREAS, the Archons of the Ecumenical Patriarchate of the Order of St. Andrew the Apostle, a group of laymen who each have been honored with a patriarchal title, or "offikion", by the Ecumenical Patriarch for their outstanding service to the Orthodox Church, will send an American delegation to Turkey to meet with Turkish government officials, as well as the United States Ambassador to the Republic of Turkey, regarding the Turkish government's treatment of the Ecumenical Patriarchate:

NOW THEREFORE BE IT RESOLVED that the members of the Missouri Senate, Ninety-sixth General Assembly, Second Regular Session, hereby urge the Turkish government to:

(1) Uphold and safeguard religious and human rights without compromise;

(2) Cease its discrimination of the Ecumenical Patriarchate;

(3) Grant the Ecumenical Patriarch appropriate international recognition, ecclesiastic succession, and the right to train clergy of all nationalities; and

(4) Respect the property rights and human rights of the Ecumenical Patriarchate; and

BE IT FURTHER RESOLVED that the Secretary of the Missouri Senate be instructed to prepare properly inscribed copies of this resolution for the President of the United States, the United States Ambassador to the Republic of Turkey, the Ambassador of the Republic of

Turkey to the United States, and each member of the Missouri Congressional delegation.

COMMUNICATIONS

President Pro Tem Mayer submitted the following:

March 29, 2012

Senator Jim Lembke
Chairman, Government Accountability Committee
Room 419, State Capitol
Jefferson City, MO 65101

Dear Chairman Lembke:

Pursuant to Senate Rule 28 Section 8, I request that your committee investigate the recent controversy surrounding the St. Louis Post-Dispatch story, "Missouri National Guard sergeant tied to Nazism is fired," which I have attached to this letter for your review.

This issue was brought to my attention by Senator Bill Stouffer after a constituent contacted him. It is troubling to me that it has taken the Missouri National Guard three years to dismiss a state military honor guard employee who was a confirmed neo-Nazi. As you are aware, it

is the duty of the military honor guard to attend funerals of veterans, many of whom having fought against this ignorance abroad during the 20th century. If I can be of additional assistance, please do no hesitate to contact my office.

Sincerely,
/s/ Robert N. Mayer
Robert N. Mayer
District 25 Senator

Journal of the Senate

SECOND REGULAR SESSION

FORTY-SEVENTH DAY—MONDAY, APRIL 2, 2012

The Senate met pursuant to adjournment.

President Kinder in the Chair.

Reverend Carl Gauck offered the following prayer:

"How much of God's sunshine has entered your life? How much time have you spent in the radiance of his presence?" (E. Townley Lord)

As we begin a new week we are so mindful of the draining pressures and demands that are beginning to increase around us. Help us Lord, for we need You to give us quietness and patience as we seek Your blessings in all that we do here. We recognize that the surest spiritual search is made in silence, so help us find such quietness in each day to wait upon You so that we might be refreshed for what lies ahead. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

MESSAGES FROM THE HOUSE

The following messages were received from the House of Representatives through its Chief Clerk:

Mr. President: I am instructed by the House of Representatives to inform the Senate that the House has taken up and adopted **HCS** for **HCR 30**.

HOUSE COMMITTEE SUBSTITUTE FOR
HOUSE CONCURRENT RESOLUTION NO. 30

WHEREAS, over the course of the Spring and Summer of 2011, unprecedented releases of water upstream by the U.S. Army Corps of Engineers have caused extensive pressure on the river levees in the state of Missouri that protect many communities, businesses, and prime agricultural lands; and

WHEREAS, in the face of this tremendous pressure some of Missouri's levees have been intentionally and unintentionally breached, resulting in widespread flooding, which has proved devastating to many Missouri homes, farms, families, and livelihoods; and

WHEREAS, last summer, the U.S. Army Corps of Engineers intentionally breached the Birds Point levee in southeast Missouri which resulted in the flooding of 130,000 acres of mostly agricultural land; and

WHEREAS, Missouri families have suffered unprecedented losses as a result of this situation and many Missouri farmers have experienced

a complete and total loss of agricultural production, resulting in decimated farm incomes and ravaged local economies; and

WHEREAS, according to a June 2011 report drafted by the Food and Agriculture Policy Research Institute of the University of Missouri, the breach of the levee and subsequent flooding of crop lands in Southeast Missouri has resulted in economic losses totaling $60.6 million, a combination of forgone net returns and incurred production expenses in the affected area; and

WHEREAS, according to the University of Missouri Extension, the southeast Missouri region produced the following shares of the state's total production of specific agricultural commodities in 2010:

1) 100% of total cotton production in Missouri;

2) 99.6% of total rice production in Missouri;

3) 52.9% of total wheat production in Missouri;

4) 21.4% of total grain sorghum production in Missouri;

5) 18.1% of total soybean production in Missouri;

6) 15.4% of total corn production in Missouri; and

WHEREAS, with the agricultural production of southeast Missouri accounting for approximately one-third of the state's total economy, the catastrophic results of the flooding of agricultural land due to the intentional breach of the Birds Point levee in southeast Missouri has a significant economic impact for the entire state. This complete and total loss of agricultural production at a time when our state's economy is experiencing recession can only exacerbate the state's current economic hardships; and

WHEREAS, the flood waters have not yet receded in some parts of Missouri and continue to disrupt the lives of hard-working Missourians; and

WHEREAS, even after the flood waters recede, much work will need to be done to restore the productivity of the damaged agricultural land and repair the ruined homes and businesses; and

WHEREAS, the U.S. Army Corps of Engineers is charged with management of the nation's rivers and flood control is one of the primary purposes for which the rivers are to be managed; and

WHEREAS, the original flood plan was authorized in 1928 in response to severe flooding of the Mississippi River in 1927. The U.S. Army Corps of Engineers is obligated to re-examine the flood plan in light of the devastating losses, both short-term and long-term, suffered in this state as a result of the unprecedented releases of water upstream and the intentional breach of the Birds Point levee by the U.S. Army Corps of engineers during the Spring and Summer of 2011:

NOW THEREFORE BE IT RESOLVED that the members of the House of Representatives of the Ninety-sixth General Assembly, Second Regular Session, the Senate concurring therein, hereby strongly urge the U.S. Army Corps of Engineers to:

1) Re-examine the flood control operations for the Missouri and Mississippi rivers; and

2) Manage the rivers in such a way as to avoid the devastating flooding disasters that have occurred this year; and

3) Rebuild the damaged levees to at least their previous heights as expediently as possible; and

BE IT FURTHER RESOLVED that the members of the Missouri General Assembly encourage communities, families and other stakeholders to work together to restore the prime agricultural lands that have been damaged by the recent flooding so that the productive value of these lands is not irrevocably lost; and

BE IT FURTHER RESOLVED that the members of the Missouri General Assembly strongly encourage the members of the Missouri Congressional delegation to actively support policies for the management of the Missouri River that minimize devastating flood events such as those that have been experienced by so many Missourians this summer; and

BE IT FURTHER RESOLVED that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for the Secretary of the U.S. Army and the members of the Missouri Congressional delegation.

In which the concurrence of the Senate is respectfully requested.

Also,

Mr. President: I am instructed by the House of Representatives to inform the Senate that the House has

taken up and adopted **HCR 25**.

HOUSE CONCURRENT RESOLUTION NO. 25

WHEREAS, the practice of school nursing began in the United States in 1902, when the initial role of the school nurse was to reduce absenteeism by intervening with students and families regarding health care needs related to communicable diseases; and

WHEREAS, today, professional school nursing is a specialized practice that advances the well-being, academic success, and lifelong achievement of students. To that end, school nurses facilitate positive student responses to normal development, promote health and safety, intervene with actual and potential health problems, provide case management services, and actively collaborate with others to build student and family capacity for adaptation, self-management, and self-advocacy, and learning; and

WHEREAS, seven roles have been identified by the National Association of School Nurses:

(1) Providing health care to students and staff;

(2) Providing leadership for the provision of health services;

(3) Providing screening and referral for health care;

(4) Promoting a healthy school environment;

(5) Promoting health;

(6) Serving in a leadership role for health policies and programs;

(7) Serving as a liaison between school personnel, family, community, and health care providers; and

WHEREAS, under optimal conditions, all public schools should have a school nurse on staff; and

WHEREAS, today, school nurses are facing increased pressures from every direction. Overwhelming amounts of paperwork, strict administrative policies, diminishing school budgets, and serious concerns regarding legal liabilities leave an insufficient amount of time and resources to provide students with the quality of care they deserve; and

WHEREAS, as schools grapple with mandates from the federal government to vaccinate students, many districts have few or no nurses to prevent or respond to outbreaks, leaving students more vulnerable to viruses that spread easily in classrooms and take a heavier toll on children and young adults; and

WHEREAS, a 2008 survey by the National Association of School Nurses found that only 45% of public schools have their own full-time nurse, another 30% have a part-time nurse, and 25% don't have any nurses at all; and

WHEREAS, given the vital role of our professional school nurses, school districts should recognize the dedication and contributions made by professionals:

NOW THEREFORE BE IT RESOLVED that the members of the House of Representatives of the Ninety-sixth General Assembly, Second Regular Session, the Senate concurring therein, hereby recognize the important health and educational services that professional school nurses provide and strongly urge every school district in this state to recognize the dedication of professional school nurses and the valuable role they play in Missouri schools; and

BE IT FURTHER RESOLVED that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for each school district in Missouri.

In which the concurrence of the Senate is respectfully requested.

Also,

Mr. President: I am instructed by the House of Representatives to inform the Senate that the House has taken up and adopted **HCR 11**.

(6) Missouri ranks 14th in the nation in total value of agricultural products sold. In 2009, 30% of Missouri's top agricultural production was in cattle and calves (16.1%), hogs (10%), and turkeys (4%); and

WHEREAS, in 2009, Missouri ranked 12th in the nation in agricultural exports, with livestock animals and meat as the 3rd highest agricultural export in the state; and

WHEREAS, with animal agriculture playing such a vital role in the lives of Missourians, it is appropriate to set aside one day to celebrate Missouri's animal agriculture industry in Missouri:

NOW THEREFORE BE IT RESOLVED that the members of the House of Representatives of the Ninety-sixth General Assembly, Second Regular Session, the Senate concurring therein, hereby designate October 3, 2012, as "Missouri Animal Agriculture Day" and encourage all citizens of this state to commemorate the day by eating and enjoying the fine meat selections raised in Missouri, including beef, pork, chicken, and turkey, as well as our wild game of deer, turkey, rabbit, and elk, and the many fish from our lakes, rivers, streams, and creeks.

In which the concurrence of the Senate is respectfully requested.

Also,

The commission's purpose is to "protect public health and the environment by assisting communities with chemical incident prevention, preparedness, response and recovery; and by receiving, processing and reporting on chemical information received under the community right-to-know laws."

It is important that this commission is represented by senators who have dealt first hand with the intricacies involved in response efforts for these difficult emergency situations in the communities of Missouri. I am very confident that Senators Dixon and Munzlinger will work diligently with their fellow commission members in reviewing emergency response plans.

If you have any questions regarding these appointments, please do not hesitate to contact my office.

WHEREAS, the Tenth Amendment to the Constitution of the United States reads as follows: "The powers not delegated to the United States by the Constitution, nor prohibited by it to the States, are reserved to the States respectively, or to the people"; and

WHEREAS, the Tenth Amendment defines the total scope of federal power as being that specifically granted by the Constitution of the United States and no more; and

WHEREAS, the scope of power defined by the Tenth Amendment means that the federal government was created by the states specifically to be an agent of the states; and

WHEREAS, today, in 2012, the states are demonstrably treated as agents of the federal government; and

WHEREAS, many federal mandates are directly in violation of the Tenth Amendment to the Constitution of the United States; and

WHEREAS, the United States Supreme Court has ruled in New York v. United States, 112 S. Ct. 2408 (1992), that Congress may not simply commandeer the legislative and regulatory processes of the states; and

WHEREAS, a number of proposals from previous administrations and some now pending from the present administration and from Congress may further violate the Constitution of the United States:

NOW THEREFORE BE IT RESOLVED that the members of the Missouri House of Representatives, Ninety-sixth General Assembly, Second Regular Session, the Senate concurring therein, hereby claims sovereignty for the State of Missouri under the Tenth Amendment to the Constitution of the United States over all powers not otherwise enumerated and granted to the federal government by the Constitution of the United States; and

BE IT FURTHER RESOLVED that this resolution shall serve as a notice and demand to the federal government, as our agent, to cease and desist, effective immediately, mandates that are beyond the scope of these constitutionally-delegated powers; and

BE IT FURTHER RESOLVED that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for the President of the United States, the President of the United States Senate, the Speaker of the United States House of Representatives, the Speaker of the House and President of the Senate of each state's legislature of the United States of America, and each member of the Missouri Congressional delegation.

HOUSE CONCURRENT RESOLUTION NO. 31

WHEREAS, the United States Corps of Engineers' five-year study of the Upper Mississippi River Basin, which is everything north of Cairo, Illinois, failed to produce a plan for flood control acceptable to all stakeholders; and

WHEREAS, the Mississippi River Commission did recommend Plan H to the United States Congress; and

WHEREAS, the Corps of Engineers has not recommended this plan to the United States Congress, citing the expense of the construction of 500-year levees along these rivers, estimated to be $6 billion, does not meet current cost-benefit guidelines for federal funding; and

WHEREAS, the Corps of Engineers additionally determined a need for better data based upon new hydrology and flow studies and the need to study tributaries of the Mississippi River; and

WHEREAS, the Corps of Engineers indicated that ramifications of the additional 500-year levees and their potential to cause additional flooding would need to be determined, and affected populations and communities informed and advised of the potential impact; and

WHEREAS, the affected counties include the Missouri counties of Lincoln, Pike, and St. Charles; and

WHEREAS, Plan H designates only about half of the levees in the Missouri counties of Lincoln, Pike, and St. Charles be raised, while to the north a higher percentage of 500-year levees are recommended for both sides of the river; and

WHEREAS, the stakeholders in the Missouri counties of Lincoln, Pike, and St. Charles desire the protections provided by the 500-year levees; and

WHEREAS, the proposed Plan H, if implemented, denies the benefits of 500-year levees to those making a living along the Mississippi River, negatively impacting agriculture, transportation, businesses, industries, tourism, hunting, fishing, boating, infrastructure, and residences; and

WHEREAS, over 6,500 citizens have signed petitions opposing the proposed Plan H; and

WHEREAS, the Upper Mississippi River Basin should receive funding comparable to funding for the Southern Mississippi River Basin from Cairo, Illinois, to New Orleans, Louisiana:

NOW THEREFORE BE IT RESOLVED that the members of the House of Representatives of the Ninety-sixth General Assembly, Second Regular Session, the Senate concurring therein, hereby strongly urge the United States Congress to support a comprehensive plan for the Upper Mississippi River Basin that enhances system-wide flood control without creating adverse impacts on existing levees, levee districts, rural communities, and metropolitan areas. The plan should be based on analysis that quantifies the impacts of enhanced flood control measures and acknowledges the importance of keeping agricultural land in production. The proposed Plan H making the Missouri counties of Lincoln, Pike, and St. Charles the lowest points on the Mississippi River levee system is totally unacceptable and we ask the Missouri Congressional delegation to oppose this plan; and

BE IT FURTHER RESOLVED that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copies of this resolution for each member of the Missouri Congressional delegation.

In which the concurrence of the Senate is respectfully requested.

SENATE AMENDMENT NO. 1

Amend Senate Committee Substitute for House Committee Substitute for House Bill No. 1174, Page 5, Section 162.081, Line 157, by inserting after all of said line the following:

"167.131. 1. The board of education of each district in this state that does not maintain an accredited school **for specific grade levels** pursuant to the authority of the state board of education to classify schools as established in section 161.092 shall pay **[**the**]** tuition **[**of**] as calculated by the receiving district under subsection 2 of this section** and provide transportation consistent with the provisions of section 167.241 for each pupil resident therein who attends an accredited **public** school in another district of the same or an adjoining county.

2. The rate of tuition to be charged by the district attended and paid by the sending district is the per pupil cost of maintaining the district's grade level grouping which includes the school attended. The cost of maintaining a grade level grouping shall be determined by the board of education of the district but in no case shall it exceed all amounts spent for teachers' wages, incidental purposes, debt service, maintenance and replacements. The term "debt service", as used in this section, means expenditures for the retirement of bonded indebtedness and expenditures for interest on bonded indebtedness. Per pupil cost of the grade level grouping shall be determined by dividing the cost of maintaining the grade level grouping by the average daily pupil attendance. If there is disagreement as to the amount of tuition to be paid, the facts shall be submitted to the state board of education, and its decision in the matter shall be final. Subject to the limitations of this section, each pupil shall be free to attend the public school of his or her choice.

167.133. 1. (1) The board of education of each district in this state that has been declared unaccredited pursuant to the authority of the state board of education as established in section 161.092 shall pay tuition and provide transportation consistent with the provisions of section 167.241 for each pupil resident therein who meets the criteria of this section.

(2) Unless a receiving district qualifies under subdivision (3) of this subsection, the rate of tuition to be charged by the district attended and paid by the sending district is the per-pupil cost of maintaining the district's grade-level grouping which includes the school attended. The cost of maintaining a grade-level grouping shall be determined by the board of education of the district but in no case shall it exceed all amounts spent for teachers' wages, incidental purposes, debt service, maintenance and replacements. The term "debt service", as used in this section, means expenditures for the retirement of bonded indebtedness and expenditures for interest on bonded indebtedness. Per-pupil cost of the grade-level grouping shall be determined by dividing the cost of maintaining the grade-level grouping by the average daily pupil attendance.

(3) When any metropolitan school district is unaccredited or any district located in a county with a charter form of government and with more than nine hundred fifty thousand inhabitants is unaccredited, the tuition amount for students residing in those districts shall be the same as the tuition payment in effect at the time for any voluntary interdistrict transfer program regardless of whether the receiving district was or is participating in the interdistrict transfer program. If there is disagreement as to the amount of tuition to be paid, the facts shall be submitted to the state board of education, and its decision in the matter shall be final.

2. A pupil from an unaccredited district may attend a school in another district of the same or an adjoining county if the receiving district is accredited without provision and if the pupil has been enrolled in and attending a public school in the district during the school year when such declaration is made, or has enrolled and attended in the unaccredited district in school years subsequent to the year in which the declaration is made. Pupils who reside in the unaccredited district who become eligible for kindergarten or first grade in a school year after the effective date of this section are also eligible to transfer. A student who resides in an unaccredited district but who is attending a private school on or after the date the district is declared unaccredited shall become eligible to transfer to a public school in another district of the same or adjoining county under this section after the student has enrolled in and completed a full school year in a public school or charter school in the unaccredited district.

3. By June 30, 2012, each school district shall establish specific criteria through board policy for the admission of nonresident pupils from districts that have been classified as unaccredited by the state board of education who seek admission into a school district under this section. The primary criteria shall be the availability of highly qualified teachers in existing classroom space. Each district shall establish criteria for calculating available seats that take into account the district's resident student population growth or decrease, based on demographic projections provided by the office of socioeconomic data analysis, such that the receiving district shall not be required to employ additional teachers or construct new classrooms to accommodate such transfer pupils. No resident pupil shall be displaced from a school to which he or she would otherwise be assigned to accommodate the admission of a nonresident pupil. The assignment of a student to a particular building shall be the decision of the receiving district. Once a student from an unaccredited district has been accepted under this section, the student may complete his or her educational program in the district even if the student's residence district has regained its accreditation.

4. Subject to the limitations of this section, each pupil shall be free to attend the public school of his or her choice.

167.425. 1. When the state board of education classifies a metropolitan school district as unaccredited or any school district located in a county with a charter form of government and with more than nine hundred thousand inhabitants as unaccredited, the department of elementary and secondary education shall establish a clearinghouse, as provided in this section, to assist students to transfer from an unaccredited district.

2. For purposes of this section, "clearinghouse" means a neutral third party appointed by the department of elementary and secondary education to coordinate student transfers from unaccredited school districts to accredited districts subject to the conditions of section 167.133.

3. The clearinghouse shall make information and assistance available to assist parents or guardians who intend to transfer their child from an unaccredited district to an accredited district under this section.

4. The parent or guardian of a pupil residing in an unaccredited district who intends to enroll the parent's or guardian's child in an accredited district under the provisions of this section shall send initial notification to the pupil's school district of residence and the clearinghouse. Each parent or guardian of a pupil who provides notice of intent to transfer from an unaccredited school district to another school under this section shall do so on forms prescribed by the department of elementary and secondary education. Initial notification shall be made by January fifteenth for enrollment in the subsequent school year.

5. (1) If a parent or guardian fails to file the initial notification forms by the deadline specified in subsection 4 of this section, and satisfies the definition of good cause as defined in subdivision (3) of this subsection, or if the request is to enroll a child in a school in an accredited district under this section for kindergarten or first grade or in any grade if a child is moving into Missouri or moving into the public school district for the first time, the parent or guardian shall be permitted, if accepted, to enroll the child in the other district in the same manner as if the deadline had been met.

(2) Until the last Friday in March of that calendar year, the parent or guardian requesting transfer shall send notification to the district of residence and the clearinghouse, on forms prescribed by the department of elementary and secondary education, that good cause, as defined in subdivision (3) of this subsection, exists for failure to meet the deadline. The clearinghouse shall take action to approve the request if good cause exists. A denial of a request by the clearinghouse is not subject to appeal.

(3) For purposes of this section, "good cause" means a change in a child's residence due to a change in family residence, a change in a child's parents' marital status, a guardianship or custody change, placement in foster care, adoption, participation in a substance abuse or mental health treatment program, or student health or safety concerns; or a change in the status of a child's district of residence, such as removal of accreditation by the state board of education, permanent closure of a public or nonpublic school that the child attends, or revocation of a charter school's charter as provided in section 160.405. If the good cause relates to a change in status of a child's school district of residence, however, action by a parent or guardian must be taken to file the notification within forty-five days of the last official action relating to such status. Student health or safety concerns shall include, but not be limited to, ongoing bullying, supported by official school reports, sexual misconduct complaints, reports, or investigations, and drug or alcohol concerns with peers. If the district does not agree with the parent's or child's concerns, a written notice of need for relocation

from a medical or mental health professional shall suffice to satisfy "good cause" under this subsection.

6. The clearinghouse may contract with a school district, any voluntary interdistrict council, or any private entity for transportation services.

7. The expenses associated with the administration of pupil transfers under this section shall be defrayed by the department of elementary and secondary education retaining funds to cover the cost of administration from the state school aid withheld from a transfer student's district of residence.";
and

Journal of the Senate

SECOND REGULAR SESSION

FIFTY-THIRD DAY—THURSDAY, APRIL 12, 2012

The Senate met pursuant to adjournment.

President Kinder in the Chair.

Reverend Carl Gauck offered the following prayer:

"...how little do my countrymen know what precious blessings they are in possession of, and which no other people on earth enjoy." (Thomas Jefferson)

Gracious God, we often take so much of our freedom for granted and the cost to have obtained it and to maintain it. We see our military put their lives on the line and sometimes die to preserve our freedom and democracy. We pray for their families and the sacrifice they make. We pray for guidance that helps us lead and do what we can to secure our safety and protect our people. So let us use our time to prepare ourselves to do what is right. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

SENATE SUBSTITUTE FOR
SENATE CONCURRENT RESOLUTION NO. 16

WHEREAS, in the year 2011, heavy rainfall and snowmelt along the Missouri River combined with intentional releases of impounded water by the U.S. Army Corps of Engineers caused unprecedented amounts of water flow on the river, which led to breached levees and widespread flooding for the states along the river, including Missouri; and

WHEREAS, the extensive flooding destroyed many homes, farms, and businesses, severely impacting the livelihoods of thousands of Missourians, who, in addition to suffering the emotional toll of the disaster, are also suffering a heavy economic burden to repair the devastated land and infrastructure; and

WHEREAS, the U.S. Army Corps of Engineers is charged with management of the Missouri River for eight congressionally-authorized purposes, one of which is flood control; and

WHEREAS, the Army Corps of Engineers has worked extensively for numerous years to develop the Missouri River Master Manual to guide its management of the river which seeks to balance the competing interests of the eight authorized purposes; and

WHEREAS, it is evident that due to the immediate, large-scale and potentially life-threatening impacts upon public health and safety caused by flooding, the authorized purpose of flood control must have the utmost importance in any planning activities on the part of the Army Corps; and

WHEREAS, as a result of the widespread devastation caused by the flood events of 2011, an independent technical review panel was formed to evaluate the Army Corps' river management performance and, specifically, its performance with regard to its responsibility to protect public health and safety through flood control; and

WHEREAS, the independent technical review panel issued its findings and recommendations in December 2011 and concluded that while the Army Corps may have acted in accordance with the Master Manual, the Master Manual itself may not be appropriately flexible or responsive to adequately protect the public from flooding in the case of extreme weather events such as those experienced in 2011; and

WHEREAS, the panel's report further concluded that the Army Corps' Master Manual should not regard extreme weather events such as the precipitation in 2011 as rare, isolated events, but rather as part of a potential climatic pattern for which the Army Corps must be continuously prepared to address; and

WHEREAS, understanding that the prediction of future weather patterns is not an exact science, the Army Corps must allow greater flexibility in its management activities of reservoir storage and spring rise to anticipate and respond to higher than expected snow and rainfall in the river basin so as to prevent future catastrophic flooding events like that which occurred in 2011 and to position the Army Corps to be successful in accomplishing its flood control duties and protecting the public from disasters that could have been prevented:

NOW THEREFORE BE IT RESOLVED that the members of the Missouri Senate, Ninety-sixth General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby urge the Commanding General of the U.S. Army Corps of Engineers to accept the recommendations of the independent technical review panel in order to improve its flood protection operations and conduct its river management activities in proper accordance with the Corps' mandated responsibility to protect life and property through flood control actions; and

BE IT FURTHER RESOLVED that the U.S. Army Corps of Engineers be urged to continually place the utmost priority on flood control in any future annual operating plans with the goal of allowing the Army Corps to be able to successfully react and respond to unpredictable weather and extreme weather events so as to prevent future flooding disasters; and

BE IT FURTHER RESOLVED that the Secretary of the Missouri Senate be instructed to prepare properly inscribed copies of this resolution for the Commanding General of the U.S. Army Corps of Engineers and the members of the Missouri Congressional delegation.

Senator Stouffer moved that **SS** for **SCR 16** be adopted, which motion prevailed.

On motion of Senator Stouffer, **SCR 16**, as amended by the **SS** was adopted by the following vote:

Journal of the Senate

SECOND REGULAR SESSION

FIFTY-FOURTH DAY—MONDAY, APRIL 16, 2012

The Senate met pursuant to adjournment.

President Kinder in the Chair.

Reverend Carl Gauck offered the following prayer:

"O give thanks to the Lord, for he is good; for his steadfast love endures forever." (Psalm 107:1)

Good Lord, we do give You thanks for You are good and we see this in our everyday experiences. We see Your love in the way that the earth brings forth its beauty and bounty. We see it in the care and response about us in the trail of destruction in our neighboring states and loss of life was minimal. We see it in our interactions with one another and opportunity to work together even where differences are present. So we give thanks to You for this day and Your love. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

SENATE AMENDMENT NO. 1

Amend Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 1174, Page 9, Section 162.083, Line 25 of said page, by inserting immediately after all of said line the following:

"167.131. 1. The board of education of each district in this state that does not maintain an accredited school **for specific grade levels** pursuant to the authority of the state board of education to classify schools as established in section 161.092 shall pay **[**the**]** tuition **[**of**] as calculated by the receiving district under subsection 2 of this section** and provide transportation consistent with the provisions of section 167.241 for each pupil resident therein who attends an accredited **public** school in another district of the same or an adjoining county.

2. The rate of tuition to be charged by the district attended and paid by the sending district is the per pupil cost of maintaining the district's grade level grouping which includes the school attended. The cost of maintaining a grade level grouping shall be determined by the board of education of the district but in no case shall it exceed all amounts spent for teachers' wages, incidental purposes, debt service, maintenance and replacements. The term "debt service", as used in this section, means expenditures for the retirement

of bonded indebtedness and expenditures for interest on bonded indebtedness. Per pupil cost of the grade level grouping shall be determined by dividing the cost of maintaining the grade level grouping by the average daily pupil attendance. If there is disagreement as to the amount of tuition to be paid, the facts shall be submitted to the state board of education, and its decision in the matter shall be final. Subject to the limitations of this section, each pupil shall be free to attend the public school of his or her choice.

167.133. 1. (1) The board of education of each district in this state that has been declared unaccredited pursuant to the authority of the state board of education as established in section 161.092 shall pay tuition and provide transportation consistent with the provisions of section 167.241 for each pupil resident therein who meets the criteria of this section.

(2) Unless a receiving district qualifies under subdivision (3) of this subsection, the rate of tuition to be charged by the district attended and paid by the sending district is the per-pupil cost of maintaining the district's grade-level grouping which includes the school attended. The cost of maintaining a grade-level grouping shall be determined by the board of education of the district but in no case shall it exceed all amounts spent for teachers' wages, incidental purposes, debt service, maintenance and replacements. The term "debt service", as used in this section, means expenditures for the retirement of bonded indebtedness and expenditures for interest on bonded indebtedness. Per-pupil cost of the grade-level grouping shall be determined by dividing the cost of maintaining the grade-level grouping by the average daily pupil attendance.

(3) When any metropolitan school district is unaccredited or any district located in a county with a charter form of government and with more than nine hundred fifty thousand inhabitants is unaccredited, the tuition amount for students residing in those districts shall be the same as the tuition payment in effect at the time for any voluntary interdistrict transfer program regardless of whether the receiving district was or is participating in the interdistrict transfer program. If there is disagreement as to the amount of tuition to be paid, the facts shall be submitted to the state board of education, and its decision in the matter shall be final.

2. A pupil from an unaccredited district may attend a school in another district of the same or an adjoining county if the receiving district is accredited without provision and if the pupil has been enrolled in and attending a public school in the district during the school year when such declaration is made, or has enrolled and attended in the unaccredited district in school years subsequent to the year in which the declaration is made. Pupils who reside in the unaccredited district who become eligible for kindergarten or first grade in a school year after the effective date of this section are also eligible to transfer. A student who resides in an unaccredited district but who is attending a private school on or after the date the district is declared unaccredited shall become eligible to transfer to a public school in another district of the same or adjoining county under this section after the student has enrolled in and completed a full school year in a public school or charter school in the unaccredited district.

3. By June 30, 2012, each school district shall establish specific criteria through board policy for the admission of nonresident pupils from districts that have been classified as unaccredited by the state board of education who seek admission into a school district under this section. The primary criteria shall be the availability of highly qualified teachers in existing classroom space. Each district shall establish criteria for calculating available seats that take into account the district's resident student population growth or decrease, based on demographic projections provided by the office of

socioeconomic data analysis, such that the receiving district shall not be required to employ additional teachers or construct new classrooms to accommodate such transfer pupils. No resident pupil shall be displaced from a school to which he or she would otherwise be assigned to accommodate the admission of a nonresident pupil. The assignment of a student to a particular building shall be the decision of the receiving district. Once a student from an unaccredited district has been accepted under this section, the student may complete his or her educational program in the district even if the student's residence district has regained its accreditation.

4. Subject to the limitations of this section, each pupil shall be free to attend the public school of his or her choice.

167.425. 1. When the state board of education classifies a metropolitan school district as unaccredited or any school district located in a county with a charter form of government and with more than nine hundred thousand inhabitants as unaccredited, the department of elementary and secondary education shall establish a clearinghouse, as provided in this section, to assist students to transfer from an unaccredited district.

2. For purposes of this section, "clearinghouse" means a neutral third party appointed by the department of elementary and secondary education to coordinate student transfers from unaccredited school districts to accredited districts subject to the conditions of section 167.133.

3. The clearinghouse shall make information and assistance available to assist parents or guardians who intend to transfer their child from an unaccredited district to an accredited district under this section.

4. The parent or guardian of a pupil residing in an unaccredited district who intends to enroll the parent's or guardian's child in an accredited district under the provisions of this section shall send initial notification to the pupil's school district of residence and the clearinghouse. Each parent or guardian of a pupil who provides notice of intent to transfer from an unaccredited school district to another school under this section shall do so on forms prescribed by the department of elementary and secondary education. Initial notification shall be made by January fifteenth for enrollment in the subsequent school year.

5. (1) If a parent or guardian fails to file the initial notification forms by the deadline specified in subsection 4 of this section, and satisfies the definition of good cause as defined in subdivision (3) of this subsection, or if the request is to enroll a child in a school in an accredited district under this section for kindergarten or first grade or in any grade if a child is moving into Missouri or moving into the public school district for the first time, the parent or guardian shall be permitted, if accepted, to enroll the child in the other district in the same manner as if the deadline had been met.

(2) Until the last Friday in March of that calendar year, the parent or guardian requesting transfer shall send notification to the district of residence and the clearinghouse, on forms prescribed by the department of elementary and secondary education, that good cause, as defined in subdivision (3) of this subsection, exists for failure to meet the deadline. The clearinghouse shall take action to approve the request if good cause exists. A denial of a request by the clearinghouse is not subject to appeal.

(3) For purposes of this section, "good cause" means a change in a child's residence due to a change in family residence, a change in a child's parents' marital status, a guardianship or custody

change, placement in foster care, adoption, participation in a substance abuse or mental health treatment program, or student health or safety concerns; or a change in the status of a child's district of residence, such as removal of accreditation by the state board of education, permanent closure of a public or nonpublic school that the child attends, or revocation of a charter school's charter as provided in section 160.405. If the good cause relates to a change in status of a child's school district of residence, however, action by a parent or guardian must be taken to file the notification within forty-five days of the last official action relating to such status. Student health or safety concerns shall include, but not be limited to, ongoing bullying, supported by official school reports, sexual misconduct complaints, reports, or investigations, and drug or alcohol concerns with peers. If the district does not agree with the parent's or child's concerns, a written notice of need for relocation from a medical or mental health professional shall suffice to satisfy "good cause" under this subsection.

6. The clearinghouse may contract with a school district, any voluntary interdistrict council, or any private entity for transportation services.

7. The expenses associated with the administration of pupil transfers under this section shall be defrayed by the department of elementary and secondary education retaining funds to cover the cost of administration from the state school aid withheld from a transfer student's district of residence."; and

Further amend the title and enacting clause accordingly.

Senator Schmitt moved that the above amendment be adopted.

Senator Stouffer assumed the Chair.

Senator Lembke offered **SSA 1** for **SA 1**:

"167.131. 1. **Subject to the provisions of subsection 3 of this section,** the board of education of each district in this state that does not maintain an accredited school pursuant to the authority of the state board of education to classify schools as established in section 161.092 shall pay the tuition of and provide transportation consistent with the provisions of section 167.241 for each pupil resident therein who attends an accredited school in another district of the same or an adjoining county.

2. The rate of tuition to be charged by the district attended and paid by the sending district is the per pupil cost of maintaining the district's grade level grouping which includes the school attended. The cost of maintaining a grade level grouping shall be determined by the board of education of the district but in no case shall it exceed all amounts spent for teachers' wages, incidental purposes, debt service, maintenance and replacements. The term "debt service", as used in this section, means expenditures for the retirement of bonded indebtedness and expenditures for interest on bonded indebtedness. Per pupil cost of the grade level grouping shall be determined by dividing the cost of maintaining the grade level grouping by the average daily pupil attendance. **When any metropolitan school district is classified as unaccredited by the state board of education or any district located in a county with a charter form of government and**

with more than nine hundred fifty thousand inhabitants is classified as unaccredited by the state board of education, the rate of tuition for students residing in those districts shall be the same as the tuition payment in effect at the time for any voluntary interdistrict transfer program regardless of whether a receiving district was or is participating in the voluntary interdistrict transfer program. If there is disagreement as to the amount of tuition to be paid, the facts shall be submitted to the state board of education, and its decision in the matter shall be final. Subject to the limitations of this section, each pupil shall be free to attend the public school of his or her choice.

3. The provisions of this section shall not apply to any unaccredited school district during the first two full school years operating under the authority of a special administrative board appointed pursuant to sections 162.081, 162.621, or 162.1100, and for such additional time as the school district operating under the special administrative board's authority demonstrates improvement in its annual performance report under the Missouri school improvement program or its equivalent successor program. For the purposes of this subsection, the term "improvement" shall mean that the school district gained at least one additional annual performance report point during the initial two-year period under special administrative board authority, does not lose any annual performance report points in any year subsequent to the initial two-year period, and gains at least one additional annual performance report point within each subsequent two-year period after the initial two-year period. Failing such improvement, such special administrative board shall pay the tuition as calculated in subsection 2 of this section and provide transportation consistent with the provisions of section 167.241 for each resident pupil who meets the criteria of this section. This subsection shall apply to all districts operating under the authority of a special administrative board established under sections 162.081, 162.621, or 162.1100 on or after the effective date of this act. If the district fails to demonstrate improvement as provided in this subsection, the provisions of section 167.134 and section 167.425 shall become applicable.

4. A pupil residing in an unaccredited district operating under the authority of a special administrative board established pursuant to sections 162.081, 162.621, or 162.1100 shall have the right to transfer to a school site within the district of residence offering the pupil's grade level of enrollment that has met or exceeded state performance targets for the previous academic year, provided adequate space is available as determined by the special administrative board.

167.134. 1. If an unaccredited school district operating under the authority of a special administrative board fails to demonstrate improvement as provided in subsection 3 of section 167.131, such district's resident pupils may attend a school in another district of the same or an adjoining county if the receiving district is accredited without provision and if the pupil has been enrolled in and attending a public school in the district during the school year when such declaration is made, or has enrolled and attended in the unaccredited district in school years subsequent to the year in which the declaration is made. Pupils who reside in the unaccredited district who become eligible for kindergarten or first grade in a school year after the effective date of this section are also eligible to transfer. A student who resides in an unaccredited district but who is attending a private school on or after the date the district is declared unaccredited shall become eligible to transfer to a public school in another district of the same or an adjoining county under this section and section 167.131 after the student has enrolled in and completed a full school year in a public school or charter school in the unaccredited district.

2. By June 30, 2012, each school district shall establish specific criteria through board policy for

the admission of nonresident pupils from districts that have been classified as unaccredited by the state board of education who seek admission into a school district under this section and section 167.131. The primary criteria shall be the availability of highly qualified teachers in existing classroom space. Each district shall establish criteria for calculating available seats that take into account the district's resident student population growth or decrease, based on demographic projections provided by the office of socioeconomic data analysis, such that the receiving district shall not be required to employ additional teachers or construct new classrooms to accommodate such transfer pupils. No resident pupil shall be displaced from a school to which he or she would otherwise be assigned to accommodate the admission of a nonresident pupil. The assignment of a student to a particular building shall be the decision of the receiving district. Once a student from an unaccredited district has been accepted under this section, the student may complete his or her educational program in the district even if the student's residence district has regained its accreditation.

167.425. 1. When the state board of education classifies a metropolitan school district as unaccredited or any school district located in a county with a charter form of government and with more than nine hundred thousand inhabitants as unaccredited and such district operates under the authority of a special administrative board and fails to demonstrate improvement as provided in subsection 3 of section 167.131, the department of elementary and secondary education shall establish a clearinghouse, as provided in this section, to assist students to transfer from an unaccredited district.

2. For purposes of this section, "clearinghouse" means a neutral third party appointed by the department of elementary and secondary education to coordinate student transfers from unaccredited school districts to accredited districts subject to the conditions of sections 167.131 and 167.134.

3. The clearinghouse shall make information and assistance available to assist parents or guardians who intend to transfer their child from an unaccredited district to an accredited district under this section.

4. The parent or guardian of a pupil residing in an unaccredited district who intends to enroll the parent's or guardian's child in an accredited district under the provisions of this section shall send initial notification to the pupil's school district of residence and the clearinghouse. Each parent or guardian of a pupil who provides notice of intent to transfer from an unaccredited school district to another school under this section shall do so on forms prescribed by the department of elementary and secondary education. Initial notification shall be made by January fifteenth for enrollment in the subsequent school year.

5. (1) If a parent or guardian fails to file the initial notification forms by the deadline specified in subsection 4 of this section, and satisfies the definition of good cause as defined in subdivision (3) of this subsection, or if the request is to enroll a child in a school in an accredited district under this section for kindergarten or first grade or in any grade if a child is moving into Missouri or moving into the public school district for the first time, the parent or guardian shall be permitted, if accepted, to enroll the child in the other district in the same manner as if the deadline had been met.

(2) Until the last Friday in March of that calendar year, the parent or guardian requesting transfer shall send notification to the district of residence and the clearinghouse, on forms prescribed by the department of elementary and secondary education, that good cause, as defined in subdivision (3) of this subsection, exists for failure to meet the deadline. The clearinghouse shall take action to

approve the request if good cause exists. A denial of a request by the clearinghouse is not subject to appeal.

(3) For purposes of this section, "good cause" means a change in a child's residence due to a change in family residence, a change in a child's parents' marital status, a guardianship or custody change, placement in foster care, adoption, participation in a substance abuse or mental health treatment program, or student health or safety concerns; or a change in the status of a child's district of residence, such as removal of accreditation by the state board of education, permanent closure of a public or nonpublic school that the child attends, or revocation of a charter school's charter as provided in section 160.405. If the good cause relates to a change in status of a child's school district of residence, however, action by a parent or guardian must be taken to file the notification within forty-five days of the last official action relating to such status. Student health or safety concerns shall include, but not be limited to, ongoing bullying, supported by official school reports, sexual misconduct complaints, reports, or investigations, and drug or alcohol concerns with peers. If the district does not agree with the parent's or child's concerns, a written notice of need for relocation from a medical or mental health professional shall suffice to satisfy "good cause" under this subsection.

6. The clearinghouse may contract with a school district, any voluntary interdistrict council, or any public or private entity for transportation services.

7. The expenses associated with the administration of pupil transfers under this section shall be defrayed by the department of elementary and secondary education retaining funds to cover the cost of administration from the state school aid withheld from a transfer student's district of residence."; and

Further amend the title and enacting clause accordingly.

The state board of registration for the healing arts pursuant to section 334.125 and the board of nursing pursuant to section 335.036 may jointly promulgate rules regulating the use of collaborative practice arrangements. Such rules shall be limited to **[**specifying geographic areas to be covered,**]** the methods of treatment that may be covered by collaborative practice arrangements and the requirements for review of services provided pursuant to collaborative practice arrangements including delegating authority to prescribe controlled substances. Any rules relating to dispensing or distribution of medications or devices by prescription or prescription drug orders under this section shall be subject to the approval of the state board of pharmacy. Any rules relating to dispensing or distribution of controlled substances by prescription or prescription drug orders under this section shall be subject to the approval of the department of health and senior services and the state board of pharmacy. In order to take effect, such rules shall be approved by a majority vote of a quorum of each board. Neither the state board of registration for the healing arts nor the board of nursing may separately promulgate rules relating to collaborative practice arrangements. Such jointly promulgated rules shall be consistent with guidelines for federally funded clinics. The rulemaking authority granted in this subsection shall not extend to collaborative practice arrangements of hospital employees providing inpatient care within hospitals as defined pursuant to chapter 197 or population-based public health services as defined by 20 CSR 2150-5.100 as of April 30, 2008.

5. The state board of registration for the healing arts shall not deny, revoke, suspend or otherwise take disciplinary action against a physician for health care services delegated to a registered professional nurse provided the provisions of this section and the rules promulgated thereunder are satisfied. Upon the written request of a physician subject to a disciplinary action imposed as a result of an agreement between a physician and a registered professional nurse or registered physician assistant, whether written or not, prior to August 28, 1993, all records of such disciplinary licensure action and all records pertaining to the filing, investigation or review of an alleged violation of this chapter incurred as a result of such an agreement shall be removed from the records of the state board of registration for the healing arts and the division of professional registration and shall not be disclosed to any public or private entity seeking such information from the board or the division. The state board of registration for the healing arts shall take action to correct reports of alleged violations and disciplinary actions as described in this section which have been submitted to the National Practitioner Data Bank. In subsequent applications or representations relating to his medical practice, a physician completing forms or documents shall not be required to report any actions of the state board of registration for the healing arts for which the records are subject to removal under this section.

6. Within thirty days of any change and on each renewal, the state board of registration for the healing

arts shall require every physician to identify whether the physician is engaged in any collaborative practice agreement, including collaborative practice agreements delegating the authority to prescribe controlled substances, or physician assistant agreement and also report to the board the name of each licensed professional with whom the physician has entered into such agreement. The board may make this information available to the public. The board shall track the reported information and may routinely conduct random reviews of such agreements to ensure that agreements are carried out for compliance under this chapter.

7. Notwithstanding any law to the contrary, a certified registered nurse anesthetist as defined in subdivision (8) of section 335.016 shall be permitted to provide anesthesia services without a collaborative practice arrangement provided that he or she is under the supervision of an anesthesiologist or other physician, dentist, or podiatrist who is immediately available if needed. Nothing in this subsection shall be construed to prohibit or prevent a certified registered nurse anesthetist as defined in subdivision (8) of section 335.016 from entering into a collaborative practice arrangement under this section, except that the collaborative practice arrangement may not delegate the authority to prescribe any controlled substances listed in Schedules III, IV, and V of section 195.017.

8. A collaborating physician shall not enter into a collaborative practice arrangement with more than three full-time equivalent advanced practice registered nurses. This limitation shall not apply to collaborative arrangements of hospital employees providing inpatient care service in hospitals as defined in chapter 197 or population-based public health services as defined by 20 CSR 2150-5.100 as of April 30, 2008.

9. It is the responsibility of the collaborating physician to determine and document the completion of at least a one-month period of time during which the advanced practice registered nurse shall practice with the collaborating physician continuously present before practicing in a setting where the collaborating physician is not continuously present. This limitation shall not apply to collaborative arrangements of providers of population-based public health services as defined by 20 CSR 2150-5.100 as of April 30, 2008.

10. No agreement made under this section shall supersede current hospital licensing regulations governing hospital medication orders under protocols or standing orders for the purpose of delivering inpatient or emergency care within a hospital as defined in section 197.020 if such protocols or standing orders have been approved by the hospital's medical staff and pharmaceutical therapeutics committee.

11. No contract or other agreement shall require a physician to act as a collaborating physician for an advanced practice registered nurse against the physician's will. A physician shall have the right to refuse to act as a collaborating physician, without penalty, for a particular advanced practice registered nurse. No contract or other agreement shall limit the collaborating physician's ultimate authority over any protocols or standing orders or in the delegation of the physician's authority to any advanced practice registered nurse, but this requirement shall not authorize a physician in implementing such protocols, standing orders, or delegation to violate applicable standards for safe medical practice established by hospital's medical staff.

12. No contract or other agreement shall require any advanced practice registered nurse to serve as a collaborating advanced practice registered nurse for any collaborating physician against the advanced practice registered nurse's will. An advanced practice registered nurse shall have the right to refuse to collaborate, without penalty, with a particular physician."; and

Journal of the Senate

SECOND REGULAR SESSION

The Senate met pursuant to adjournment.

President Kinder in the Chair.

Reverend Carl Gauck offered the following prayer:

"It is not what we do for God, but what HE does through us." (Judy Sexton)

Dear God, we are mindful that as we drove here we saw the beauty of Your work and saw our responsibilities to the earth to maintain it for future generations for productivity and recreation. It is only one of many areas to address and we have three weeks and much to do. And we know You have called each of us for this purpose, to open our minds and hearts to allow You to work through us so that what we do and how we do it is in keeping with what You will for us. So be with us this week and bless and guide our efforts. In Your Holy Name we pray. Amen.

(3) Own, hold, control, lease, purchase from willing sellers, contract and sell any and all rights in land, buildings, improvements, and any and all other real, personal or mixed property, provided that real property within a county may only be purchased by the metropolitan district if a majority of the board members from the county in which such real property is located consent to such acquisition;

(1) Fifty percent of the sales taxes collected from each county shall be deposited in the metropolitan park and recreational fund to be administered by the board of directors of the district to pay costs associated with the establishment, administration, operation and maintenance of public recreational facilities, parks, and public recreational grounds associated with the district. b. Eighty percent shall be apportioned to accessibility, safety, improvement, and maintenance of park projects other than the Gateway Arch grounds;

(c) Costs for office administration beginning in the second fiscal year of collection and allocation may be up to but shall not exceed fifteen percent of the amount deposited under this subdivision;

(2) Forty percent of the sales taxes collected from each county shall be returned to the source county for park purposes, except that forty percent of the amount allocated to each source county shall be reserved for distribution to municipalities within the county in the form of grant-sharing funds. Each county in the metropolitan district shall establish its own process for awarding the grant proceeds to its municipalities for park purposes, provided the purposes of such grants are consistent with the purpose of the metropolitan district. In the case of any county with a charter form of government and with more than nine hundred fifty thousand inhabitants, such grant proceeds shall be awarded to municipalities by a municipal grant commission as described in section 67.1757, and in such county, notwithstanding any other provision of law to the contrary, such grant proceeds may be used to fund any recreation program or park improvement serving municipal residents and for such other purposes as set forth in section 67.1757.

3. At a general election occurring not less than six months before the expiration of twenty years after issuance of any bonds issued for the purpose of improving and maintaining the Gateway Arch grounds, but no later than twenty-three years after the effective date of the incremental sales tax as approved by voter initiative under subsection 2 of section 67.1715, the governing body of any county within the metropolitan district whose voters approved such incremental tax shall submit to its voters a proposal to reauthorize such tax after the expiration of such period. The form of the question shall be determined by the metropolitan district. Journal of the Senate

SECOND REGULAR SESSION

FIFTY-NINTH DAY—TUESDAY, APRIL 24, 2012

The Senate met pursuant to adjournment.

President Kinder in the Chair.

Reverend Carl Gauck offered the following prayer:

"Of all the tasks of government, the most basic is to protect its citizens against violence." (John Foster Dulles)

Merciful Father, we live in a violent and sinful world and we once again look at what we can do to protect our citizens. We know that there will be yet darker days for You have taught us that the "human heart is deceitful above all things." Yet we also know that You will be ultimately victorious and will comfort Your people. So walk with us these days and let us look and find and celebrate those who do what is righteous and walk that road with them. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

The Journal of the previous day was read and approved.

HOUSE COMMITTEE SUBSTITUTE FOR
HOUSE CONCURRENT RESOLUTION NO. 33

Relating to the Joint Interim Committee on State Employee Wages, with an emergency clause.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF MISSOURI, AS FOLLOWS:

WHEREAS, the Joint Interim Committee on State Employee Wages was established under HCR 32 in the Ninety-Sixth General Assembly, First Regular Session, and was charged with studying and developing strategies for increasing the wages of Missouri's state employees so Missouri will become competitive with their peer states in regards to state employee wages; and

WHEREAS, Missouri state employees are ranked 50th out of 50 states for the wages paid to state employees; and

WHEREAS, Missouri state employees provide excellent service to Missourians; and

WHEREAS, Missouri state employees have had to do more with less resources for the past several years; and

WHEREAS, Missouri state employees have not had a pay raise since 2008; and

WHEREAS, while state employee wages have remained the same since 2008, Missouri state employee insurance costs have steadily increased; and

WHEREAS, the Missouri state employees deferred compensation state match of state employee contributions made up to $35 has not been funded for several years; and

WHEREAS, new Missouri state employees who are first employed by the state after January 1, 2011, are required to contribute 4% of their pay to their retirement plan; and

WHEREAS, the three poorest states in the nation - West Virginia, Mississippi, and Arkansas - all rank ahead of Missouri in state employee annual compensation:

NOW THEREFORE BE IT RESOLVED that the members of the House of Representatives of the Ninety-sixth General Assembly, Second Regular Session, the Senate concurring therein, hereby re-authorize the "Joint Interim Committee on State Employee Wages" to function in the legislative interims through December 31, 2014, upon passage and approval of this resolution, for the purpose of further studying and developing of strategies for increasing the wages of Missouri's state employees so Missouri will become competitive with their peer states in regards to state employee wages; and

HOUSE CONCURRENT RESOLUTION NO. 6

WHEREAS, last year, the average price of gasoline rose to nearly $4.00 a gallon and is projected to remain high for the forseeable future; and

WHEREAS, numerous components make up the price of gasoline, including the cost of crude oil (45%), federal and state taxes (23%), refining costs (22%), and marketing and distribution costs (10%). These components are affected by many factors; and

WHEREAS, the three main factors that contribute to changes in the price of gasoline are changes in crude oil prices, the transparency of energy markets, and regulations that affect the price of gasoline; and

WHEREAS, there is very little government can do about crude oil prices and transparency. Crude oil prices are affected by world supply and demand, which continues to grow and most rapidly in Asia. Transparency produces highly efficient markets, but it also increases volatility. Any reduction in transparency would offset efficiency; and

WHEREAS, while states have limited authority and options available to attempt to reverse the soaring fuel prices and alleviate the growing financial burden on its citizenry, the federal government is able to ease the pressure on prices and reduce volatility by reducing its own interference in the market - most directly by the way of taxes and regulation; and

WHEREAS, federal regulations have contributed significantly to the high price, high volatility environment facing consumers today. These regulations have led to the proliferation of numerous fuel blends - known as “boutique fuels” - which in turn have increased refining and distribution costs; and

WHEREAS, in addition to addressing the boutique fuel problem, Congress and the Administration should reform other Clean Air Act regulations that have resulted in the halt of construction of new refinery capacity and offshore drilling. More production and refinery capacity is needed to ease the pressure on the production system; and

WHEREAS, federal regulations are also affecting gasoline imports because foreign suppliers are unable to keep up with the increasing complexity of federal gasoline requirements. Volatility in the Middle East also threatens our second largest supplier of oil - OPEC; and

WHEREAS, while changes in federal regulations and policies are needed as a long-term solution, the federal government is able to impact gasoline prices in the short-term as well; and

WHEREAS, in the short-term, the Environmental Protection Agency should temporarily suspend clean-fuel requirements and reduce the number of fuel specifications across the country by offering a limited menu of fuel choices that states and localities can choose from; and

WHEREAS, with crude oil costs being the single largest component in the cost of gasoline, the only real impact on crude oil prices is the threat of competition; and

WHEREAS, the leading supplier of oil to the United States market is Canada, with Mexico as the third leading supplier. There are enough oil and gas resources under the ground of those two reliable neighbors to supply the United States at current consumption levels for the next 100 years; and

WHEREAS, by lowering any remaining cross-border barriers to energy imports and by increasing the capacity of cross-border distribution systems, Congress can lower the cost to both Canada and Mexico of shipping oil to the United States, thereby inducing them to bring more supply on line; and

WHEREAS, in order to reduce our dependence on foreign oil, Congress and the Administration should find ways to facilitate the building of new refineries, and an increase in production by permitting the uncapping of existing wells and the drilling of new wells; and

WHEREAS, Congress and the Administration should strive to maintain a well-functioning gasoline market for the good of the economy, without interfering in the marketplace. Changes in federal regulation, introduction of fuel flexibility, removing impediments to importation

of fuel from Canada and Mexico, increasing refinery capacity and pipeline construction, as well as greater domestic oil exploration and opening additional areas of production would begin to ease the rising cost of fuels and reduce our dependence on foreign sources of oil:

NOW THEREFORE BE IT RESOLVED that the members of the House of Representatives of the Ninety-sixth General Assembly, Second Regular Session, the Senate concurring therein, hereby strongly urge the United States Congress and the Obama Administration to immediately seek long-term and short-term solutions to the rapidly rising fuel costs to ease the financial burden on its citizens and prevent a second recession; and

BE IT FURTHER RESOLVED that the Chief Clerk of the Missouri House of Representatives be instructed to prepare properly inscribed copies of this resolution for President Barack Obama; Lisa P. Jackson, Administrator of the Environmental Protection Agency; the Majority and Minority Leaders of the United States Congress; and each member of the Missouri Congressional delegation.

In which the concurrence of the Senate is respectfully requested.

Also,

Mr. President: I am instructed by the House of Representatives to inform the Senate that the House has taken up and adopted **HCR 46**.

HOUSE CONCURRENT RESOLUTION NO. 46

WHEREAS, Ameren Missouri owns and manages the Lake of the Ozarks, Bagnell Dam, and Osage hydroelectric plant under its license from the Federal Energy Regulatory Commission (FERC); and

WHEREAS, under its license agreement, Ameren Missouri was required to develop a shoreline management plan, which was submitted to FERC in 2008; and

WHEREAS, FERC regulations require that only land needed for the dam's operation, recreation, shoreline control, and environmental protection be included in the boundary; and

WHEREAS, Lake area residents and visitors enjoy a wide range of recreational activities and opportunities on lakefront property, including a 17,441 acre playground just south of Osage Beach; and

WHEREAS, Lake of the Ozarks State Park is Missouri's largest park with over 85 miles of shoreline and two public beaches, plus boat launching areas; and

WHEREAS, with the significant role that recreational activities play in the economic well-being of the Lake region, the current lakefront access enjoyed by residents, businesses, and visitors is vital to the financial viability and growth of the Lake of the Ozarks; and

WHEREAS, on July 26, 2011, FERC issued its order modifying and approving the shoreline management plan. In its order, FERC required Ameren Missouri to file for FERC approval a detailed report to each nonconforming structure and encroachment and Ameren Missouri's proposed course of action; and

WHEREAS, FERC did not demand or otherwise require any of the nonconforming structures be removed. On August 25, 2011, Ameren Missouri requested that FERC allow them to revise the project boundary to exclude those properties that were not needed to serve the purpose of the project; and

WHEREAS, Ameren Missouri requested that for those properties located within the current project boundary, where Ameren Missouri owns property in fee, upon which a residential dwelling has been built either in whole or in part, Ameren Missouri would redraw the project boundary to exclude the property, subject to certain conditions, such as environmental assessments, one-time fees, and legal surveys; and

WHEREAS, FERC clarified its position and specifically stated that "Nothing in the SMP, the July 26 Order or in this order has any impact on property rights. Whatever rights entities have in lands within the boundaries of the Osage Project - whether conferred by deed, lease, easement, or other conveyance - have not been and will not be altered by action in these proceedings. This Commission has no jurisdiction to rule on property rights, which are matters of state law."; and

WHEREAS, FERC did not approve the request to make homeowner's pay for legal surveys or the request for the payment of a one-time fee from the homeowners; and

WHEREAS, as part of the creation of the project boundary, Union Electric Land and Development Company reserved an easement to all of the lands that became the Lake of the Ozarks. For approximately 60 years thereafter, Union Electric allowed unrestricted access with little or no permits required; and

WHEREAS, developers and property owners acted in relation to that easement without question, with the common understanding that if land adjoining the lake was purchased, access to the water came with such property; and

WHEREAS, on January 31, 2012, Ameren Missouri filed its amended shoreline management plan with FERC which included a new project boundary for approval. Ameren Missouri says the new plan will ensure that most, but not all, of the 1,600 homes along the Lake of the Ozarks shoreline are not threatened with removal; and

WHEREAS, Ameren Missouri's new shoreline management plan revises the shoreline boundary so that most of the homes are no longer encroaching onto land that is part of the Bagnell Dam hydroelectric project; and

WHEREAS, banks and real estate companies in the Lake area warned that removal of homes and other structures would damage an already fragile real estate market; and

WHEREAS, the Missouri General Assembly is sensitive to the important nature of these issues for the property owners, citizens, and businesses; and

WHEREAS, hoping to end months of anxiety and confusion, to provide certainty, and to facilitate a swift resolution between FERC, Ameren Missouri, and the affected property owners, the Missouri General Assembly urges FERC and Ameren Missouri to cooperate and coordinate the proposed shoreline management plan with local government and the affected property owners; and

WHEREAS, coordination works because most federal agencies are specifically directed by Congress to work with local governments through this process before implementing policies or plans that will impact the local community; and

WHEREAS, given the impact of these important property questions on real estate transactions within the Lake of the Ozarks region, these property issues must be resolved with the utmost diligence; and

WHEREAS, since there is sufficient time prior to FERC's deadline for submission of a revised shoreline management plan in June 2012, Ameren Missouri should work with local government and the affected property owners to ensure that under the amended shoreline management plan no property owners in the affected areas will lose their homes or businesses:

NOW THEREFORE BE IT RESOLVED that the members of the House of Representatives of the Ninety-sixth General Assembly, Second Regular Session, the Senate concurring therein, hereby strongly urges Ameren Missouri, the Federal Energy Regulatory Commission, and the affected property owners to cooperate in coordinating a swift resolution to the shoreline management plan project at the Lake of the Ozarks that respects the rights of property owners under Missouri law; and

BE IT FURTHER RESOLVED that the Chief Clerk of the Missouri House of Representatives be instructed to prepare properly inscribed copies of this resolution for Ameren Missouri and the Federal Energy Regulatory Commission.

In which the concurrence of the Senate is respectfully requested.

Also,

Mr. President: I am instructed by the House of Representatives to inform the Senate that the House has taken up and adopted **HCR 49**.

HOUSE CONCURRENT RESOLUTION NO. 49

WHEREAS, on February 16, 2012, the United States Environmental Protection Agency (EPA) promulgated its Mercury and Air Toxics Standards regulation for coal-fueled and oil-fueled electric generating plants; and

WHEREAS, EPA's own analyses show that the Mercury and Air Toxics Standards regulation is the single most expensive rule ever imposed by EPA on the electric power sector at a cost of $9.6 billion per year by 2016 and a total cost of $90 billion; and

WHEREAS, billions of dollars in compliance and other costs, including the construction of new power plants to replace plants forced to retire prematurely, resulting from the Mercury and Air Toxics Standards regulation will be passed on to residential, commercial, and industrial electricity consumers; and

WHEREAS, these unprecedented costs will increase the price of electricity and other types of energy at a time when families and businesses are struggling to cope with higher energy prices and job losses; and

WHEREAS, federal government data show that the average family in Missouri has already been forced to double its spending on energy over the past decade and that lower-income, fixed-income, and minority families in Missouri are harmed the most by higher energy prices; and

WHEREAS, the manufacturing sector nationwide has lost 5.5 million jobs since 2000, or 32% of its workforce, the sector's global

competitiveness depends on affordable and reliable energy; and

WHEREAS, EPA has not provided an estimate of job losses that will be caused by the regulation, even though many analyses project that EPA regulations will cause higher energy prices and premature retirement of coal-fired power plants, resulting in financial hardship to consumers and further erosion of United States manufacturing jobs; and

WHEREAS, federal, state, and regional officials, public utility commissioners, regional electric reliability organizations, electricity generators, and manufacturing companies have expressed concerns that EPA regulations threaten the reliability of our nation's electric power grid; and

WHEREAS, coal-fueled power plants have already invested nearly $100 billion to meet clean air requirements and these investments have reduced emissions of major air pollutants by nearly 90% per kilowatt-hour of electricity generated; and

WHEREAS, the Missouri General Assembly supports improvements in air quality to protect the health of our citizens and the quality of our environment, and believes that such improvements can be made within a sensible time frame and at a reasonable cost; and

WHEREAS, the highest economic priority by federal, state, and local governments at the present time should be to support policies that stimulate economic growth and create jobs and to avoid policies that unnecessarily increase energy prices, hurt families, and cause job losses:

NOW THEREFORE BE IT RESOLVED that the members of the House of Representatives of the Ninety-sixth General Assembly, Second Regular Session, the Senate concurring therein, hereby calls on the United States Congress to adopt S.J.Res. 37, disapproving the Mercury and Air Toxics Standards regulation because of the unprecedented economic impacts of such regulation, and to ensure that EPA replaces it with a sensible regulation that achieves reductions in mercury emissions without unnecessary increases in energy prices, job losses, and threats to electric reliability; and

BE IT FURTHER RESOLVED that the Chief Clerk of the Missouri House of Representatives be instructed to prepare properly inscribed copies of this resolution for each member of the Missouri Congressional delegation.

In which the concurrence of the Senate is respectfully requested.

Also,

Mr. President: I am instructed by the House of Representatives to inform the Senate that the House has taken up and passed **HCS** for **HB 1890**, entitled:

WHEREAS, approximately 30,000 people a year have begun new lives thanks to an organ transplant; and

WHEREAS, organs and tissue from a single nonliving donor can be used to benefit more than 50 people. Living donors can donate a kidney and parts of their liver, lung, pancreas, or intestine, and can be evaluated to help a friend, family member, or even donate anonymously to patients of the wait list; and

WHEREAS, raising and promoting awareness and information about the need for organ and tissue donors and encouraging people to become an organ donor and tissue donor is vitally important to increase the number of lives saved and changed for the better through organ donation; and

WHEREAS, the following excerpt is from "To Remember Me - I Will Live Forever", written by American Poet Robert Noel Test (1926 - 1994):

"...And don't call this my deathbed. Let it be called the bed of life, and let my body be taken from it to help others lead fuller lives.

Give my sight to the man who has never seen a sunrise, a baby's face or love in the eyes of a woman.

Give my heart to a person whose own heart has caused nothing but endless days of pain.

Give my blood to the teenager who was pulled from the wreckage of his car, so that he might live to see his grandchildren play.

Give my kidneys to the one who depends on a machine to exist from week to week.

Take my bones, every muscle, every fiber and nerve in my body and find a way to make a crippled child walk. Explore every corner of my brain.

Take my cells, if necessary, and let them grow so that, someday a speechless boy will shout at the crack of a bat and a deaf girl will hear the sound of rain against her window..."; and

WHEREAS, public awareness of the great need for organ donation is the key to increasing the number of organ donors and thereby saving lives and improving the quality of life for recipients of organ donation:

NOW THEREFORE BE IT RESOLVED that the members of the House of Representatives of the Ninety-sixth General Assembly, Second Regular Session, the Senate concurring therein, hereby designate April 2012 as "Donate Life Month" in Missouri.

Thereafter, if the defendant fails to timely act to dispose of the charges and fully pay any applicable fines and court costs, the court shall notify the director of revenue of such failure and of the pending charges against the defendant. Upon receipt of this notification, the director shall suspend the license of the driver, effective immediately, and provide notice of the suspension to the driver at the last address for the driver shown on the records of the department of revenue. Such suspension shall remain in effect until the court with the subject pending charge requests setting aside the noncompliance suspension pending final disposition, or satisfactory evidence of disposition of pending charges and payment of fine and court costs, if applicable, is furnished to the director by the individual. "301.190. 1. No certificate of registration of any motor vehicle or trailer, or number plate therefor, shall be issued by the director of revenue unless the applicant therefor shall make application for and be granted a certificate of ownership of such motor vehicle or trailer, or shall present satisfactory evidence that such certificate has been previously issued to the applicant for such motor vehicle or trailer. Application shall be made within thirty days after the applicant acquires the motor vehicle or trailer upon a blank form furnished by the director of revenue and shall contain the applicant's identification number, a full description of the motor vehicle or trailer, the vehicle identification number, and the mileage registered on the odometer at the time of transfer of ownership, as required by section 407.536, together with a statement of the applicant's source of title and of any liens or encumbrances on the motor vehicle or trailer, provided that for good cause shown the director of revenue may extend the period of time for making such application. When an owner wants to add or delete a name or names on an application for certificate of ownership of a motor vehicle or trailer that would cause it to be inconsistent with the name or names listed on the notice of lien, the owner shall provide the director with documentation evidencing the lienholder's authorization to add or delete a name or names on an application for certificate of ownership.

2. The director of revenue shall use reasonable diligence in ascertaining whether the facts stated in such application are true and shall, to the extent possible without substantially delaying processing of the application, review any odometer information pertaining to such motor vehicle that is accessible to the director of revenue. If satisfied that the applicant is the lawful owner of such motor vehicle or trailer, or otherwise entitled to have the same registered in his name, the director shall thereupon issue an appropriate certificate over his signature and sealed with the seal of his office, procured and used for such purpose. The certificate shall contain on its face a complete description, vehicle identification number, and other evidence

of identification of the motor vehicle or trailer, as the director of revenue may deem necessary, together with the odometer information required to be put on the face of the certificate pursuant to section 407.536, a statement of any liens or encumbrances which the application may show to be thereon, and, if ownership of the vehicle has been transferred, the name of the state issuing the transferor's title and whether the transferor's odometer mileage statement executed pursuant to section 407.536 indicated that the true mileage is materially different from the number of miles shown on the odometer, or is unknown.

3. The director of revenue shall appropriately designate on the current and all subsequent issues of the certificate the words "Reconstructed Motor Vehicle", "Motor Change Vehicle", "Specially Constructed Motor Vehicle", or "Non-USA-Std Motor Vehicle", as defined in section 301.010. (2) Any other mileage information provided to the director of revenue, and the date the director obtained or recorded that information.

4. The certificate of ownership issued by the director of revenue shall be manufactured in a manner to prohibit as nearly as possible the ability to alter, counterfeit, duplicate, or forge such certificate without ready detection. In order to carry out the requirements of this subsection, the director of revenue may contract with a nonprofit scientific or educational institution specializing in the analysis of secure documents to determine the most effective methods of rendering Missouri certificates of ownership nonalterable or noncounterfeitable.

5. The fee for each original certificate so issued shall be eight dollars and fifty cents, in addition to the fee for registration of such motor vehicle or trailer. If application for the certificate is not made within thirty days after the vehicle is acquired by the applicant, a delinquency penalty fee of twenty-five dollars for the first thirty days of delinquency and twenty-five dollars for each thirty days of delinquency thereafter, not to exceed a total of two hundred dollars, but such penalty may be waived by the director for a good cause shown. If the director of revenue learns that any person has failed to obtain a certificate within thirty days after acquiring a motor vehicle or trailer or has sold a vehicle without obtaining a certificate, he shall cancel the registration of all vehicles registered in the name of the person, either as sole owner or as a co-owner, and shall notify the person that the cancellation will remain in force until the person pays the delinquency penalty fee provided in this section, together with all fees, charges and payments which the person should have paid in connection with the certificate of ownership and registration of the vehicle. The certificate shall be good for the life of the motor vehicle or trailer so long as the same is owned or held by the original holder of the certificate and shall not have to be renewed annually.

The applicant, who has such a title for a vehicle on which no prior inspection and verification have been made, shall pay a fee of twenty-five dollars for such verification and inspection, payable to the director of revenue at the time of the request for the application, which shall be deposited in the state treasury to the credit of the state highways and transportation department fund.

If the vehicle is also to be registered in Missouri, the safety inspection required in chapter 307 and the emissions inspection required under chapter 643 shall be completed and only the fees required by section 307.365 and section 643.315 shall be charged to the owner. This section shall not apply to vehicles being transferred on a manufacturer's statement of origin.

11. Motor vehicles brought into this state in a wrecked or damaged condition or after being towed as an abandoned vehicle pursuant to another state's abandoned motor vehicle procedures shall, in lieu of the

inspection required by subsection 10 of this section, be inspected by the Missouri state highway patrol in accordance with subsection 9 of this section. If the inspection reveals the vehicle to be in a salvage or junk condition, the director shall so indicate on any Missouri certificate of ownership issued for such vehicle. Any salvage designation shall be carried forward on all subsequently issued certificates of title for the motor vehicle.

12. When an application is made for an original Missouri certificate of ownership for a motor vehicle previously registered or titled in a state other than Missouri, and the certificate of ownership has been appropriately designated by the issuing state as a reconstructed motor vehicle, motor change vehicle, specially constructed motor vehicle, or prior salvage vehicle, the director of revenue shall appropriately designate on the current Missouri and all subsequent issues of the certificate of ownership the name of the issuing state and such prior designation. The absence of any prior designation shall not relieve a transferor of the duty to exercise due diligence with regard to such certificate of ownership prior to the transfer of a certificate. If a transferor exercises any due diligence with regard to a certificate of ownership, the legal transfer of a certificate of ownership without any designation that is subsequently discovered to have or should have had a designation shall be a transfer free and clear of any liabilities of the transferor associated with the missing designation.

13. When an application is made for an original Missouri certificate of ownership for a motor vehicle previously registered or titled in a state other than Missouri, and the certificate of ownership has been appropriately designated by the issuing state as non-USA-std motor vehicle, the director of revenue shall appropriately designate on the current Missouri and all subsequent issues of the certificate of ownership the words "Non-USA-Std Motor Vehicle".

14. The director of revenue and the superintendent of the Missouri state highway patrol shall make and enforce rules for the administration of the inspections required by this section.

15. Each application for an original Missouri certificate of ownership for a vehicle which is classified as a reconstructed motor vehicle, manufactured forty or more years prior to the current model year, and which has a value of three thousand dollars or less shall be accompanied by:

(1) A proper affidavit submitted by the owner explaining how the motor vehicle or trailer was acquired and, if applicable, the reasons a valid certificate of ownership cannot be furnished;

(2) Photocopies of receipts, bills of sale establishing ownership, or titles, and the source of all major component parts used to rebuild the vehicle;

(3) A fee of one hundred fifty dollars in addition to the fees described in subsection 5 of this section. Such fee shall be deposited in the state treasury to the credit of the state highways and transportation department fund; and

(4) An inspection certificate, other than a motor vehicle examination certificate required under subsection 9 of this section, completed and issued by the Missouri state highway patrol, or other law enforcement agency as authorized by the director of revenue. The inspection performed by the highway patrol or other authorized local law enforcement agency shall include a check for stolen vehicles. The department of revenue shall issue the owner a certificate of ownership designated with the words "Reconstructed Motor Vehicle" and deliver such certificate of ownership in accordance with the provisions of this chapter. Notwithstanding subsection 9 of this section, no owner of a reconstructed motor vehicle described in this subsection shall be required to obtain a vehicle examination certificate issued by the

4. The governing body of any city or county may grant authority by act or ordinance to the state highways and transportation commission to enact the limitations established in this section on those roadways within the purview of such city or county. SENATE SUBSTITUTE AMENDMENT NO. 1 FOR
SENATE AMENDMENT NO. 1

page 3, lines 1-20, by striking all of said lines; and further amend pages 3-5 of said amendment, section 167.134, by striking all of said section from the amendment and inserting in lieu thereof the following:

"**167.133. 1. (1) The board of education of each district in this state that has been declared unaccredited pursuant to the authority of the state board of education as established in section 161.092 shall pay tuition and provide transportation consistent with the provisions of section 167.241 for each pupil resident therein who meets the criteria of this section.**

(2) Unless a receiving district qualifies under subdivision (3) of this subsection, the rate of tuition to be charged by the district attended and paid by the sending district is the per-pupil cost of maintaining the district's grade-level grouping which includes the school attended. The cost of maintaining a grade-level grouping shall be determined by the board of education of the district but in no case shall it exceed all amounts spent for teachers' wages, incidental purposes, debt service, maintenance and replacements. The term "debt service", as used in this section, means expenditures for the retirement of bonded indebtedness and expenditures for interest on bonded indebtedness. Per-pupil cost of the grade-level grouping shall be determined by dividing the cost of maintaining the grade-level grouping by the average daily pupil attendance.

(3) When any metropolitan school district is unaccredited or any district located in a county with a charter form of government and with more than nine hundred fifty thousand inhabitants is unaccredited, the tuition amount for students residing in those districts shall be the same as the tuition payment in effect at the time for any voluntary interdistrict transfer program regardless of whether the receiving district was or is participating in the interdistrict transfer program. If there is disagreement as to the amount of tuition to be paid, the facts shall be submitted to the state board of education, and its decision in the matter shall be final.

2. A pupil from an unaccredited district may attend a school in another district of the same or an adjoining county if the receiving district is accredited without provision and if the pupil has been enrolled in and attending a public school in the district during the school year when such declaration is made, or has enrolled and attended in the unaccredited district in school years subsequent to the year in which the declaration is made. Pupils who reside in the unaccredited district who become eligible for kindergarten or first grade in a school year after the effective date of this section are also eligible to transfer. A student who resides in an unaccredited district but who is attending a private school on or after the date the district is declared unaccredited shall become eligible to transfer to a public school in another district of the same or adjoining county under this section after the student has enrolled in and completed a full school year in a public school or charter school in the unaccredited district.

3. By August 30, 2012, each school district shall establish specific criteria through board policy for the admission of nonresident pupils from districts that have been classified as unaccredited by the state board of education who seek admission into a school district under this section. The primary criteria shall be the availability of highly qualified teachers in existing classroom space. The criteria for the admission of nonresident pupils shall also be based on one of the following three options, as determined by the local board of education: the average of the district's student enrollment figure for the previous three school years; the "desirable standard" for class sizes as established in the Missouri school improvement program; or any previous criteria established by the school board for the admission of nonresident students not entitled to free instruction. Each district shall establish criteria

for calculating available seats that take into account the district's resident student population growth or decrease, based on demographic projections provided by the office of socioeconomic data analysis, such that the receiving district shall not be required to employ additional teachers or construct new classrooms to accommodate such transfer pupils. No resident pupil shall be displaced from a school to which he or she would otherwise be assigned to accommodate the admission of a nonresident pupil. The assignment of a student to a particular building shall be the decision of the receiving district. Once a student from an unaccredited district has been accepted under this section, the student may complete his or her educational program in the district even if the student's residence district has regained its accreditation. For any school district that fails to establish criteria for the admission of nonresident students under this section, or incorrectly calculates the number of nonresident students it may admit, the department of elementary and secondary education shall withhold one percent of the district's state school aid. If the district takes corrective action, and such corrective action is approved by the department of elementary and secondary education, the department shall restore such state aid to the district.

4. Subject to the limitations of this section, each pupil shall be free to attend the public school of his or her choice.".

Senator Schmitt moved that the above amendment be adopted.

At the request of Senator Pearce, **HCS** for **HB 1174**, with **SCS**, **SS** for **SCS**, **SA 1**, **SSA 1** for **SA 1** and **SA 2** to **SSA 1** for **SA 1** (pending), was placed on the Informal Calendar.

May we never give up on those You have given us to love, so help us do that which is right with them and for them. In Your Holy Name we pray. Amen.

MESSAGES FROM THE HOUSE

The following message was received from the House of Representatives through its Chief Clerk:

Mr. President: I am instructed by the House of Representatives to inform the Senate that the House has taken up and passed **SB 564**.

With House Amendment No. 1, House Amendment No. 1 to House Amendment No. 2, House Amendment No. 2, as amended, House Amendment Nos. 3, 4, 6 and 8.

HOUSE AMENDMENT NO. 1

Amend Senate Bill No. 564, Page 1, In the title, Lines 3 through 5, by deleting all said lines and inserting in lieu thereof the words, "to motor vehicles"; and

Further amend said bill, Page 1, Section A, Line 2, by inserting after all of said line the following:

"302.130. 1. Any person at least fifteen years of age who, except for age or lack of instruction in operating a motor vehicle, would otherwise be qualified to obtain a license pursuant to sections 302.010 to 302.340 may apply for and the director shall issue a temporary instruction permit entitling the applicant, while having such permit in the applicant's immediate possession, to drive a motor vehicle of the appropriate class upon the highways for a period of twelve months, but any such person, except when operating a motorcycle or motortricycle, must be accompanied by a licensed operator for the type of motor vehicle being operated who is actually occupying a seat beside the driver for the purpose of giving instruction in driving the motor vehicle, who is at least twenty-one years of age, and in the case of any driver under sixteen years of age, the licensed operator occupying the seat beside the driver shall be a grandparent, parent, guardian, a driver training instructor holding a valid driver education endorsement on a teaching certificate issued by the department of elementary and secondary education or a qualified instructor of a private drivers' education program who has a valid driver's license. An applicant for a temporary instruction permit shall successfully complete a vision test and a test of the applicant's ability to understand highway signs which regulate, warn or direct traffic and practical knowledge of the traffic laws of this state, pursuant to section 302.173. In addition, beginning January 1, 2007, no permit shall be granted pursuant to this subsection unless a parent or legal guardian gives written permission by signing the application and in so signing, state they, or their designee as set forth in subsection 2 of this section, will provide a minimum of forty hours of behind-the-wheel driving instruction, including a minimum of ten hours of behind-the-wheel driving instruction that occurs during the nighttime hours falling between sunset and sunrise. The forty hours of behind-the-wheel driving instruction that is completed pursuant to this subsection may include any time that the holder of an instruction permit has spent operating a motor vehicle in a driver training program taught by a driver training instructor holding a valid driver education endorsement on a teaching certificate issued by the department of elementary and secondary education or by a qualified instructor of a private drivers' education program. If the applicant for a permit is enrolled in a federal residential job training program, the instructor, as defined in subsection 5 of this section, is authorized to sign the application stating that the applicant will receive the behind-the-wheel driving instruction required by this section.

2. In the event the parent, grandparent or guardian of the person under sixteen years of age has a

physical disability which prohibits or disqualifies said parent, grandparent or guardian from being a qualified licensed operator pursuant to this section, said parent, grandparent or guardian may designate a maximum of two individuals authorized to accompany the applicant for the purpose of giving instruction in driving the motor vehicle. An authorized designee must be a licensed operator for the type of motor vehicle being operated and have attained twenty-one years of age. At least one of the designees must occupy the seat beside the applicant while giving instruction in driving the motor vehicle. The name of the authorized designees must be provided to the department of revenue by the parent, grandparent or guardian at the time of application for the temporary instruction permit. The name of each authorized designee shall be printed on the temporary instruction permit, however, the director may delay the time at which permits are printed bearing such names until the inventories of blank permits and related forms existing on August 28, 1998, are exhausted.

3. The director, upon proper application on a form prescribed by the director, in his or her discretion, may issue a restricted instruction permit effective for a school year or more restricted period to an applicant who is enrolled in a high school driver training program taught by a driver training instructor holding a valid driver education endorsement on a teaching certificate issued by the state department of elementary and secondary education even though the applicant has not reached the age of sixteen years but has passed the age of fifteen years. Such instruction permit shall entitle the applicant, when the applicant has such permit in his or her immediate possession, to operate a motor vehicle on the highways, but only when a driver training instructor holding a valid driver education endorsement on a teaching certificate issued by the state department of elementary and secondary education is occupying a seat beside the driver.

4. The director, in his or her discretion, may issue a temporary driver's permit to an applicant who is otherwise qualified for a license permitting the applicant to operate a motor vehicle while the director is completing the director's investigation and determination of all facts relative to such applicant's rights to receive a license. Such permit must be in the applicant's immediate possession while operating a motor vehicle, and it shall be invalid when the applicant's license has been issued or for good cause has been refused.

5. thousand pounds each if the overall distance between the first and last axles of such consecutive sets of tandem axles is thirty-six feet or more.

4. Whenever the state highways and transportation commission finds that any state highway bridge in the state is in such a condition that use of such bridge by vehicles of the weights specified in subsection 3 of this section will endanger the bridge, or the users of the bridge, the commission may establish maximum weight limits and speed limits for vehicles using such bridge. The governing body of any city or county may grant authority by act or ordinance to the state highways and transportation commission to enact the limitations established in this section on those roadways within the purview of such city or county. (1) Motor fuel used for nonhighway purposes including fuel for farm tractors or stationary engines owned or leased and operated by any person and used exclusively for agricultural purposes and including, beginning January 1, 2006, bulk sales of one hundred gallons or more of gasoline made to farmers and delivered by the ultimate vender to a farm location for agricultural purposes only. At the discretion of the ultimate vender, the refund may be claimed by the ultimate vender on behalf of the consumer for sales made to farmers and to persons engaged in construction for agricultural purposes as defined in section 142.800. After December 31, 2000, the refund may be claimed only by the consumer and may not be claimed by the ultimate vender unless bulk sales of gasoline are made to a farmer after January 1, 2006, as provided in this subdivision and the farmer provides an exemption certificate to the ultimate vender, in which case the ultimate vender may make a claim for refund under section 142.824 but shall be liable for any erroneous refund;

(2) Kerosene sold for use as fuel to generate power in aircraft engines, whether in aircraft or for training, testing or research purposes of aircraft engines;

(3) Diesel fuel used as heating oil, or in railroad locomotives or any other motorized flanged-wheel rail equipment, or used for other nonhighway purposes other than as expressly exempted pursuant to another provision.

2. Subject to the procedural requirements and conditions set out in this chapter, the following uses are exempt from the tax imposed by section 142.803 on motor fuel, and a deduction or a refund may be claimed:

(1) Motor fuel for which proof of export is available in the form of a terminal-issued destination state shipping paper and which is either:

(a) Exported by a supplier who is licensed in the destination state or through the bulk transfer system;

(b) Removed by a licensed distributor for immediate export to a state for which all the applicable taxes and fees (however nominated in that state) of the destination state have been paid to the supplier, as a trustee, who is licensed to remit tax to the destination state; or which is destined for use within the destination state by the federal government for which an exemption has been made available by the destination state subject to procedural rules and regulations promulgated by the director; or

(c) Acquired by a licensed distributor and which the tax imposed by this chapter has previously been paid or accrued either as a result of being stored outside of the bulk transfer system immediately prior to

loading or as a diversion across state boundaries properly reported in conformity with this chapter and was subsequently exported from this state on behalf of the distributor; The exemption pursuant to paragraph (a) of this subdivision shall be claimed by a deduction on the report of the supplier which is otherwise responsible for remitting the tax upon removal of the product from a terminal or refinery in this state. The exemption pursuant to paragraphs (b) and (c) of this subdivision shall be claimed by the distributor, upon a refund application made to the director within three years. A refund claim may be made monthly or whenever the claim exceeds one thousand dollars;

(2) Undyed K-1 kerosene sold at retail through dispensers which have been designed and constructed to prevent delivery directly from the dispenser into a vehicle fuel supply tank, and undyed K-1 kerosene sold at retail through nonbarricaded dispensers in quantities of not more than twenty-one gallons for use other than for highway purposes. Exempt use of undyed kerosene shall be governed by rules and regulations of the director. If no rules or regulations are promulgated by the director, then the exempt use of undyed kerosene shall be governed by rules and regulations of the Internal Revenue Service. A distributor or supplier delivering to a retail facility shall obtain an exemption certificate from the owner or operator of such facility stating that its sales conform to the dispenser requirements of this subdivision. A licensed distributor, having obtained such certificate, may provide a copy to his or her supplier and obtain undyed kerosene without the tax levied by section 142.803. Having obtained such certificate in good faith, such supplier shall be relieved of any responsibility if the fuel is later used in a taxable manner. An ultimate vendor who obtained undyed kerosene upon which the tax levied by section 142.803 had been paid and makes sales qualifying pursuant to this subsection may apply for a refund of the tax pursuant to application, as provided in section 142.818, to the director provided the ultimate vendor did not charge such tax to the consumer;

(4) Motor fuel used solely and exclusively as fuel to propel motor vehicles on the public roads and highways of this state when leased or owned and when being operated by a federally recognized Indian tribe in the performance of essential governmental functions, such as providing police, fire, health or water services. The exemption for use pursuant to this subdivision shall be made available to the tribal government upon a refund application stating that the motor fuel was purchased for the exclusive use of the tribe in performing named essential governmental services;

(5) That portion of motor fuel used to operate equipment attached to a motor vehicle, if the motor fuel was placed into the fuel supply tank of a motor vehicle that has a common fuel reservoir for travel on a highway and for the operation of equipment, or if the motor fuel was placed in a separate fuel tank and used only for the operation of auxiliary equipment. The exemption for use pursuant to this subdivision shall be claimed by a refund claim filed by the consumer who shall provide evidence of an allocation of use satisfactory to the director;

(6) Motor fuel acquired by a consumer out-of-state and carried into this state, retained within and consumed from the same vehicle fuel supply tank within which it was imported, except interstate motor fuel users;

(7) Motor fuel which was purchased tax-paid and which was lost or destroyed as a direct result of a sudden and unexpected casualty or which had been accidentally contaminated so as to be unsalable as highway fuel as shown by proper documentation as required by the director. The exemption pursuant to this

subdivision shall be refunded to the person or entity owning the motor fuel at the time of the contamination or loss. Such person shall notify the director in writing of such event and the amount of motor fuel lost or contaminated within ten days from the date of discovery of such loss or contamination, and within thirty days after such notice, shall file an affidavit sworn to by the person having immediate custody of such motor fuel at the time of the loss or contamination, setting forth in full the circumstances and the amount of the loss or contamination and such other information with respect thereto as the director may require;

(8) Dyed diesel fuel or dyed kerosene used for an exempt purpose. This exemption shall be claimed as follows:

Any distributor who delivers motor fuel to any marina located in this state for use only in a watercraft may also claim the exemption provided in this subsection.

For purposes of this section, the terms motor vehicle and highway shall have the same meaning pursuant to section 301.010. There shall be a rebuttable presumption that the raw materials used in the primary manufacture of automobiles contain at least twenty-five percent recovered materials. For purposes of this subdivision, "processing" means any mode of treatment, act or series of acts performed upon materials to transform and reduce them to a different state or thing, including treatment necessary to maintain or preserve such processing by the producer at the production facility;

Journal of the Senate

SECOND REGULAR SESSION

SIXTY-THIRD DAY—TUESDAY, MAY 1, 2012

The Senate met pursuant to adjournment.

President Kinder in the Chair.

Reverend Carl Gauck offered the following prayer:

"So let us not grow weary in doing what is right, for we will reap at harvest time, if we don't give up." (Galatians 6:9)

Gracious God, we have begun having those long days with several yet to come. Give us the strength to persist in spite of the obstacles that cross our path and do what is needful and right. May we face frustrations with steady calm minds that are open to what is possible and deal with each other with respect and courtesy for we know each is Your child and of worth. Keep us mindful of the service we each have been called to perform. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

The municipality may, in the ordinance, pledge the funds in the special allocation fund for the payment of such costs and obligations and provide for the collection of payments in lieu of taxes, the lien of which may be foreclosed in the same manner as a special assessment lien as provided in section 88.861. No part of the current equalized assessed valuation of each lot, block, tract, or parcel of property in the area selected for the redevelopment project attributable to any increase above the total initial equalized assessed value of such properties shall be used in calculating the general state school aid formula provided for in section 163.031 until such time as all redevelopment costs have been paid as provided for in this section and section 99.850;

(b) Notwithstanding any provisions of this section to the contrary, for purposes of determining the limitation on indebtedness of local government pursuant to article VI, section 26(b) of the Missouri Constitution, the current equalized assessed value of the property in an area selected for redevelopment attributable to the increase above the total initial equalized assessed valuation shall be included in the value of taxable tangible property as shown on the last completed assessment for state or county purposes;

(c) The county assessor shall include the current assessed value of all property within the taxing district in the aggregate valuation of assessed property entered upon the assessor's book and verified pursuant to section 137.245, and such value shall be utilized for the purpose of the debt limitation on local government pursuant to article VI, section 26(b) of the Missouri Constitution;

2. In addition to the payments in lieu of taxes described in subdivision (2) of subsection 1 of this section, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance after July 12, 1990, and prior to August 31, 1991, fifty percent of the total additional revenue from taxes, penalties and interest imposed by the municipality, or other taxing districts, which are generated by economic activities within the area of the redevelopment project over the amount of such taxes generated by economic activities within the area of the redevelopment project in the calendar year prior to the adoption of the redevelopment project by ordinance, while tax increment financing remains in effect, but excluding taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to section 70.500, licenses, fees or special assessments other than payments in lieu of taxes and any penalty and interest thereon, or, effective January 1, 1998, taxes levied pursuant to section 94.660, for the purpose of public transportation, shall be allocated to, and paid by the local political subdivision collecting officer to the treasurer or other designated financial officer of the municipality, who shall deposit such funds in a separate segregated account within the special allocation fund. Any provision of an agreement, contract or covenant entered into prior to July 12, 1990, between a municipality and any other political subdivision which provides for an appropriation of other municipal revenues to the special allocation fund shall be and remain enforceable.

3. In addition to the payments in lieu of taxes described in subdivision (2) of subsection 1 of this section, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance after

August 31, 1991, fifty percent of the total additional revenue from taxes, penalties and interest which are imposed by the municipality or other taxing districts, and which are generated by economic activities within the area of the redevelopment project over the amount of such taxes generated by economic activities within the area of the redevelopment project in the calendar year prior to the adoption of the redevelopment project by ordinance, while tax increment financing remains in effect, but excluding personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to section 70.500, taxes levied for the purpose of public transportation pursuant to section 94.660, licenses, fees or special assessments other than payments in lieu of taxes and penalties and interest thereon, or any sales tax imposed by a county with a charter form of government and with more than six hundred thousand but fewer than seven hundred thousand inhabitants, for the purpose of sports stadium improvement **or levied by such county under section 238.410 for the purpose of the county transit authority operating transportation facilities**, shall be allocated to, and paid by the local political subdivision collecting officer to the treasurer or other designated financial officer of the municipality, who shall deposit such funds in a separate segregated account within the special allocation fund.

4. Beginning January 1, 1998, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance and which have complied with subsections 4 to 12 of this section, in addition to the payments in lieu of taxes and economic activity taxes described in subsections 1, 2 and 3 of this section, up to fifty percent of the new state revenues, as defined in subsection 8 of this section, estimated for the businesses within the project area and identified by the municipality in the application required by subsection 10 of this section, over and above the amount of such taxes reported by businesses within the project area as identified by the municipality in their application prior to the approval of the redevelopment project by ordinance, while tax increment financing remains in effect, may be available for appropriation by the general assembly as provided in subsection 10 of this section to the department of economic development supplemental tax increment financing fund, from the general revenue fund, for distribution to the treasurer or other designated financial officer of the municipality with approved plans or projects.

6. No transfer from the general revenue fund to the Missouri supplemental tax increment financing fund shall be made unless an appropriation is made from the general revenue fund for that purpose. No municipality shall commit any state revenues prior to an appropriation being made for that project. For all redevelopment plans or projects adopted or approved after December 23, 1997, appropriations from the new state revenues shall not be distributed from the Missouri supplemental tax increment financing fund into the special allocation fund unless the municipality's redevelopment plan ensures that one hundred percent of payments in lieu of taxes and fifty percent of economic activity taxes generated by the project shall be used for eligible redevelopment project costs while tax increment financing remains in effect. This account shall be separate from the account into which payments in lieu of taxes are deposited, and separate from the account into which economic activity taxes are deposited.

7. In order for the redevelopment plan or project to be eligible to receive the revenue described in subsection 4 of this section, the municipality shall comply with the requirements of subsection 10 of this section prior to the time the project or plan is adopted or approved by ordinance. The director of the department of economic development and the commissioner of the office of administration may waive the requirement that the municipality's application be submitted prior to the redevelopment plan's or project's

adoption or the redevelopment plan's or project's approval by ordinance.

In no event shall the incremental increase include any amounts attributable to retail sales unless the municipality or authority has proven to the Missouri development finance board and the department of economic development and such entities have made a finding that the sales tax increment attributable to retail sales is from new sources which did not exist in the state during the baseline year. The department of economic development may request the appropriation following application approval;

(3) The appropriation shall be either a portion of the estimate of the incremental increase in the general revenue portion of state sales tax revenues in the redevelopment area or a portion of the estimate of the state income tax withheld by the employer on behalf of new employees who fill new jobs created in the redevelopment area as indicated in the municipality's application, approved by the director of the department of economic development or his or her designee and the commissioner of the office of administration or his or her designee. However, if a majority of the qualified voters cast NO votes, that district shall not be deemed created unless and until another question of whether to authorize the creation of a district and impose the one-tenth of one cent local sales tax is submitted to the qualified voters of that county and that question is approved by a majority of the qualified voters voting thereon.

67.5012. The governing body of any county located within a district established pursuant to sections 67.5000 to 67.5038 is authorized to impose by order, ordinance, or otherwise a one-tenth of one cent local sales tax on all retail sales subject to taxation pursuant to sections 144.010 to 144.525 for the purpose of funding activities that are consistent with the powers and duties of a district, as set forth in section 67.5006. The tax authorized by this section shall be in addition to all other sales taxes allowed by law. The provisions of sections 32.085 and 32.087 shall apply to each local sales tax approved pursuant to sections 67.5000 to 67.5038.

67.5014. The local sales tax authorized in section 67.5012 shall be collected and allocated in the district as follows:

(1) Forty-five percent of the local sales taxes collected as described in section 67.5012 shall be deposited by the department of revenue in the parks, trails, and greenways district fund to be administered by the board of directors of that district to pay costs associated with the planning, development, supervision, improvement, maintenance, and custody of an interconnecting system of public parks, trails, open space, greenways, and recreational facilities within the boundaries of that district. Up to five percent of the amount deposited in that parks, trails, and greenways fund shall be used for grants to local public agencies to be used for activities that are consistent with the district's powers and duties as set forth in section 67.5006. Costs for office and project administration may be up to, but shall not exceed, fifteen percent of the amount deposited in a district fund pursuant to this subdivision;

(2) Fifteen percent of the local sales taxes collected as described in section 67.5012 shall be distributed by the department of revenue to the county to be used for planning, development, supervision, improvement, maintenance, and custody of public parks, trails, open spaces, greenways, and recreational facilities within the boundaries of a district; and

(3) Forty percent of the local sales taxes collected as described in section 67.5012 shall be distributed by the department of revenue to each of the cities in that county, in proportion to each city's relative local sales tax contribution, to be used for planning, development, supervision, improvement, maintenance, and custody of public parks, trails, open spaces, greenways, and recreational facilities within the boundaries of a district.

67.5016. 1. Any county levying a local sales tax under the authority of sections 67.5000 to 67.5038 shall not administer or collect the tax locally, but shall utilize the services of the state department of

revenue to administer, enforce, and collect the tax. The sales tax shall be administered, enforced, and collected in the same manner and by the same procedure as other local sales taxes are levied and collected and shall be in addition to any other sales tax authorized by law. Except as modified in this section, all provisions of sections 32.085 and 32.087 shall apply to the tax imposed pursuant to this section.

2. Upon receipt of a certified copy of a resolution from the county authorizing the levy of a local sales tax, which resolution shall state the name of the district in which that county is included, the director of the department of revenue shall cause this tax to be collected at the same time and in the same manner provided for the collection of the state sales tax. All moneys derived from this local sales tax imposed under the authority of sections 67.5000 to 67.5038 and collected under the provisions of this section by the director of revenue shall be credited to a fund established for the district, which is hereby established in the state treasury, under the name of that district, as established. Any refund due on any local sales tax collected pursuant to section 67.5000 to 67.5038 shall be paid out of the sales tax refund fund and reimbursed by the director of revenue from the sales tax revenue collected under this section. All local sales tax revenue derived from the authority granted by sections 67.5000 to 67.5038 and collected from within any county, under this section, shall be remitted at least quarterly by the director of revenue to the district established by sections 67.5000 to 67.5038, the source county included in the district and the cities in that county, in the percentages set forth in section 67.5014.

67.5018. 1. The treasurer of the board of each district created shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of each district created by sections 67.5000 to 67.5038 shall be audited yearly by a certified or licensed public accountant and the report of the audit shall be approved by the board of each district created. Upon board approval, the report shall be available for inspection.

2. The accounts of the district shall be open at any reasonable time for inspection by duly authorized representatives of the county and cities included within the jurisdictional boundaries of that district.

3. Annually, no later than one hundred twenty days after the close of each district's fiscal year, the board of each district created by sections 67.5000 to 67.5038 shall cause to be prepared a report on the operations and transactions conducted by that district during the preceding year. The report shall be an open record and shall be submitted to the governing bodies of each city and county within the jurisdictional boundaries of that district commencing the year following the year in which the district is created. The board of each district shall take those actions as are reasonably required to make this report readily available to the public.

67.5020. Notwithstanding the provisions of section 99.845 to the contrary, the revenues from the local sales taxes imposed under the authority set forth in section 67.5012 shall not be allocated to and paid by the state department of revenue to any special allocation fund established by any municipality under sections 99.800 to 99.865.

67.5022. 1. When a district is created pursuant to sections 67.5000 to 67.5038, the district shall be governed by a board of directors. The mayor of the largest city in that county shall appoint

two persons from the residents of that city in that county, and the mayors of the next five most populous cities in the county shall, on a rotating basis and in accordance with subsection 2 of this section, appoint four persons from the residents of those respective cities in that county to serve on the board.

2. The mayors of the second through sixth most populous cities in that county, as determined by the most recent decennial census, shall appoint the board members from the residents of those cities in the county by December 15 of each year. Representation on the board from these second through sixth most populous cities shall be on a rotating basis, as follows. In the initial year:

(1) The second most populous city shall be represented on the board, and that member shall serve for a term of one year;

(2) The third most populous city shall be represented on the board, and that member shall serve for a term of two years;

(3) The fourth most populous city shall be represented on the board, and that member shall serve for a term of three years;

(4) The fifth most populous city shall be represented on the board, and that member shall serve for a term of four years; and

(5) The sixth most populous city shall not be represented on the board.

In the second year, the sixth most populous city shall be represented on the board, and the member shall serve for a term of four years. In that second year, the second most populous city shall have no representation on the board. Membership on the board shall rotate in this manner every year thereafter, with each of the second through sixth most populous cities not being represented on the board, in this alternating basis, one of every succeeding four years.

3. The board members appointed to a district shall hold office for four-year terms; provided that, initial terms of the representative of the second through the sixth most populous cities in the county shall be of the staggered lengths as set forth in subsection 2 of this section. On the expiration of the initial terms of appointment and on the expiration of any subsequent term, the resulting vacancies shall be filled by the chief elected official of each of the represented cities and the county. All vacancies on the board shall be filled in the same manner for the duration of the term being filled. Board members shall serve until their successors are named and the successors have commenced their terms as board members. Board members shall be eligible for reappointment.

4. The chief elected official of each city or county that has membership on the board of a district may replace a board member representing that elected official's city or county at any time, in that elected official's sole discretion. Upon this removal, the chief elected official shall appoint another individual to represent that city or county on the board of directors of the district.

67.5024. Promptly after their appointment, the initial board members of a district created pursuant to sections 67.5000 to 67.5038 shall hold an organizational meeting at which they shall elect a president, secretary, treasurer, and any other officers from among their number as they may deem necessary. The members shall make and adopt bylaws, rules, and regulations for their guidance, as may be expedient and not inconsistent with sections 67.5000 to 67.5038.

67.5026. Board members shall be citizens of the United States and shall reside within the county

or city, as the case may be, from which they are appointed. No board member shall receive compensation for performance of duties as a board member. No board member shall be financially interested directly or indirectly in any contract entered into pursuant to sections 67.5000 to 67.5038.

67.5028. When a public highway, street, or road extends into or through a public trail, trail area, greenway, or park area of a district, or when a public highway, street, or road forms all or part of a suitable connection between two or more public trails, trail areas, or park areas within a district, and it is advisable by the board to make alterations in the route or width of the highway or to grade, drain, pave, or otherwise improve the highway, the board may enter into agreements, consistent with the purposes of that district, with the public authorities in control of the portion of the highway, street, or road that lies within any, or forms any part of, a connecting link to and between any, public trail, trail area, or park area of a district. Any agreement with any such public authority shall follow the procedure authorized by law for dealing with that authority, and any agreement shall provide for the payment by the board of an agreed-upon portion of the costs of that agreement. This section shall not alter the legal status of that highway, street, or road in any way.

67.5030. No district created pursuant to sections 67.5000 to 67.5038 shall be authorized to exercise the power of eminent domain.

67.5032. 1. Bonds of a district authorized by sections 67.5000 to 67.5038 shall be issued pursuant to a resolution adopted by the board of directors of that district, which resolution shall set out the estimated cost to that district of the proposed improvements, and shall further set out the amount of bonds to be issued, their purpose or purposes, their date or dates, denomination or denominations, rate or rates of interest, time or times of payment, both of principal and of interest, place or places of payment, and all other details in connection with those bonds. These bonds may be subject to provision for redemption prior to maturity, with or without premium, and at the times and upon the conditions as may be provided by the resolution.

2. Notwithstanding the provisions of section 108.170, these bonds shall bear interest at rate or rates determined by the issuing district and shall mature within a period not exceeding twenty years and may be sold at public or private sale for not less than ninety-five percent of the principal amount of the bonds to be issued. Bonds issued by a district shall possess all of the qualities of negotiable instruments pursuant to the laws of this state.

3. These bonds may be payable to bearer, may be registered or coupon bonds and, if payable to bearer, may contain any registration provisions as to either principal and interest, or principal only, as may be provided in the resolution authorizing those bonds, which resolution may also provide for the exchange of registered and coupon bonds. These bonds and any coupons attached thereto shall be signed in the manner and by the officers of the district as may be provided by the resolution authorizing the bonds. A district may provide for the replacement of any bond that has become mutilated, destroyed, or lost.

4. Bonds issued by a district shall be payable as to principal, interest and redemption premium, if any, out of all or any part of the issuing district's parks, trails, and greenways fund, including revenues derived from local sales taxes and any other monies held by that district. Neither the board members nor any person executing the bonds shall be personally liable on those bonds by reason of the issuance of those bonds. Bonds issued pursuant to this section or section 67.5034 shall not constitute a debt, liability or obligation of this state, or any political subdivision of this state, nor shall

any of these obligations be a pledge of the faith and credit of this state, but shall be payable solely from the revenues and assets held by the issuing district. The issuance of bonds pursuant to this section or section 67.5034 shall not directly, indirectly or contingently obligate this state or any political subdivision of this state, other than the district issuing the bonds, to levy any form of taxation for those bonds or to make any appropriation for their payment. Each obligation or bond issued pursuant to this section or section 67.5034 shall contain, on its face, a statement to the effect that the issuing district shall not be obligated to pay those bonds nor the interest on those bonds, except from the revenues received by the issuing district or assets of that district lawfully pledged for that district, and that neither the good faith and credit nor the taxing power of this state or of any political subdivision of this state, other than the issuing district, is pledged to the payment of the principal of or the interest on that obligation or bond. The proceeds of these bonds shall be disbursed in the manner and pursuant to the restrictions the district may provide in the resolution authorizing the issuance of those bonds.

67.5034. 1. A district may issue negotiable refunding bonds for the purpose of refunding, extending or unifying the whole or any part of any bonds of a district then outstanding, or any bonds, notes or other obligations issued by any other public agency, public body or political subdivision in connection with any facilities to be acquired, leased or subleased by that district, which refunding bonds shall not exceed the amount necessary to refund the principal of the outstanding bonds to be refunded and the accrued interest on those bonds to the date of that refunding, together with any redemption premium, amounts necessary to establish reserve and escrow funds and all costs and expenses incurred in connection with the refunding. The board shall provide for the payment of interest and principal of any refunding bonds in the same manner as was provided for the payment of interest and principal of the bonds refunded.

2. In the event that any of the board members or officers of a district whose signatures appear on any bonds or coupons shall cease to be on the board or cease to be an officer before the delivery of those bonds, those signatures shall remain valid and sufficient for all purposes, the same as if that board member or officer had remained in office until the delivery of those bonds.

67.5036. Each district is hereby declared to be performing a public function and bonds of a district are declared to be issued for an essential public and governmental purpose and, accordingly, interest on those bonds and income from those bonds shall be exempt from income taxation by this state.

67.5038. All purchases by a district in excess of ten thousand dollars used in the construction or maintenance of any public recreational facility, trail, park, or greenway in that district shall be made pursuant to the lowest and best bid standard as provided in section 34.040 or pursuant to the lowest and best proposal standard as provided in section 34.042. The board of any district shall have the same discretion, powers and duties as granted to the commissioner of administration by sections 34.040 and 34.042."; and

Further amend said bill, Section 115.761, Page 8, Line 31 by inserting after all of said line the following:

"**[**67.1890. 1. The boundaries of any district organized pursuant to sections 67.1860 to 67.1898 may be changed in the manner prescribed in this section; but any change of boundaries of the district shall not impair or affect its organization or its rights in or to property, or any of its rights or privileges whatsoever; nor shall it affect or impair or discharge any contract, obligation, lien or charge for or upon which it might be liable or chargeable had any change of boundaries not been made.

2. The boundaries may be changed as follows:

(1) Twenty-five percent of the number of voters who voted in the most recent gubernatorial election in the area to be annexed or deannexed may file with the board a petition in writing praying that such real property be included within, or removed from, the district. The petition shall describe the property to be included in, or removed from, the district and shall describe the property owned by the petitioners and shall be deemed to give assent of the petitioners to the inclusion in, or removal from, the district of the property described in the petition. Such petition shall be in substantially the form set forth for petitions in chapter 116; provided that, in the event that there are more than twenty-five property owners or taxpaying electors signing the petition, it shall be deemed sufficient description of their property in the petition as required in this section to list the addresses of such property; or

(2) All of the owners of any territory or tract of land near or adjacent to a district in the case of annexation, or all of the owners of any territory or tract of land within a district in the case of deannexation, who own all of the real estate in such territory or tract of land may file a petition with the board praying that such real property be included in, or removed from, the district. The board shall at the time and place mentioned, or at such time or times to which the hearing may be adjourned, proceed to

hear the petition and all objections thereto presented in writing by any person showing cause why the petition should not be granted. The failure of any person interested to show cause in writing why such petition shall not be granted shall be deemed as an assent on his or her part to the inclusion of such lands in, or removal of such lands from, the district as prayed for in the petition.

4. If the board deems it for the best interest of the district, it shall grant the petition, but if the board determines in the case of annexation that some portion of the property mentioned in the petition cannot as a practical matter be served by the district, or if it deems in the case of annexation that it is in the best interest of the district that some portion of the property in the petition not be included in the district, or if in the case of deannexation it deems that it is impracticable for any portion of the property to be deannexed from the district, then the board shall grant the petition in part only. If the petition is granted, the board shall make an order to that effect and file the petition with the circuit clerk. Upon the order of the court having jurisdiction over the district, the property shall be included in, or removed from, the district. If the petition contains the signatures of all the owners of the property pursuant to the provisions of subdivision (2) of subsection 2 of this section, the property shall be included in, or removed from, the district upon the order of the court. If the petition contains the signatures of twenty-five percent of the number of voters who voted in the most recent gubernatorial election in the area to be annexed or deannexed pursuant to subdivision (1) of subsection 2 of this section, the property shall be included in, or removed from, the district subject to the election provided in section 67.1892. The circuit court having jurisdiction over the district shall proceed to make any such order including such additional property within the district, or removing such property from the district, as is provided in the order of the board, unless the court shall find that such order of the board was not authorized by law or that such order of the board was not supported by competent and substantial evidence.

5. Any person aggrieved by any decision of the board made pursuant to the provisions of this section may appeal that decision to the circuit court of the county in which the property is located within thirty days of the decision by the board.**]**

If the petition to add or remove any territory or tract of land to the district contained fewer than all of the signatures required pursuant to subdivision (2) of subsection 2 of section 67.1890, the decree of extension or retraction of boundaries shall not become final and conclusive until it has been submitted to an election of the voters residing within the boundaries described in such decree and until it has been assented to by a majority vote of the voters in the newly included area, or the area to be removed, voting on the question. The decree shall also provide for the holding of the election to vote on the proposition of extending or retracting the boundaries of the district, and shall fix the date for holding the election.

If a majority of the voters voting on the proposition vote in favor of the extension or retraction of the boundaries of the district, then the court shall enter its further order declaring the decree of extension or retraction of the boundaries to be final and conclusive. In the event, however, that the court finds that a majority of the voters voting thereon voted against the proposition to extend or

retract the boundaries of the district, then the court shall enter its further order declaring the decree of extension or retraction of boundaries to be void and of no effect.**]**

[67.1896. 1. If the petition filed pursuant to section 67.1894 contained fewer than all of the signatures required pursuant to subdivision (2) of subsection 2 of section 67.1894, the termination of taxation authority shall not become final and conclusive until it has been submitted to an election of the voters residing within the district and until it has been assented to by at least four-sevenths of the voters in the district voting on the question. The decree shall also provide for the holding of the election to vote on the proposition, and shall fix the date for holding the election.

2. The question shall be submitted in substantially the following form:

Shall the authority of the ..... Law Enforcement District to adopt property taxes be terminated?

[ ] YES [ ] NO

3. If four-sevenths of the voters voting on the proposition vote in favor of such termination, then the court shall enter its further order declaring the termination of such authority, and all such taxes that are being assessed in the current calendar year pursuant to such authority, to be final and conclusive. In the event, however, that the court finds that less than four-sevenths of the voters voting thereon voted against the proposition to terminate such authority, then the court shall enter its further order declaring the decree of termination of such district's taxing authority to be void and of no effect.**]**

[67.1898. 1. Whenever a petition signed by not less than ten percent of the registered voters in any district organized pursuant to sections 67.1860 to 67.1898 is filed with the circuit court having jurisdiction over the district, setting forth all the relevant facts pertaining to the district, and alleging that the further operation of the district is not in the best interests of the inhabitants of the district, and that the district should, in the interest of the public welfare and safety, be dissolved, the circuit court shall have authority, after hearing evidence submitted on such question, to order a submission of the question, after having caused publication of notice of a hearing on such petition in the same manner as the notice required in section 67.1874, in substantially the following form:

Shall ..... (Insert the name of the law enforcement district) Law Enforcement District be dissolved?

[ ] YES [ ] NO

2. If the court shall find that it is to the best interest of the inhabitants of the district that such district be dissolved, it shall make an order reciting such finding and providing for the submission of the proposition to dissolve such district to a vote of the voters of the district, setting forth such further details in its order as may be necessary to an orderly conduct of such election. Such election shall be held at the municipal election. Returns of the election shall be certified to the court.

If the court finds that a majority of the voters voting thereon shall have voted in favor of the proposition to dissolve the district, the court shall make a final order dissolving the district, and the decree shall contain a proviso that the district shall continue in full force for the purpose of paying all outstanding and lawful obligations and disposing of property of the district; but no additional costs or obligations shall be created except such as are necessary to pay such costs, obligations and

liabilities previously incurred, or necessary to the winding up of the district. If the court shall find that a majority of the voters of the district voting thereon shall not have voted favorably on the proposition to dissolve such district, then the court shall make a final order declaring such result dismissing the petition praying for the dissolution of said district; and the district shall continue to operate in the same manner as though the petition asking for such dissolution has not been filed.

3. The dissolution of a district shall not invalidate or affect any right accruing to such district, or to any person, or invalidate or affect any contract or indebtedness entered into or imposed upon such district or person; and whenever the circuit court shall, pursuant to this section, dissolve a district, the court shall appoint some competent person to act as trustee for the district so dissolved and such trustee before entering upon the discharge of his or her duties shall take and subscribe an oath that he or she will faithfully discharge the duties of the office, and shall give bond with sufficient security, to be approved by the court to the use of such dissolved district, for the faithful discharge of his or her duties, and shall proceed to liquidate the district under orders of the court, including the levying of any taxes provided for in sections 67.1860 to 67.1898.**]**"; and

"**262.598. 1. As used in this section, the following terms shall mean:**

(1) "Consolidated district", a district formed jointly by two or more councils;

(2) "Council", a University of Missouri extension council authorized under section 262.563;

(3) "District" or "extension district", a political subdivision formed by one or more councils;

(4) "Single-council district", a district formed by one council;

(5) "Governing body", the group of individuals who govern a district.

2. University of Missouri extension councils are hereby authorized to form extension districts made up of cooperating counties for the purpose of funding extension programming. An extension district may be a single-council district or a consolidated district. A single-council district shall be formed upon a majority vote of the full council. A consolidated district shall be formed upon a majority vote of each participating council.

3. In a single-council district, the council shall serve as the district's governing body. In addition to any other powers and duties granted to the council under sections 262.550 to 262.620, the council shall also have the powers and duties provided under subsection 5 of this section.

4. In a consolidated district, the governing body of the district shall consist of at least three, but no more than five, representatives appointed by each participating council. The term of office shall be two years. Representatives may be reappointed. This governing body shall elect officers, who shall serve as officers for two years, and establish a regular meeting schedule which shall be not less than once every three months.

5. The governing body of a district shall have the following powers and duties:

(1) Review the activities and annual budgets of each participating council;

(2) Determine, by September first of each year, the tax rate necessary to generate sufficient revenue to fund the extension programming in the district, which includes annual funding for each participating council for the costs of personnel and the acquisition, supply, and maintenance of each council's property, work, and equipment;

(3) Oversee the collection of any tax authorized under this section by ensuring the revenue is deposited into a special fund and monitoring the use of the funds to ensure they are used solely for extension programming in the district;

(4) Approve payments from the special fund in which the tax revenue is deposited; and

(5) Work cooperatively with each participating council to plan and facilitate the programs, equipment, and activities in the district.

6. The governing body of a district may submit a question to the voters of the district to institute a property tax levy in the county or counties that compose the district. Questions may be submitted to the voters of the district at any general municipal election. Any such proposed tax shall not exceed thirty cents per one hundred dollars of assessed valuation. Such question shall be submitted in substantially the following form:

"Shall the Extension District in ..... County (insert name of county) be authorized to levy an annual tax of ..... (insert amount not to exceed thirty) cents per one hundred dollars of assessed valuation for the purpose of funding the University of Missouri Extension District programs, equipment, and services in the district?"

In a single-council district, if a majority of the voters in the county approve the question, then the district shall impose the tax. In a consolidated district, if a majority of voters in each county in the district approve the tax, then the district shall impose the tax. In a consolidated district, if a majority of voters in a county do not approve the tax, the council in the county that did not approve the tax may withdraw from the district. Upon such withdrawal, the district shall be made up of the remaining counties and the tax shall be imposed in those counties. However, if the county that did not approve the tax does not withdraw from the district, the tax shall not be imposed. Revenues collected from the imposition of a tax authorized under this section shall be deposited into a special fund dedicated only for use by the local district for programming purposes. If a majority of the voters in a single-council district do not approve the question, then no tax shall be imposed. If a majority of the voters in a consolidated district do not approve the question, then no tax shall be imposed in any county of the district.

7. The county commission of any county in which the tax authorized under this section is levied and collected:

(1) Shall be exempt from the funding requirements under section 262.597 if revenue derived from the tax authorized under this section is in excess of an amount equal to two hundred percent of the average funding received under section 262.597 for the immediately preceding three years; or

(2) May reduce the current year's funding amount under section 262.597 by thirty-three percent of the amount of tax revenues derived from the tax authorized under this section which exceed the average amount of funding received under section 262.597 for the immediately preceding three years.

8. Any county that collects tax revenues authorized under this section shall transfer all attributable revenue plus monthly interest for deposit into the district's special fund. The governing body of the district shall comply with the prudent investor standard for investment fiduciaries as provided in section 105.688.

9. In any county in which a single-council district is established, and for which a tax has not been levied, the district may be dissolved in the same manner in which it was formed.

10. A county may withdraw from a consolidated district at any time by the filing of a petition with the circuit court having jurisdiction over the district. The petition shall be signed by not fewer than ten percent of those who voted in the most recent presidential election in the county seeking to withdraw that is part of a consolidated district stating that further operation of the district is contrary to the best interests of the inhabitants of the county in which the district is located and that the county seeks to withdraw from the district. The circuit court shall hear evidence on the petition. If the court finds that it is in the best interest of the inhabitants of the county in which the district is located for the county to withdraw from the district, the court shall make an order reciting the same and submit the question to the voters. The question shall be submitted in substantially the following format:

"Shall the County of ..... (insert name of county) being part of ..... (insert name of district) Extension District withdraw from the district?"

The question shall be submitted at the next general municipal election date. The election returns shall be certified to the court. If the court finds that two-thirds of the voters voting on the question voted in favor of withdrawing from the district, the court shall issue an order withdrawing the county from the district, which shall contain a proviso that the district shall remain intact for the sole purposes of paying all outstanding and lawful obligations and disposing of the district's property. No additional costs or obligations for the withdrawing county shall be created except as necessary. The withdrawal shall occur on the first day of the following January after the vote. If the court finds that two-thirds of the voters voting on the question shall not have voted favorably on the question to withdraw from the district, the court shall issue an order dismissing the petition and the district shall continue to operate.

11. The governing body of any district may seek voter approval to increase its current tax rate authorized under this section, provided such increase shall not cause the total tax to exceed thirty cents per one hundred dollars of assessed valuation. To propose such an increase, the governing body shall submit the question to the voters at the general municipal election in the county in which the district is located. The question shall be submitted in substantially the following form:

"Shall the Extension District in ..... (insert name of county or counties) be authorized to increase the tax rate from ..... (insert current amount of tax) cents to ..... (insert proposed amount of tax not to exceed thirty) cents per one hundred dollars of assessed valuation for the purpose of funding the

University of Missouri Extension District programs, equipment, and services in the district?"

In a single-council district, if a majority of the voters in the county approve the question, then the district shall impose the tax. In a consolidated district, if a majority of voters in the district approve the tax rate, then the district shall impose the new tax rate. Revenues collected from the imposition of the tax authorized under this section shall be deposited into the special fund dedicated only for use by the district. If a majority of the voters in a single-council district do not approve the question, then the tax shall not be imposed. If a majority of the voters in a consolidated district do not approve the question, then the tax shall not be imposed in any county of the district."; and

Notwithstanding the above table, two consecutive sets of tandem axles may carry a gross load of thirty-four thousand pounds each if the overall distance between the first and last axles of such consecutive sets of tandem axles is thirty-six feet or more.

4. Whenever the state highways and transportation commission finds that any state highway bridge in the state is in such a condition that use of such bridge by vehicles of the weights specified in subsection 3 of this section will endanger the bridge, or the users of the bridge, the commission may establish maximum weight limits and speed limits for vehicles using such bridge. The governing body of any city or county may grant authority by act or ordinance to the state highways and transportation commission to enact the limitations established in this section on those roadways within the purview of such city or county. Notice of the weight limits and speed limits established by the commission shall be given by posting signs at a conspicuous place at each end of any such bridge.

5. Nothing in this section shall be construed as permitting lawful axle loads, tandem axle loads or gross loads in excess of those permitted under the provisions of Section 127 of Title 23 of the United States Code.

6. Notwithstanding the weight limitations contained in this section, any vehicle or combination of vehicles operating on highways other than the interstate highway system may exceed single axle, tandem axle and gross weight limitations in an amount not to exceed two thousand pounds. However, total gross weight shall not exceed eighty thousand pounds, except as provided in **[**subsection**]** **subsections** 9 **and 10** of this section.

7. Notwithstanding any provision of this section to the contrary, the department of transportation shall issue a single-use special permit, or upon request of the owner of the truck or equipment, shall issue an

annual permit, for the transporting of any concrete pump truck or well-drillers' equipment. The department of transportation shall set fees for the issuance of permits pursuant to this subsection. Notwithstanding the provisions of section 301.133, concrete pump trucks or well-drillers' equipment may be operated on state-maintained roads and highways at any time on any day.

8. Notwithstanding the provision of this section to the contrary, the maximum gross vehicle limit and axle weight limit for any vehicle or combination of vehicles equipped with an idle reduction technology may be increased by a quantity necessary to compensate for the additional weight of the idle reduction system as provided for in 23 U.S.C. Section 127, as amended. In no case shall the additional weight increase allowed by this subsection be greater than four hundred pounds. Upon request by an appropriate law enforcement officer, the vehicle operator shall provide proof that the idle reduction technology is fully functional at all times and that the gross weight increase is not used for any purpose other than for the use of idle reduction technology.

9. **(1)** Notwithstanding subsection 3 of this section or any other provision of law to the contrary, the total gross weight of any vehicle or combination of vehicles hauling livestock **or agricultural products not including local log trucks as defined in section 301.010** may be as much as, but shall not exceed, eighty-five thousand five hundred pounds **[**while operating on U.S. Highway 36 from St. Joseph to U.S. Highway 65, and on U.S. Highway 65 from the Iowa state line to U.S. Highway 36**]**. **The provisions of this subsection, however, shall not apply to vehicles operated on the Dwight D. Eisenhower System of Interstate and Defense Highways.**

(2) Any vehicle hauling greater than eighty thousand pounds under the provisions of this subsection, shall apply yearly to the department of transportation for a permit and upon payment of a twenty-five dollar fee, the department shall grant the applicant a permit. Upon renewal of the permit, an applicant shall submit to the department a list of roads traveled and the number of miles traveled on each road during the year.

10. Notwithstanding any provision of this section or any other law to the contrary, the total gross weight of any vehicle or combination of vehicles hauling milk from a farm to a processing facility may be as much as, but shall not exceed, eighty-five thousand five hundred pounds while operating on highways other than the interstate highway system."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

HOUSE AMENDMENT NO. 3

"304.120. 1. Municipalities, by ordinance, may establish reasonable speed regulations for motor vehicles within the limits of such municipalities. No person who is not a resident of such municipality and who has not been within the limits thereof for a continuous period of more than forty-eight hours, shall be convicted of a violation of such ordinances, unless it is shown by competent evidence that there was posted at the place where the boundary of such municipality joins or crosses any highway a sign displaying in black letters not less than four inches high and one inch wide on a white background the speed fixed by such municipality so that such sign may be clearly seen by operators and drivers from their vehicles upon entering such municipality.

2. Municipalities, by ordinance, may:

(1) Make additional rules of the road or traffic regulations to meet their needs and traffic conditions;

(2) Establish one-way streets and provide for the regulation of vehicles thereon;

(3) Require vehicles to stop before crossing certain designated streets and boulevards;

(4) Limit the use of certain designated streets and boulevards to passenger vehicles**, except that each municipality shall allow at least one street, with lawful traffic movement and access from both directions, to be available for use by commercial vehicles to access any roads in the state highway system. Under no circumstances shall the provisions of this subdivision be construed to authorize municipalities to limit the use of all streets in the municipality**;

(5) Prohibit the use of certain designated streets to vehicles with metal tires, or solid rubber tires;

(6) Regulate the parking of vehicles on streets by the installation of parking meters for limiting the time of parking and exacting a fee therefor or by the adoption of any other regulatory method that is reasonable and practical, and prohibit or control left-hand turns of vehicles;

(7) Require the use of signaling devices on all motor vehicles; and

(8) Prohibit sound producing warning devices, except horns directed forward.

3. No ordinance shall be valid which contains provisions contrary to or in conflict with this chapter, except as herein provided.

4. No ordinance shall impose liability on the owner-lessor of a motor vehicle when the vehicle is being permissively used by a lessee and is illegally parked or operated if the registered owner-lessor of such vehicle furnishes the name, address and operator's license number of the person renting or leasing the vehicle at the time the violation occurred to the proper municipal authority within three working days from the time of receipt of written request for such information. Any registered owner-lessor who fails or refuses to provide such information within the period required by this subsection shall be liable for the imposition of any fine established by municipal ordinance for the violation. Provided, however, if a leased motor vehicle is illegally parked due to a defect in such vehicle, which renders it inoperable, not caused by the fault or neglect of the lessee, then the lessor shall be liable on any violation for illegal parking of such vehicle.

5. No ordinance shall deny the use of commercial vehicles on all streets within the municipality.

Further amend page, Section 304.289, Line 8, by inserting after all of said line the following:

2. No individual or business entity shall be subject to any civil action in law or equity for a public or private nuisance on the basis of such individual or business entity legally using vehicles on a public street or highway. Any actions by a court in this state to enjoin the use of a public street or highway in violation of this section and any damages awarded or imposed by a court, or assessed by a jury, against an individual or business entity for public or private nuisance in violation of this section shall be null and void.

3. Notwithstanding any other provision of law, nothing in this section shall be construed to limit civil liability for compensatory damages arising from physical injury to another human being."; and

Amounts received by the director for temporary permits shall constitute state revenue; however, amounts received by an authorized producer other than the director shall not constitute state revenue and any amounts received by dealers or authorized agents for temporary permits purchased from a producer other than the director shall not constitute state revenue. In no event shall revenues from the general revenue fund or any other state fund be utilized to compensate motor vehicle dealers or other producers for their role in producing temporary permits as authorized under this section. Amounts that do not constitute state revenue under this section shall also not constitute fees for registration or certificates of title to be collected by the director under section 301.190**. No dealer or authorized agent shall charge more than **[**seven dollars and fifty cents**]** **five dollars** for each permit issued. The permit shall be valid for a period of thirty days from the date of purchase of a motor vehicle or trailer, or from the date of sale of the motor vehicle or trailer by a dealer for which the purchaser obtains a permit as set out above. No permit shall be issued for a vehicle under this section unless the buyer shows proof of financial responsibility.

[6.**]** **5.** The permit shall be issued on a form prescribed by the director and issued only for the applicant's **[**use in the**]** **temporary** operation of the motor vehicle or trailer purchased to enable the applicant to **[**legally**]** **temporarily** operate the vehicle while proper title and registration **[**plate**]** **plates** are being obtained**, or while awaiting receipt of registration plates**, and shall be displayed on no other vehicle. Temporary permits issued pursuant to this section shall not be transferable or renewable and shall not be valid upon issuance of proper registration plates for the motor vehicle or trailer. The director shall determine the size **[**and**]**, **material, design, reporting and tracking method to the Missouri uniform law enforcement system,** numbering configuration, construction, and color of the permit. **The director, at his or her discretion, shall have the authority to reissue, and thereby extend the use of, a temporary permit previously and legally issued for a motor vehicle or trailer while proper title and registration are being obtained.**

[7. The dealer or authorized agent shall insert the date of issuance and expiration date, year, make, and manufacturer's number of vehicle on the permit when issued to the buyer. The dealer shall also insert such dealer's number on the permit.**]**

6. Every dealer that issues **[**a**]** temporary **[**permit**]** **permits** shall keep, for inspection **[**of**]** **by** proper

[8.**] 7.** Upon the transfer of ownership of any currently registered motor vehicle wherein the owner cannot transfer the license plates due to a change of vehicle category, the owner may surrender the license plates issued to the motor vehicle and receive credit for any unused portion of the original registration fee against the registration fee of another motor vehicle. Such credit shall be granted based upon the date the license plates are surrendered. No refunds shall be made on the unused portion of any license plates surrendered for such credit.

8. The director may promulgate all necessary rules and regulations for the administration of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2012, shall be invalid and void.

301.147. 1. Notwithstanding the provisions of section 301.020 to the contrary, beginning July 1, 2000, the director of revenue may provide owners of motor vehicles, other than commercial motor vehicles licensed in excess of **[**twelve**] fifty-four** thousand pounds gross weight, the option of biennially registering motor vehicles. Any vehicle manufactured as an even-numbered model year vehicle shall be renewed each even-numbered calendar year and any such vehicle manufactured as an odd-numbered model year vehicle shall be renewed each odd-numbered calendar year, subject to the following requirements:

(1) The fee collected at the time of biennial registration shall include the annual registration fee plus a pro rata amount for the additional twelve months of the biennial registration;

2. The director of revenue may prescribe rules and regulations for the effective administration of this section. The director is authorized to adopt those rules that are reasonable and necessary to accomplish the limited duties specifically delegated within this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is promulgated pursuant to the authority delegated in this section shall become effective only if it has been promulgated pursuant to the provisions of chapter 536. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after July 1, 2000, shall be invalid and void.

3. The director of revenue shall have the authority to stagger the registration period of motor vehicles other than commercial motor vehicles licensed in excess of twelve thousand pounds gross weight. Once the owner of a motor vehicle chooses the option of biennial registration, such registration must be maintained

The department shall not require a copy of the franchise agreement to be submitted with each renewal application unless the applicant is now the holder of a franchise from a different manufacturer or distributor from that previously filed, or unless a new term of agreement has been entered into;

(4) When the application is for a public motor vehicle auction, that the public motor vehicle auction has met the requirements of section 301.561.

4. No insurance company, finance company, credit union, savings and loan association, bank or trust company shall be required to obtain a license from the department in order to sell any motor vehicle, trailer or vessel repossessed or purchased by the company on the basis of total destruction or theft thereof when the sale of the motor vehicle, trailer or vessel is in conformance with applicable title and registration laws of this state.

3. Every retailer within the jurisdiction of one or more taxing entities which has imposed one or more local sales taxes under the local sales tax law shall add all taxes so imposed along with the tax imposed by the sales tax law of the state of Missouri to the sale price and, when added, the combined tax shall constitute a part of the price, and shall be a debt of the purchaser to the retailer until paid, and shall be recoverable at law in the same manner as the purchase price. The combined rate of the state sales tax and all local sales taxes shall be the sum of the rates, multiplying the combined rate times the amount of the sale.

4. The brackets required to be established by the director of revenue under the provisions of section 144.285 shall be based upon the sum of the combined rate of the state sales tax and all local sales taxes imposed under the provisions of the local sales tax law.

7. All applicable provisions contained in sections 144.010 to 144.525 governing the state sales tax and section 32.057, the uniform confidentiality provision, shall apply to the collection of any local sales tax imposed under the local sales tax law except as modified by the local sales tax law.

8. All exemptions granted to agencies of government, organizations, persons and to the sale of certain articles and items of tangible personal property and taxable services under the provisions of sections

144.010 to 144.525, as these sections now read and as they may hereafter be amended, it being the intent of this general assembly to ensure that the same sales tax exemptions granted from the state sales tax law also be granted under the local sales tax law, are hereby made applicable to the imposition and collection of all local sales taxes imposed under the local sales tax law.

12. (1) For the purposes of any local sales tax imposed by an ordinance or order under the local sales tax law, all sales, except the sale of motor vehicles, trailers, boats, and outboard motors, shall be deemed to be consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his agent to an out-of-state destination. In the event a retailer has more than one place of business in this state which participates in the sale, the sale shall be deemed to be consummated at the place of business of the retailer where the initial order for the tangible personal property is taken, even though the order must be forwarded elsewhere for acceptance, approval of credit, shipment or billing. A sale by a retailer's agent or employee shall be deemed to be consummated at the place of business from which he works.

(2) For the purposes of any local sales tax imposed by an ordinance or order under the local sales tax law, all sales of motor vehicles, trailers, boats, and outboard motors shall be deemed to be consummated at the residence of the purchaser and not at the place of business of the retailer, or the place of business from which the retailer's agent or employee works.

13. Local sales taxes imposed pursuant to the local sales tax law on the purchase and sale of motor vehicles, trailers, boats, and outboard motors shall not be collected and remitted by the seller, but shall be collected by the director of revenue at the time application is made for a certificate of title, if the address of the applicant is within a taxing entity imposing a local sales tax under the local sales tax law.

14. The director of revenue and any of **[**his**] the director's** deputies, assistants and employees who have any duties or responsibilities in connection with the collection, deposit, transfer, transmittal, disbursement, safekeeping, accounting, or recording of funds which come into the hands of the director of revenue under the provisions of the local sales tax law shall enter a surety bond or bonds payable to any and all taxing entities in whose behalf such funds have been collected under the local sales tax law in the amount of one

hundred thousand dollars for each such tax; but the director of revenue may enter into a blanket bond covering **[**himself**]** **the director** and all such deputies, assistants and employees. The cost of any premium for such bonds shall be paid by the director of revenue from the share of the collections under the sales tax law retained by the director of revenue for the benefit of the state.

16. Within the boundaries of any taxing entity where one or more local sales taxes have been imposed, if any person is delinquent in the payment of the amount required to be paid by **[**him**]** **such person** under the local sales tax law or in the event a determination has been made against **[**him**]** **such person** for taxes and penalty under the local sales tax law, the limitation for bringing suit for the collection of the delinquent tax and penalty shall be the same as that provided in sections 144.010 to 144.525. 17. Where property is seized by the director of revenue under the provisions of any law authorizing seizure of the property of a taxpayer who is delinquent in payment of the tax imposed by the state sales tax law, and where such taxpayer is also delinquent in payment of any tax imposed by the local sales tax law, the director of revenue shall permit the taxing entity to join in any sale of property to pay the delinquent taxes and penalties due the state and to the taxing entity under the local sales tax law. The proceeds from such sale shall first be applied to all sums due the state, and the remainder, if any, shall be applied to all sums due such taxing entity.

18. If a local sales tax has been in effect for at least one year under the provisions of the local sales tax law and voters approve reimposition of the same local sales tax at the same rate at an election as provided for in the local sales tax law prior to the date such tax is due to expire, the tax so reimposed shall become effective the first day of the first calendar quarter after the director receives a certified copy of the ordinance, order or resolution accompanied by a map clearly showing the boundaries thereof and the results of such election, provided that such ordinance, order or resolution and all necessary accompanying materials are received by the director at least thirty days prior to the expiration of such tax. Any administrative cost or expense incurred by the state as a result of the provisions of this subsection shall be paid by the city or county reimposing such tax

32.088. 1. Beginning January 1, 2013, the possession of a statement from the department of revenue stating no tax, applicable to the business seeking to issue or renew its license, is due under chapters 142, 143, 144, 147, and 149, and that no fees are due under section 260.262 or 260.273, shall be a prerequisite to the issuance or renewal of any city or county occupation license or any state license required for conducting any business unless the owner is by law subject at least biennially to

a state tax check for purposes of retaining a professional license under sections 168.071, 324.010 and 484.053. The statement of no tax due shall be dated no longer than ninety days before the date of submission for application or renewal of the city or county license.

2. Beginning January 1, 2013, in lieu of subsection 1 of this section, the director shall, as soon as practical thereafter, enter into an agreement with any state agency responsible for issuing any state license for conducting any business requiring the agency to provide the director of revenue with the name and Missouri tax identification number of each applicant for licensure within one month of the date the application is filed or at least one month prior to the anticipated renewal of a licensee's license. If such licensee is delinquent on any taxes under chapters 142, 143, 144, 147, and 149, or fees under section 260.262 or 260.273, the director shall then send notice to each such entity and licensee. In the case of such delinquency or failure to file, the licensee's license shall be suspended within ninety days after notice of such delinquency or failure to file, unless the director of revenue verifies that such delinquency or failure has been remedied or arrangements have been made to achieve such remedy. The director of revenue shall, within ten business days of notification to the governmental entity issuing the license that the delinquency has been remedied or arrangements have been made to remedy such delinquency, send written notification to the licensee that the delinquency has been remedied. Tax liability paid in protest or reasonably founded disputes with such liability shall be considered paid for the purposes of this section.

32.383. 1. Notwithstanding the provisions of any other law to the contrary, with respect to taxes administered by the department of revenue and imposed in this chapter and chapters 143, 144, and 147, an amnesty from the assessment or payment of all penalties, additions to tax, and interest shall apply with respect to unpaid taxes or taxes due and owing reported and paid in full from August 1, 2012, to October 31, 2012, regardless of whether previously assessed, except for penalties, additions to tax, and interest paid before August 1, 2012. The amnesty shall apply only to state tax liabilities due or due but unpaid on or before December 31, 2011, and shall not extend to any taxpayer who at the time of payment is a party to any criminal investigations or to any civil or criminal litigation that is pending in any court of the United States or this state for nonpayment, delinquency, or fraud in relation to any state tax imposed by this state.

2. Upon written application by the taxpayer, on forms prescribed by the director of revenue, and upon compliance with the provisions of this section, the department of revenue shall not seek to collect any penalty, addition to tax, or interest that may be applicable. The department of revenue shall not seek civil or criminal prosecution for any taxpayer for the taxable period for which the amnesty has been granted unless subsequent investigation or audit shows that the taxpayer engaged in fraudulent or criminal conduct in applying for amnesty.

3. Amnesty shall be granted only to those taxpayers who have applied for amnesty within the period stated in this section, who have filed a tax return for each taxable period for which amnesty is requested, who have paid the entire balance due by October 31, 2012, and who agree to comply with state tax laws for the next eight years from the date of the agreement. No taxpayer shall be entitled to a waiver of any penalty, addition to tax, or interest under this section unless full payment of the tax due is made in accordance with rules established by the director of revenue.

4. All taxpayers granted amnesty under this section shall comply with this state's tax laws for the eight years following the date of the amnesty agreement. If any such taxpayer fails to comply with all

of this state's tax laws at any time during the eight years following the date of the agreement, all penalties, additions to tax, and interest that were waived under the amnesty agreement shall become due and owing immediately.

5. If a taxpayer elects to participate in the amnesty program established in this section as evidenced by full payment of the tax due as established by the director of revenue, that election shall constitute an express and absolute relinquishment of all administrative and judicial rights of appeal. No tax payment received under this section shall be eligible for refund or credit.

6. Nothing in this section shall be interpreted to disallow the department of revenue to adjust a taxpayer's tax return as a result of any state or federal audit.

7. All tax payments received as a result of the amnesty program established in this section, other than revenues earmarked by the Constitution of Missouri or this state's statutes, shall be deposited in the state general revenue fund. The department must track all payments received and submit a report, no later than December 31, 2012, to the speaker of the house of representatives and the president pro tem in the senate.

8. The department may promulgate rules or issue administrative guidelines as are necessary to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly under chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after July 1, 2012, shall be invalid and void.

9. This section shall become effective on July 1, 2012, and shall expire on December 31, 2015.

(1) The full name and address of the person and any other names known to be used by the person;

(2) The Social Security number or tax identification number;

(3) The amount of the tax or nontax liability;

(4) A statement that the debt is past due and legally enforceable in the amount certified; and

(5) Any other information required by federal statute or regulation applicable to the collection of the debt by offset of federal payments.

8. Any other provisions of law to the contrary notwithstanding, the director of revenue and the commissioner of administration shall have the authority to enter into reciprocal agreements with any other state which extends a like comity to this state to set off offset from state tax refunds and from payments otherwise due to vendors and contractors providing goods or services to state departments, agencies, or other state agencies nontax debt for debts due the other state that extends a like comity to this state.

32.410. As used in sections 32.410 to 32.460, the following terms shall mean:

(1) "Debt", an amount owed to the state directly or through a state agency, on account of a fee, duty, lease, direct loan, loan insured or guaranteed by the state, rent, service, sale of real or personal property, overpayment, fine, assessment, penalty, restitution, damages, interest, tax, bail bond, forfeiture, reimbursement, liability owed, an assignment, recovery of costs incurred by the state, or any other source of indebtedness to the state;

(2) "Debtor", an individual, a corporation, a partnership, an unincorporated association, a limited liability company, a trust, an estate, or any other public or private entity, including a state, local, or federal government, or an Indian tribe, that is liable for a debt or against whom there is a claim for a debt;

(3) "Department", the department of revenue;

(4) "State agency", any division, board, commission, office, or other agency of the state of Missouri, including public community college districts and any state or municipal court.

32.420. 1. Notwithstanding any other provision of law to the contrary, all state agencies may refer to the department for collection debts owed to them. The department may provide collection services on debts referred to the department by a state agency. This authority shall not supersede the authority granted to the attorney general under section 27.060 or any other statute.

2. A referring agency may refer the debt to the department for collection at any time after a debt

becomes delinquent and uncontested and the debtor shall have no further administrative appeal of the amount of the debt. Methods and procedures for referral shall be governed by an agreement between the referring agency and the department.

3. The collection procedures and remedies under this chapter are in addition to any other procedure or remedy available by law. If the state agency's applicable state or federal law requires the use of a particular remedy or procedure for the collection of a debt, that particular remedy or procedure shall govern the collection of that debt to the extent the procedure or remedy is inconsistent with this chapter.

4. The state agency shall send notice to the debtor by United States mail at the debtor's last known address at least twenty days before the debt is referred to the department. The notice shall state the nature and amount of the debt, identify to whom the debt is owed, and inform the debtor of the remedies available under this chapter or the state agency's own procedures.

32.430. 1. Except as otherwise provided in this section, the department shall have the authority to use all general remedies afforded creditors of this state in collection of debt as well as any remedies afforded the state agency referring the debt and to the state in general as a creditor. The department shall not have authority to prosecute or defend civil actions on behalf of any other state agency, except as necessary to defend any challenges made to actions under section 140.910 or 143.902 for a debt referred by a state agency or to prosecute an action under subsection 10 of section 140.910.

2. In addition to the remedies identified in sections 32.410 to 32.460, the department may use the collection remedies afforded under sections 140.910 and 143.902 in the collection of any state debt referred to the department.

3. The department may employ department staff and attorneys, and at the department's discretion, prosecuting attorneys and private collection agencies as authorized in sections 136.150 and 140.850 in seeking collection of debts referred to the department by a state agency

32.440. 1. The department shall add to the amount of debt referred to the department by a state agency the cost of collection which shall be ten percent of the total debt referred by the state agency. The department shall have the same authority to collect the cost of collection as the department has in collecting the debt referred by the state agency.

2. The cost of collection shall only be waived when:

(1) Within thirty days after the initial notice to the debtor by the department, the debtor establishes to the department reasonable cause for the failure to pay the debt prior to referral of the debt to the department, enters into an agreement satisfactory to the department to pay the debt in full, and fully abides by the terms of that agreement;

(2) A good faith dispute as to the legitimacy or the amount of the debt exists, and payment is remitted or an agreement satisfactory to the department to pay the debt in full is entered into within thirty days after resolution of the dispute, and the debtor fully abides by the terms of that agreement; or

(3) Collection costs have been added by the state agency and are included in the amount of the referred debt.

3. If the department collects an amount less than the total due, the payment shall be applied

proportionally to collection costs and the underlying debt unless the department has waived this requirement for certain categories of debt. Collection costs collected by the department under this section shall be deposited in the general revenue fund.

32.450. The department may compromise state debt referred to the department in accordance with section 32.378 and any agreement with the referring agency.

32.460. The department and state agencies, including the judiciary, may exchange such information, including the debtor's Social Security number, as is necessary for the successful collection of the state debt referred. The referring agency shall follow all applicable federal and state laws regarding the confidentiality of information and records regarding the debtor. The confidentiality laws applicable to the particular information received and retained by each agency shall apply to the employees of such state agency and to the department when such information has been forwarded to the department."

105.716. 1. Any investigation, defense, negotiation, or compromise of any claim covered by sections 105.711 to 105.726 shall be conducted by the attorney general; provided, that in the case of any claim against the department of conservation, the department of transportation or a public institution which awards baccalaureate degrees, or any officer or employee of such department or such institution, any investigation, defense, negotiation, or compromise of any claim covered by sections 105.711 to 105.726 shall be conducted by legal counsel provided by the respective entity against which the claim is made or which employs the person against whom the claim is made.

In the case of any payment from the state legal expense fund based upon a claim or judgment against the department of conservation, the department of transportation or any officer or employee thereof, the department so affected shall immediately transfer to the state legal expense fund from the department funds a sum equal to the amount expended from the state legal expense fund on its behalf.

2. All persons and entities protected by the state legal expense fund shall cooperate with the attorneys conducting any investigation and preparing any defense under the provisions of sections 105.711 to 105.726 by assisting such attorneys in all respects, including the making of settlements, the securing and giving of evidence, and the attending and obtaining witness to attend hearings and trials. Funds in the state legal expense fund shall not be used to pay claims and judgments against those persons and entities who do not cooperate as required by this subsection.

3. The provisions of sections 105.711 to 105.726 notwithstanding, the attorney general may investigate, defend, negotiate, or compromise any claim covered by sections 105.711 to 105.726 against any public institution which awards baccalaureate degrees whose governing body has declared a state of financial exigency.

4. Notwithstanding the provisions of subsection 2 of section 105.711, funds in the state legal expense fund may be expended prior to the payment of any claim or any final judgment to pay costs of defense, including reasonable attorney's fees for retention of legal counsel, when the attorney general determines that a conflict exists or particular expertise is required, and also to pay for related legal expenses including medical examination fees, expert witness fees, court reporter expenses, travel costs and ancillary legal expenses incurred prior to the payment of a claim or any final judgment.

5. Notwithstanding any other provision of law to the contrary, except for payments of less than ten thousand dollars for property damage, no funds shall be expended from the state legal expense

fund for settlement of any liability claim except upon the production of a no tax due statement from the department of revenue by the party making claim or having judgment under section 105.711, which shall be satisfied from such fund. If the party is found by the director of revenue to owe a delinquent tax debt to the state of Missouri under the revenue laws of this state, after the payment of attorney's fees and expenses associated with liability of the fund to the party, any remaining funds to be paid to the party from the state legal expense fund shall be offset to satisfy such tax debt before payment is made to the party making claim or having judgment.

140.910. 1. In addition to any other remedy provided by law for the collection of delinquent taxes due the state of Missouri, if the director has filed a certificate of lien in the circuit court as provided by section 143.902, 144.380, or 144.690, the director or the director's designee may issue an order directing any person, after the payment of attorney fees and expenses associated with creating the proceeds belonging to, due, or to become due to the taxpayer, to withhold and pay over to the department assets belonging to, due, or to become due the taxpayer. The director or the director's designee shall not issue the administrative garnishment if the taxpayer has entered into a written agreement with the department for an alternative payment arrangement and the taxpayer is in compliance with the agreement.

2. An order entered under this section shall be served on the person or other legal entity either by regular mail or by certified mail, return receipt requested, or may be issued through electronic means, and shall be binding on the employer or other payor two weeks after mailing or electronic issuance of such service. The person or other entity in possession of assets belonging to, due, or to become due the taxpayer may deduct an additional sum not to exceed six dollars per month as reimbursement for costs, except that the total amount withheld shall not exceed the limitations contained in the federal Consumer Credit Protection Act, 15 U.S.C. Section 1673, as amended.

3. A copy of the order shall be mailed to the taxpayer at the taxpayer's last known address. The notice shall advise the taxpayer that the administrative garnishment has commenced and the procedures to contest such garnishment on the grounds that such garnishment is improper due to a mistake of fact by requesting a hearing within thirty days from mailing or electronic issuance of the notice. At such a hearing the certified records of the department shall constitute prima facie evidence that the director's order is valid and enforceable. If a prima facie case is established, the obligor may only assert as a defense mistake as to the identity of the taxpayer, mistake as to payments made, or existence of an alternative payment agreement for which no default has occurred. The taxpayer shall have the burden of proof on such issues. The taxpayer may obtain relief from the garnishment by paying the amount owed.

4. An employer or other payor shall withhold from the earnings or other income of each taxpayer the amount specified in the order. The employer or other payor shall transmit the payments as directed in the order within ten business days of the date the earnings, money due, or other income was payable to the taxpayer. For purposes of this section, "business day" means a day that state offices are open for regular business. The employer or other payor shall, along with the amounts transmitted, provide the date the amount was withheld from the taxpayer.

5. An order issued under subsection 1 of this section shall be a continuing order and shall remain in effect and be binding upon any employer or other payor upon whom it is directed until a further order of the director. The director shall notify an employer or other payor upon whom such an order

has been directed whenever the deficiency is paid in full.

6. If the order is served on a person other than an employer or other payor, it shall be a lien against any money belonging to the taxpayer that is in the possession of the person on the date of service. The person other than an employer or other payor shall pay over any assets within ten business days of the service date of the order. A financial institution ordered to surrender an account shall be entitled to collect its normally scheduled account activity surcharges to maintain the account during the period of time the account is garnished. For purposes of this section, the interest of the taxpayer in any joint financial accounts shall be presumed to be equal to all other joint owners.

7. An order issued under subsection 1 of this section shall have priority over any other legal process under state law against the same income or other asset, except that where the other legal process is an order issued under section 452.350, 454.505, or 454.507, the withholding for child support shall have priority.

8. No person who complies with an order entered under this section shall be liable to the taxpayer, or to any other person claiming rights derived from the taxpayer, for wrongful withholding. A person who fails or refuses to withhold or pay the amounts as ordered under this section shall be liable to the state in a sum equal to the value of the wages or property not surrendered, but not to exceed the amount of tax deficiency. The director is hereby authorized to bring an action in circuit court to determine the liability of a person for failure to withhold or pay the amounts as ordered. If a court finds that a violation has occurred, the court may fine the person in an amount not to exceed five hundred dollars. The court may also enter a judgment against the person or other legal entity for the amounts to be withheld or paid, court costs, and reasonable attorney's surcharges.

9. The remedy provided by this section shall be available where the state or any of its political subdivisions is the employer or other payor of the taxpayer in the same manner and to the same extent as where the employer or other payor is a private party.

10. An employer shall not discharge, or refuse to hire or otherwise discipline, an employee as a result of an order to withhold and pay over certain money authorized by this section. If any such employee is discharged within thirty days of the date upon which an order to withhold and pay over certain money is to take effect, there shall arise a rebuttable presumption that such discharge was a result of such order. This presumption shall be overcome only by clear, cogent, and convincing evidence produced by the employer that the employee was not terminated because of the order to withhold and pay over certain money. The director or the director's designee is hereby authorized to bring an action in circuit court to determine whether the discharge constitutes a violation of this subsection. If the court finds that a violation has occurred, the court may enter an order against the employer requiring reinstatement of the employee and may fine the employer in an amount not to exceed five hundred dollars. Further, the court may enter judgment against the employer for the back wages, costs, attorney's surcharges, and for the amount of taxes that should have been withheld and paid over during the period of time the employee was wrongfully discharged.

11. If a taxpayer for whom an order to withhold has been issued under subsection 1 of this section terminates the taxpayer's employment, the employer shall, within ten days of the termination, notify the department of the termination, shall provide to the department the last known address of the taxpayer, if known to the employer, and shall provide to the department the name and address of the taxpayer's new employer, if known. The director or the director's designee may issue an order to the

new employer as provided in subsection 1 of this section.

12. For purposes of this section, "assets" include, but are not limited to, currency, any financial account or other liquid asset, and any income or other periodic form of payment due to a taxpayer regardless of source, including, but not limited to, wages, salaries, commissions, bonuses, workers' compensation benefits, disability benefits, payments pursuant to a pension or a retirement program, and interest.

144.190. 1. If a tax has been incorrectly computed by reason of a clerical error or mistake on the part of the director of revenue, such fact shall be set forth in the records of the director of revenue, and the amount of the overpayment shall be credited on any taxes then due from the person legally obligated to remit the tax pursuant to sections 144.010 to 144.525, and the balance shall be refunded to the person legally obligated to remit the tax, such person's administrators or executors, as provided for in section 144.200.

2. If any tax, penalty or interest has been paid more than once, or has been erroneously or illegally collected, or has been erroneously or illegally computed, such sum shall be credited on any taxes then due from the person legally obligated to remit the tax pursuant to sections 144.010 to 144.525, and the balance, with interest as determined by section 32.065, shall be refunded to the person legally obligated to remit the tax, but no such credit or refund shall be allowed unless duplicate copies of a claim for refund are filed within three years from date of overpayment. **If a taxpayer applying for a refund under the provisions of this section submits a written request for the director to hold a refund claim unprocessed pending the outcome of legal proceedings on the same or similar grounds or transactions, and agrees that the taxpayer's claim will be bound by the outcome of such legal proceeding should the outcome of such proceeding be adverse to the taxpayer's position, the director shall hold such refund claim unprocessed pending the outcome of such legal proceedings on the same or similar grounds or transactions. Notwithstanding any provision of section 32.069 to the contrary, interest shall not accrue on any refund for the time period such refund claim is held at the request of the taxpayer applying for a refund under the provisions of this subsection. If the seller did not file a return with the director for the period for which the refund is claimed and remit payment as shown on the return, the director shall not issue the refund to the purchaser.**

3. Every claim for refund must be in writing and signed by the applicant, and must state the specific grounds upon which the claim is founded. Any refund or any portion thereof which is erroneously made, and any credit or any portion thereof which is erroneously allowed, may be recovered in any action brought by the director of revenue against the person legally obligated to remit the tax. In the event that a tax has been illegally imposed against a person legally obligated to remit the tax, the director of revenue shall authorize the cancellation of the tax upon the director's record.

4. **Notwithstanding the provisions of section 32.057, a purchaser that originally paid sales or use tax to a vendor or seller may submit a refund claim directly to the director of revenue for such sales or use taxes paid to such vendor or seller and remitted to the director, provided no sum shall be refunded more than once, any such claim shall be subject to any offset, defense, or other claim the director otherwise would have against either the purchaser or vendor or seller, and such claim for refund is accompanied by either:**

(1) A notarized assignment of rights statement by the vendor or seller to the purchaser allowing the purchaser to seek the refund on behalf of the vendor or seller. An assignment of rights statement shall contain the Missouri sales or use tax registration number of the vendor or seller, a list of the

transactions covered by the assignment, the tax periods and location for which the original sale was reported to the director of revenue by the vendor or seller, and a notarized statement signed by the vendor or seller affirming that the vendor or seller has not received a refund or credit, will not apply for a refund or credit of the tax collected on any transactions covered by the assignment, and authorizes the director to amend the seller's return to reflect the refund; or

(2) In the event the vendor or seller fails or refuses to provide an assignment of rights statement within sixty days from the date of such purchaser's written request to the vendor or seller, or the purchaser is not able to locate the vendor or seller or the vendor or seller is no longer in business, the purchaser may provide the director a notarized statement confirming the efforts that have been made to obtain an assignment of rights from the vendor or seller. Such statement shall contain a list of the transactions covered by the assignment, the tax periods and location for which the original sale was reported to the director of revenue by the vendor or seller.

The director shall not require such vendor, seller, or purchaser to submit amended returns for refund claims submitted under the provisions of this subsection. Notwithstanding the provisions of section 32.057, if the seller is registered with the director for collection and remittance of sales tax, the director shall notify the seller at the seller's last known address of the claim for refund. If the seller objects to the refund within thirty days of the date of the notice, the director shall not pay the refund. If the seller agrees that the refund is warranted or fails to respond within thirty days, the director may issue the refund and amend the seller's return to reflect the refund. For purposes of section 32.069, the refund claim shall not be considered to have been filed until the seller agrees that the refund is warranted or thirty days after the date the director notified the seller and the seller failed to respond.

5. Notwithstanding the provisions of section 32.057, when a vendor files a refund claim on behalf of a purchaser and such refund claim is denied by the director, notice of such denial and the reason for the denial shall be sent by the director to the vendor and each purchaser whose name and address is submitted with the refund claim form filed by the vendor. A purchaser shall be entitled to appeal the denial of the refund claim within sixty days of the date such notice of denial is mailed by the director as provided in section 144.261. The provisions of this subsection shall apply to all refund claims filed after August 28, 2012. The provisions of this subsection allowing a purchaser to appeal the director's decision to deny a refund claim shall also apply to any refund claim denied by the director on or after January 1, 2007, if an appeal of the denial of the refund claim is filed by the purchaser no later than September 28, 2012, and if such claim is based solely on the issue of the exemption of the electronic transmission or delivery of computer software.

6. Notwithstanding the provisions of this section, the director of revenue shall authorize direct-pay agreements to purchasers which have annual purchases in excess of seven hundred fifty thousand dollars pursuant to rules and regulations adopted by the director of revenue. For the purposes of such direct-pay agreements, the taxes authorized pursuant to chapters 66, 67, 70, 92, 94, 162, 190, 238, 321, and 644 shall be remitted based upon the location of the place of business of the purchaser.

[5.**]** **7.** Special rules applicable to error corrections requested by customers of mobile telecommunications service are as follows:

(1) For purposes of this subsection, the terms "customer", "home service provider", "place of primary use", "electronic database", and "enhanced zip code" shall have the same meanings as defined in the Mobile

Telecommunications Sourcing Act incorporated by reference in section 144.013;

(2) Notwithstanding the provisions of this section, if a customer of mobile telecommunications services believes that the amount of tax, the assignment of place of primary use or the taxing jurisdiction included on a billing is erroneous, the customer shall notify the home service provider, in writing, within three years from the date of the billing statement. The customer shall include in such written notification the street address for the customer's place of primary use, the account name and number for which the customer seeks a correction of the tax assignment, a description of the error asserted by the customer and any other information the home service provider reasonably requires to process the request;

(3) Within sixty days of receiving the customer's notice, the home service provider shall review its records and the electronic database or enhanced zip code to determine the customer's correct taxing jurisdiction. If the home service provider determines that the review shows that the amount of tax, assignment of place of primary use or taxing jurisdiction is in error, the home service provider shall correct the error and, at its election, either refund or credit the amount of tax erroneously collected to the customer for a period of up to three years from the last day of the home service provider's sixty-day review period. If the home service provider determines that the review shows that the amount of tax, the assignment of place of primary use or the taxing jurisdiction is correct, the home service provider shall provide a written explanation of its determination to the customer.

[6.**] 8.** For all refund claims submitted to the department of revenue on or after September 1, 2003, notwithstanding any provision of this section to the contrary, if a person legally obligated to remit the tax levied pursuant to sections 144.010 to 144.525 has received a refund of such taxes for a specific issue and submits a subsequent claim for refund of such taxes on the same issue for a tax period beginning on or after the date the original refund check issued to such person, no refund shall be allowed. This subsection shall not apply and a refund shall be allowed if an additional refund claim is filed due to any of the following:

(1) Receipt of additional information or an exemption certificate from the purchaser of the item at issue;

(2) A decision of a court of competent jurisdiction or the administrative hearing commission; or

(3) Changes in regulations or policy by the department of revenue.

[7.**] 9.** Notwithstanding any provision of law to the contrary, the director of revenue shall respond to a request for a binding letter ruling filed in accordance with section 536.021 within sixty days of receipt of such request. If the director of revenue fails to respond to such letter ruling request within sixty days of receipt by the director, the director of revenue shall be barred from pursuing collection of any assessment of sales or use tax with respect to the issue which is the subject of the letter ruling request. For purposes of this subsection, the term "letter ruling" means a written interpretation of law by the director to a specific set of facts provided by a specific taxpayer or his or her agent.

[8.**] 10.** If any tax was paid more than once, was incorrectly collected, or was incorrectly computed, such sum shall be credited on any taxes then due from the person legally obligated to remit the tax pursuant to sections 144.010 to 144.510, against any deficiency or tax due discovered through an audit of the person by the department of revenue through adjustment during the same tax filing period for which the audit applied."; and

HOUSE AMENDMENT NO. 7

Amend Senate Bill No. 611, Page 1, Section A , Line 2, by inserting after all of said section and line the following:

"302.341. 1. If a Missouri resident charged with a moving traffic violation of this state or any county or municipality of this state fails to dispose of the charges of which the resident is accused through authorized prepayment of fine and court costs and fails to appear on the return date or at any subsequent date to which the case has been continued, or without good cause fails to pay any fine or court costs assessed against the resident for any such violation within the period of time specified or in such installments as approved by the court or as otherwise provided by law, any court having jurisdiction over the charges shall within ten days of the failure to comply inform the defendant by ordinary mail at the last address shown on the court records that the court will order the director of revenue to suspend the defendant's driving privileges if the charges are not disposed of and fully paid within thirty days from the date of mailing. Thereafter, if the defendant fails to timely act to dispose of the charges and fully pay any applicable fines and court costs, the court shall notify the director of revenue of such failure and of the pending charges against the defendant. Upon receipt of this notification, the director shall suspend the license of the driver, effective immediately, and provide notice of the suspension to the driver at the last address for the driver shown on the records of the department of revenue. Such suspension shall remain in effect until the court with the subject pending charge requests setting aside the noncompliance suspension pending final disposition, or satisfactory evidence of disposition of pending charges and payment of fine and court costs, if applicable, is furnished to the director by the individual. Upon proof of disposition of charges and payment of fine and court costs, if applicable, and payment of the reinstatement fee as set forth in section 302.304, the director shall return the license and remove the suspension from the individual's driving record **if the individual was not**

operating a commercial motor vehicle or a commercial driver's license holder at the time of the offense. The filing of financial responsibility with the bureau of safety responsibility, department of revenue, shall not be required as a condition of reinstatement of a driver's license suspended solely under the provisions of this section.

2. If any city, town or village receives more than thirty-five percent of its annual general operating revenue from fines and court costs for traffic violations occurring on state highways, all revenues from such violations in excess of thirty-five percent of the annual general operating revenue of the city, town or village shall be sent to the director of the department of revenue and shall be distributed annually to the schools of the county in the same manner that proceeds of all penalties, forfeitures and fines collected for any breach of the penal laws of the state are distributed. For the purpose of this section the words "state highways" shall mean any state or federal highway, including any such highway continuing through the boundaries of a city, town or village with a designated street name other than the state highway number. The director of the department of revenue shall set forth by rule a procedure whereby excess revenues as set forth above shall be sent to the department of revenue. If any city, town, or village disputes a determination that it has received excess revenues required to be sent to the department of revenue, such city, town, or village may submit to an annual audit by the state auditor under the authority of article IV, section 13 of the Missouri Constitution. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly under chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2009, shall be invalid and void.

After December 31, 2000, the refund may be claimed only by the consumer and may not be claimed by the ultimate vender unless bulk sales of gasoline are made to a farmer after January 1, 2006, as provided in this subdivision and the farmer

provides an exemption certificate to the ultimate vender, in which case the ultimate vender may make a claim for refund under section 142.824 but shall be liable for any erroneous refund;

(2) Kerosene sold for use as fuel to generate power in aircraft engines, whether in aircraft or for training, testing or research purposes of aircraft engines;

(3) Diesel fuel used as heating oil, or in railroad locomotives or any other motorized flanged-wheel rail equipment, or used for other nonhighway purposes other than as expressly exempted pursuant to another provision.

(c) Acquired by a licensed distributor and which the tax imposed by this chapter has previously been paid or accrued either as a result of being stored outside of the bulk transfer system immediately prior to loading or as a diversion across state boundaries properly reported in conformity with this chapter and was subsequently exported from this state on behalf of the distributor; The exemption pursuant to paragraph (a) of this subdivision shall be claimed by a deduction on the report of the supplier which is otherwise responsible for remitting the tax upon removal of the product from a terminal or refinery in this state. The exemption pursuant to paragraphs (b) and (c) of this subdivision shall be claimed by the distributor, upon a refund application made to the director within three years. A refund claim may be made monthly or whenever the claim exceeds one thousand dollars;

(2) Undyed K-1 kerosene sold at retail through dispensers which have been designed and constructed to prevent delivery directly from the dispenser into a vehicle fuel supply tank, and undyed K-1 kerosene sold at retail through nonbarricaded dispensers in quantities of not more than twenty-one gallons for use other than for highway purposes. Exempt use of undyed kerosene shall be governed by rules and regulations of the director. If no rules or regulations are promulgated by the director, then the exempt use of undyed kerosene shall be governed by rules and regulations of the Internal Revenue Service. A distributor or supplier delivering to a retail facility shall obtain an exemption certificate from the owner or operator of such facility stating that its sales conform to the dispenser requirements of this subdivision. A licensed distributor, having obtained such certificate, may provide a copy to his or her supplier and obtain undyed kerosene without the tax levied by section 142.803. (5) That portion of motor fuel used to operate equipment attached to a motor vehicle, if the motor fuel was placed into the fuel supply tank of a motor vehicle that has a common fuel reservoir for travel on a highway and for the operation of equipment, or if the motor fuel was placed in a separate fuel tank and used only for the operation of auxiliary equipment. The exemption for use pursuant to this subdivision shall be claimed by a refund claim filed by the consumer who shall provide evidence of an allocation of use satisfactory to the director;

(6) Motor fuel acquired by a consumer out-of-state and carried into this state, retained within and consumed from the same vehicle fuel supply tank within which it was imported, except interstate motor fuel users;

(7) Motor fuel which was purchased tax-paid and which was lost or destroyed as a direct result of a sudden and unexpected casualty or which had been accidentally contaminated so as to be unsalable as highway fuel as shown by proper documentation as required by the director. The exemption pursuant to this subdivision shall be refunded to the person or entity owning the motor fuel at the time of the contamination or loss. Such person shall notify the director in writing of such event and the amount of motor fuel lost or contaminated within ten days from the date of discovery of such loss or contamination, and within thirty days after such notice, shall file an affidavit sworn to by the person having immediate custody of such motor fuel at the time of the loss or contamination, setting forth in full the circumstances and the amount of the loss or contamination and such other information with respect thereto as the director may require;

There shall be a rebuttable presumption that the raw materials used in the primary manufacture of automobiles contain at least twenty-five percent recovered materials. For purposes of this subdivision, "processing" means any mode of treatment, act or series of acts performed upon materials to transform and reduce them to a different state or thing, including treatment necessary to maintain or preserve such processing by the producer at the production facility;

"77.080. The style of the ordinances of the city shall be: "Be it ordained by the council of the city of ....., as follows:"**. Except as provided in section 77.085,** no ordinance shall be passed except by bill, and no bill shall become an ordinance unless on its final passage a majority of the members elected to the council shall vote therefor, and the ayes and nays shall be entered on the journal. Every **[**proposed ordinance**] bill** shall be introduced to the council in writing and shall be read by title or in full two times prior to passage, both readings may occur at a single meeting of the council. If the **[**proposed ordinance**] bill** is read by title only, copies of the **[**proposed ordinance**] bill** shall be made available for public inspection prior to the time the bill is under consideration by the council. No bill shall become an ordinance until it shall have been signed by the officer presiding at the meeting of the council at which it shall have been passed. When so signed, it shall be delivered to the mayor for his approval and signature, or his veto.

77.085. 1. In any city of the third classification with more than fifteen thousand but fewer than seventeen thousand inhabitants and located in any county of the second classification with more than sixty-five thousand but fewer than seventy-five thousand inhabitants, voters in the city may propose an ordinance to prohibit smoking, as the term "smoking" is defined in subdivision (6) of section 191.765, in certain areas and establishments within such city by submitting a petition signed by at least the same number of voters that equals twenty-five percent of the votes cast for all candidates for mayor at the last preceding election. The petition shall contain, in addition to the requisite number of valid signatures, the full text of the ordinance sought to be passed and a request that the ordinance be submitted to a vote of the people if not passed by the council.

2. The signatures to the petition need not all be appended to one paper, but each signer shall provide with such person's signature the street and number of his or her place of residence. One of the signers of each such paper shall make oath before an officer competent to administer oaths that the statements therein made are true and that each signature to the paper appended is the genuine signature of the person whose name it purports to be.

3. Within ten days from the date of filing such petition, the city clerk shall examine and ascertain whether the petition contains signatures by the requisite number of voters. The council shall allow the clerk extra help for that purpose. The clerk shall attach a certificate of examination to the petition. If, by the clerk's certificate, the petition is shown to be insufficient, the petition may be amended within ten days from the date the clerk issued the certificate. The clerk shall, within ten days after such amendment is filed, examine the amended petition and issue another certificate. If the second certificate shows the petition to be insufficient, the petition shall be returned to the person filing it, without prejudice to the filing of a new petition to the same effect. If the petition is deemed to be sufficient, the clerk shall submit it to the city council without delay.

4. Upon receipt of the petition and certificate from the clerk, the city council shall either:

(1) Pass said ordinance without alteration within twenty days; or

(2) Submit the question without alteration at the next municipal election.

5. The question shall be submitted in substantially the following form:

Shall the following ordinance be (adopted) (repealed)? (Set out ordinance).

☐ **YES** ☐ **NO**

6. If a majority of the voters voting on the proposed ordinance vote in favor, such ordinance shall become a valid and binding ordinance of the city. Any ordinance regulating smoking that is proposed by petition and adopted by a vote of the people cannot be repealed or amended except by a vote of the people. The council may submit a proposition for the repeal or amendment of any such ordinance to be voted upon at any municipal election. If the proposition so submitted receives a majority of the votes cast thereon, such ordinance shall be repealed or amended accordingly."; and

"135.215. 1. Improvements made to "real property" as such term is defined in section 137.010, which are made in an enterprise zone subsequent to the date such zone or expansion thereto was designated, may upon approval of an authorizing resolution by the governing authority having jurisdiction of the area in which the improvements are made, be exempt, in whole or in part, from assessment and payment of ad valorem taxes of one or more affected political subdivisions, provided that, except as to the exemption allowed under subsection 3 of this section, at least fifty new jobs that provide an average of at least thirty-five hours of employment per week per job are created and maintained at the new or expanded facility. Such authorizing resolution shall specify the percent of the exemption to be granted, the duration of the exemption to be granted, and the political subdivisions to which such exemption is to apply and any other terms, conditions or stipulations otherwise required. A copy of the resolution shall be provided the director within thirty calendar days following adoption of the resolution by the governing authority.

2. No exemption shall be granted until the governing authority holds a public hearing for the purpose of obtaining the opinions and suggestions of residents of political subdivisions to be affected by the exemption from property taxes. The governing authority shall send, by certified mail, a notice of such hearing to each political subdivision in the area to be affected and shall publish notice of such hearing in a newspaper of general circulation in the area to be affected by the exemption at least twenty days prior to the hearing but not more than thirty days prior to the hearing. Such notice shall state the time, location, date and purpose of the hearing.

3. Notwithstanding subsection 1 of this section, at least one-half of the ad valorem taxes otherwise imposed on subsequent improvements to real property located in an enterprise zone shall become and remain exempt from assessment and payment of ad valorem taxes of any political subdivision of this state or municipality thereof**, if said political subdivision or municipality levies ad valorem taxes,** for a period of not less than ten years following the date such improvements were assessed, provided the improved properties are used for assembling, fabricating, processing, manufacturing, mining, warehousing or distributing properties.

4. No exemption shall be granted for a period more than twenty-five years following the date on which the original enterprise zone was designated by the department except for any enterprise zone within any home rule city with more than one hundred fifty-one thousand five hundred but less than one hundred fifty-one thousand six hundred inhabitants provided in any instance the exemption shall not be granted for a period longer than twenty-five years from the date on which the exemption was granted.

5. The provisions of subsection 1 of this section shall not apply to improvements made to real property which have been started prior to August 28, 1991.

6. The mandatory abatement referred to in this section shall not relieve the assessor or other responsible official from ascertaining the amount of the equalized assessed value of all taxable property annually as required by section 99.855 and shall not have the effect of reducing the payments in lieu of taxes referred to in subdivision (2) of section 99.845 unless such reduction is set forth in the plan approved by the governing body of the municipality pursuant to subdivision (1) of section 99.820.

7. Effective August 28, 2004, any abatement or exemption provided for in this section on an individual parcel of real property shall cease after a period of thirty days of business closure, work stoppage, major reduction in force, or a significant change in the type of business conducted at that location. For the purposes of this subsection, "work stoppage" shall not include strike or lockout or time necessary to retool a plant, and "major reduction in force" is defined as a seventy-five percent or greater reduction.

Any owner or new owner may reapply, but cannot receive the abatement or exemption for any period of time beyond the original life of the enterprise zone.

135.963. 1. Improvements made to real property as such term is defined in section 137.010 which are made in an enhanced enterprise zone subsequent to the date such zone or expansion thereto was designated, may, upon approval of an authorizing resolution or ordinance by the governing authority having jurisdiction of the area in which the improvements are made, be exempt, in whole or in part, from assessment and payment of ad valorem taxes of one or more affected political subdivisions. Improvements made to real property, as such term is defined in section 137.010, which are locally assessed and in a renewable energy generation zone designated as an enhanced enterprise zone, subsequent to the date such enhanced enterprise zone or expansion thereto was designated, may, upon approval of an authorizing resolution or ordinance by the governing authority having jurisdiction of the area in which the improvements are made, be exempt, in whole or in part, from assessment and payment of ad valorem taxes of one or more affected political subdivisions. In addition to enhanced business enterprises, a speculative industrial or warehouse building constructed by a public entity or a private entity if the land is leased by a public entity may be subject to such exemption.

2. Such authorizing resolution shall specify the percent of the exemption to be granted, the duration of the exemption to be granted, and the political subdivisions to which such exemption is to apply and any other terms, conditions, or stipulations otherwise required. A copy of the resolution shall be provided to the director within thirty calendar days following adoption of the resolution by the governing authority.

3. No exemption shall be granted until the governing authority holds a public hearing for the purpose of obtaining the opinions and suggestions of residents of political subdivisions to be affected by the exemption from property taxes. The exemption for speculative buildings is subject to the approval of the governing authority for a period not to exceed two years if the building is owned by a private entity and five years if the building is owned or ground leased by a public entity. This shall not preclude the building receiving an exemption for the remaining time period established by the governing authority if it was occupied by an enhanced business enterprise. The two- and five-year time periods indicated for speculative buildings shall not be an addition to the local abatement time period for such facility.

5. No exemption shall be granted for a period more than twenty-five years following the date on which the original enhanced enterprise zone was designated by the department.

6. The provisions of subsection 1 of this section shall not apply to improvements made to real property begun prior to August 28, 2004.

7. The abatement referred to in this section shall not relieve the assessor or other responsible official from ascertaining the amount of the equalized assessed value of all taxable property annually as required by section 99.855, 99.957, or 99.1042 and shall not have the effect of reducing the payments in lieu of taxes referred to in subdivision (2) of subsection 1 of section 99.845, subdivision (2) of subsection 3 of section 99.957, or subdivision (2) of subsection 3 of section 99.1042 unless such reduction is set forth in the plan approved by the governing body of the municipality pursuant to subdivision (1) of subsection 1 of section 99.820, section 99.942, or section 99.1027."; and

SENATE AMENDMENT NO. 6

Amend Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 1623, Page 84, Section 182.802, Line 28 of said page, by inserting immediately after said line the following:

"184.503. 1. The governing body of any eligible county may, by resolution, authorize the creation of or participation in a district, and may impose a sales tax on all retail sales made within the eligible county which are subject to sales tax under chapter 144. The tax authorized in this section shall not exceed one-fourth of one percent, and shall be imposed solely for the purpose of funding the support of zoological activities within the district. The tax authorized in this section shall be in addition to all other sales taxes imposed by law, and shall be stated separately from all other charges and taxes. Such creation of or participation in such district and the levy of the sales tax may be accomplished individually or on a

cooperative basis with another eligible county or other eligible counties for financial support of the district. A petition requesting such creation of or participation in such district and the levy of the sales tax for the purpose of funding the support of zoological activities within the district may also be filed with the governing body, and shall be signed by not less than the number of qualified electors of an eligible county equal to five percent of the number of ballots cast and counted at the last preceding gubernatorial election held in such county. **The governing body of the county may, at their discretion, have the proposition placed on the ballot upon certification that the petition contains the signatures of the required number of qualified electors.** No such resolution adopted or petition presented under this section shall become effective unless the governing body of the eligible county submits to the voters residing within the eligible county at a state general, primary, or special election a proposal to authorize the governing body of the eligible county to create or participate in a district and to impose a tax under this section. The county election official shall give legal notice at least sixty days prior to such general or primary election or special election in at least two newspapers that such proposition or propositions shall be submitted at the next general or primary election or special election held for submission of this proposition. The resolution or proposition shall be printed on the ballot and in the notice of election. Provisions of this section to the contrary notwithstanding, no tax authorized under the provisions of this section shall be effective in any eligible noncharter county unless the tax authorized under the provisions of this section is also collected by an eligible charter county.

2. The ballot for the proposition in any county shall be in substantially the following form:

Shall a retail sales tax of ..... (insert amount, not to exceed one-quarter of one percent) be levied and collected for the benefit of the Kansas City Zoological District, which shall be created and consist of the county(s) of ..... (insert name of counties), for the support of zoological activities with the district?

☐ YES ☐ NO

The governing body of the county may place additional language on the ballot to describe the use or allocation of the funds.

3. In the event that a majority of the voters voting on such proposition in such county at said election cast votes for the proposition, then the district shall be deemed established and the tax rate for such subdistrict shall be deemed in full force and effect as of the first day of the year following the year of said election and the governing body of such county may proceed with the performance of all things necessary and incidental to participation in the district. The results of the aforesaid election shall be certified by the election officials of such county to the governing body of such county not less than thirty days after the day of election. In the event the proposition shall fail to receive a majority of the votes "FOR", then such proposition shall not be resubmitted at any election held within one year of the date of the election the proposition was rejected. Any such resubmissions of such proposition shall substantially comply with the provisions of sections 184.500 to 184.515.

4. Except as modified in this section, all provisions of sections 32.085 and 32.087 shall apply to the tax imposed under this section.

5. All sales taxes collected by the director of revenue from the tax authorized by this section on behalf of the district, less one percent for cost of collection, which shall be deposited in the state's general revenue fund after payment of premiums for surety bonds, as provided in section 32.087, shall be deposited in a special trust fund, which is hereby created, to be known as the "Kansas City Zoological District Sales Tax Trust Fund". The moneys in the Kansas City zoological district sales tax trust fund shall not be deemed to

be state funds and shall not be commingled with any funds of the state. The director of revenue shall keep accurate records of the amount of money collected and deposited in the trust fund and the records shall be open to the inspection of officers of the district, the counties composing the district, and the public. Not later than the tenth day of each month the director of revenue shall distribute all moneys deposited in the Kansas City zoological district sales tax trust fund during the preceding month to the district.

6. The director of revenue may make refunds from the amounts in the Kansas City zoological district sales tax trust fund and credited to the district for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of the district. If the district abolishes the tax, the county shall notify the director of revenue of the action at least ninety days prior to the effective date of the repeal and the director of revenue may order retention in the Kansas City zoological district sales tax trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such account. After one year has elapsed after the effective date of abolition of the tax in the district, the director of revenue shall remit the balance in the account to the district and close the account of the district. The director of revenue shall notify the district of each instance of any amount refunded or any check redeemed from receipts due the district.

7. Any of the eligible counties composing the Kansas City zoological district may withdraw from the district by adoption of a resolution and approval of the resolution by a majority of the qualified electors of the county, in the same manner provided in this section for creating or becoming a part of the district. The governing body of a withdrawing county shall provide for the sending of formal written notice of withdrawal from the district to the governing body of the other county or each of the other counties comprising the district. Actual withdrawal shall not take effect until ninety days after notice has been sent. A withdrawing county shall not be relieved from any obligation that such county may have assumed or incurred by reason of being a part of the district, including, but not limited to, the retirement of any outstanding bonded indebtedness of the district.”; and

SENATE AMENDMENT NO. 8

Amend Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 1623, Page 89, Section 190.335, Line 27, by inserting after all of said line the following:

"**262.598. 1. As used in this section, the following terms shall mean:**

(1) "Consolidated district", a district formed jointly by two or more councils;

(2) "Council", a University of Missouri extension council authorized under section 262.563;

(3) "District" or "extension district", a political subdivision formed by one or more councils;

(4) "Single-council district", a district formed by one council;

(5) "Governing body", the group of individuals who govern a district.

2. University of Missouri extension councils are hereby authorized to form extension districts made up of cooperating counties for the purpose of funding extension programming. An extension district may be a single-council district or a consolidated district. A single-council district shall be formed upon a majority vote of the full council. A consolidated district shall be formed upon a majority vote of each participating council.

3. In a single-council district, the council shall serve as the district's governing body. In addition to any other powers and duties granted to the council under sections 262.550 to 262.620, the council shall also have the powers and duties provided under subsection 5 of this section.

4. In a consolidated district, the governing body of the district shall consist of at least three, but no more than five, representatives appointed by each participating council. The term of office shall be two years. Representatives may be reappointed. This governing body shall elect officers, who shall serve as officers for two years, and establish a regular meeting schedule which shall be not less than once every three months.

5. The governing body of a district shall have the following powers and duties:

(1) Review the activities and annual budgets of each participating council;

(2) Determine, by September first of each year, the tax rate necessary to generate sufficient revenue to fund the extension programming in the district, which includes annual funding for each participating council for the costs of personnel and the acquisition, supply, and maintenance of each council's property, work, and equipment;

(3) Oversee the collection of any tax authorized under this section by ensuring the revenue is deposited into a special fund and monitoring the use of the funds to ensure they are used solely for

extension programming in the district;

(4) Approve payments from the special fund in which the tax revenue is deposited; and

(5) Work cooperatively with each participating council to plan and facilitate the programs, equipment, and activities in the district.

6. The governing body of a district may submit a question to the voters of the district to institute a property tax levy in the county or counties that compose the district. Questions may be submitted to the voters of the district at any general municipal election. Any such proposed tax shall not exceed thirty cents per one hundred dollars of assessed valuation. Such question shall be submitted in substantially the following form:

"Shall the Extension District in ..... County (insert name of county) be authorized to levy an annual tax of ..... (insert amount not to exceed thirty) cents per one hundred dollars of assessed valuation for the purpose of funding the University of Missouri Extension District programs, equipment, and services in the district?"

In a single-council district, if a majority of the voters in the county approve the question, then the district shall impose the tax. In a consolidated district, if a majority of voters in each county in the district approve the tax, then the district shall impose the tax. In a consolidated district, if a majority of voters in a county do not approve the tax, the council in the county that did not approve the tax may withdraw from the district. Upon such withdrawal, the district shall be made up of the remaining counties and the tax shall be imposed in those counties. However, if the county that did not approve the tax does not withdraw from the district, the tax shall not be imposed. Revenues collected from the imposition of a tax authorized under this section shall be deposited into a special fund dedicated only for use by the local district for programming purposes. If a majority of the voters in a single-council district do not approve the question, then no tax shall be imposed. If a majority of the voters in a consolidated district do not approve the question, then no tax shall be imposed in any county of the district.

7. The county commission of any county in which the tax authorized under this section is levied and collected:

(1) Shall be exempt from the funding requirements under section 262.597 if revenue derived from the tax authorized under this section is in excess of an amount equal to two hundred percent of the average funding received under section 262.597 for the immediately preceding three years; or

(2) May reduce the current year's funding amount under section 262.597 by thirty-three percent of the amount of tax revenues derived from the tax authorized under this section which exceed the average amount of funding received under section 262.597 for the immediately preceding three years.

8. Any county that collects tax revenues authorized under this section shall transfer all attributable revenue plus monthly interest for deposit into the district's special fund. The governing body of the district shall comply with the prudent investor standard for investment fiduciaries as provided in section 105.688.

9. In any county in which a single-council district is established, and for which a tax has not been levied, the district may be dissolved in the same manner in which it was formed.

10. A county may withdraw from a consolidated district at any time by the filing of a petition with

the circuit court having jurisdiction over the district. The petition shall be signed by not fewer than ten percent of those who voted in the most recent presidential election in the county seeking to withdraw that is part of a consolidated district stating that further operation of the district is contrary to the best interests of the inhabitants of the county in which the district is located and that the county seeks to withdraw from the district. The circuit court shall hear evidence on the petition. If the court finds that it is in the best interest of the inhabitants of the county in which the district is located for the county to withdraw from the district, the court shall make an order reciting the same and submit the question to the voters. The question shall be submitted in substantially the following format:

"Shall the County of ..... (insert name of county) being part of ..... (insert name of district) Extension District withdraw from the district?"

The question shall be submitted at the next general municipal election date. The election returns shall be certified to the court. If the court finds that two-thirds of the voters voting on the question voted in favor of withdrawing from the district, the court shall issue an order withdrawing the county from the district, which shall contain a proviso that the district shall remain intact for the sole purposes of paying all outstanding and lawful obligations and disposing of the district's property. No additional costs or obligations for the withdrawing county shall be created except as necessary. The withdrawal shall occur on the first day of the following January after the vote. If the court finds that two-thirds of the voters voting on the question shall not have voted favorably on the question to withdraw from the district, the court shall issue an order dismissing the petition and the district shall continue to operate.

11. The governing body of any district may seek voter approval to increase its current tax rate authorized under this section, provided such increase shall not cause the total tax to exceed thirty cents per one hundred dollars of assessed valuation. To propose such an increase, the governing body shall submit the question to the voters at the general municipal election in the county in which the district is located. The question shall be submitted in substantially the following form:

"Shall the Extension District in ..... (insert name of county or counties) be authorized to increase the tax rate from ..... (insert current amount of tax) cents to ..... (insert proposed amount of tax not to exceed thirty) cents per one hundred dollars of assessed valuation for the purpose of funding the University of Missouri Extension District programs, equipment, and services in the district?"

In a single-council district, if a majority of the voters in the county approve the question, then the district shall impose the tax. In a consolidated district, if a majority of voters in the district approve the tax rate, then the district shall impose the new tax rate. Revenues collected from the imposition of the tax authorized under this section shall be deposited into the special fund dedicated only for use by the district. If a majority of the voters in a single-council district do not approve the question, then the tax shall not be imposed. If a majority of the voters in a consolidated district do not approve the question, then the tax shall not be imposed in any county of the district."; and

Further amend the title and enacting clause accordingly.

After December 31, 2000, the refund may be claimed only by the consumer and may not be claimed by the ultimate vender unless bulk sales of gasoline are made to a farmer after January 1, 2006, as provided in this subdivision and the farmer provides an exemption certificate to the ultimate vender, in which case the ultimate vender may make a claim for refund under section 142.824 but shall be liable for any erroneous refund;

(5) That portion of motor fuel used to operate equipment attached to a motor vehicle, if the motor fuel was placed into the fuel supply tank of a motor vehicle that has a common fuel reservoir for travel on a highway and for the operation of equipment, or if the motor fuel was placed in a separate fuel tank and used only for the operation of auxiliary equipment. The exemption for use pursuant to this subdivision shall be claimed by a refund claim filed by the consumer who shall provide evidence of an allocation of use satisfactory to the director;

(6) Motor fuel acquired by a consumer out-of-state and carried into this state, retained within and consumed from the same vehicle fuel supply tank within which it was imported, except interstate motor fuel users;

2. Municipalities, by ordinance, may:

(2) Establish one-way streets and provide for the regulation of vehicles thereon;

(3) Require vehicles to stop before crossing certain designated streets and boulevards;

HOUSE AMENDMENT NO. 1 TO
HOUSE AMENDMENT NO. 3

Amend House Amendment No. 3 to Senate Substitute for Senate Committee Substitute for Senate Bill No. 719, Page 2, Line 22 by inserting after all of said line the following:

"Further amend said bill, Page 1, Section A, Line 2, by inserting after all of said section and line the following:

"302.173. 1. Any applicant for a license, who does not possess a valid license issued pursuant to the laws of this state, another state, or a country which has a reciprocal agreement with the state of Missouri regarding the exchange of licenses pursuant to section 302.172 shall be examined as herein provided. Any person who has failed to renew such person's license on or before the date of its expiration or within six months thereafter must take the complete examination. Any active member of the armed forces, their adult dependents or any active member of the peace corps may apply for a renewal license without examination of any kind, unless otherwise required by sections 302.700 to 302.780, provided the renewal application shows that the previous license had not been suspended or revoked. Any person honorably discharged from the armed forces of the United States who held a valid license prior to being inducted may apply for a

renewal license within sixty days after such person's honorable discharge without submitting to any examination of such person's ability to safely operate a motor vehicle over the highways of this state unless otherwise required by sections 302.700 to 302.780, other than the vision test provided in section 302.175, unless the facts set out in the renewal application or record of convictions on the expiring license, or the records of the director show that there is good cause to authorize the director to require the applicant to submit to the complete examination. No applicant for a renewal license shall be required to submit to any examination of his or her ability to safely operate a motor vehicle over the highways of this state unless otherwise required by sections 302.700 to 302.780 or regulations promulgated thereunder, other than a test of the applicant's ability to understand highway signs regulating, warning or directing traffic and the vision test provided in section 302.175, unless the facts set out in the renewal application or record of convictions on the expiring license, or the records of the director show that there is good cause to authorize the director to require the applicant to submit to the complete examination. The examination shall be made available in each county. Reasonable notice of the time and place of the examination shall be given the applicant by the person or officer designated to conduct it. The complete examination shall include a test of the applicant's natural or corrected vision as prescribed in section 302.175, the applicant's ability to understand highway signs regulating, warning or directing traffic, the applicant's practical knowledge of the traffic laws of this state, and an actual demonstration of ability to exercise due care in the operation of a motor vehicle of the classification for which the license is sought. When an applicant for a license has a license from a state which has requirements for issuance of a license comparable to the Missouri requirements or a license from a country which has a reciprocal agreement with the state of Missouri regarding the exchange of licenses pursuant to section 302.172 and such license has not expired more than six months prior to the date of application for the Missouri license, the director may waive the test of the applicant's practical knowledge of the traffic laws of this state, and the requirement of actual demonstration of ability to exercise due care in the operation of a motor vehicle. If the director has reasonable grounds to believe that an applicant is suffering from some known physical or mental ailment which ordinarily would interfere with the applicant's fitness to operate a motor vehicle safely upon the highways, the director may require that the examination include a physical or mental examination by a licensed physician of the applicant's choice, at the applicant's expense, to determine the fact. The director shall prescribe regulations to ensure uniformity in the examinations and in the grading thereof and shall prescribe and furnish all forms to the members of the highway patrol and to other persons authorized to conduct examinations as may be necessary to enable the officer or person to properly conduct the examination. The records of the examination shall be forwarded to the director who shall not issue any license hereunder if in the director's opinion the applicant is not qualified to operate a motor vehicle safely upon the highways of this state.

2. Beginning July 1, 2005, when the examiner has reasonable grounds to believe that an individual has committed fraud or deception during the examination process, the license examiner shall immediately forward to the director all information relevant to any fraud or deception, including, but not limited to, a statement of the examiner's grounds for belief that the person committed or attempted to commit fraud or deception in the written, skills, or vision examination.

3. The director of revenue shall delegate the power to conduct the examinations required for a license or permit to any member of the highway patrol or any person employed by the highway patrol. The powers delegated to any examiner may be revoked at any time by the director of revenue upon notice.

4. Notwithstanding the requirements of subsections 1 and 3 of this section, the successful completion of a motorcycle rider training course approved pursuant to sections 302.133 to 302.137 shall constitute an

actual demonstration of the person's ability to exercise due care in the operation of a motorcycle or motortricycle, and no further driving test shall be required to obtain a motorcycle or motortricycle license or endorsement.

5. Notwithstanding the requirements of subsections 1 and 3 of this section, the successful completion of a military motorcycle rider training course that meets or exceeds the Motorcycle Safety Foundation curriculum standards by an applicant who is an active member of the U.S. armed forces, shall constitute an actual demonstration of the person's ability to exercise due care in the operation of a motorcycle or motortricycle, and no further driving test shall be required to obtain a motorcycle or motortricycle license or endorsement. The director of revenue is authorized to promulgate rules and regulations for the administration and implementation of this subsection including rules governing the presentment of motorcycle training course completion cards from a military motorcycle rider training course or other documentation showing that the applicant has successfully completed a course in basic motorcycle safety instruction that meets or exceeds curriculum standards established by the Motorcycle Safety Foundation or other national organization whose purpose is to improve the safety of motorcyclists on the nation's streets and highways. Any rule or portion of a rule, as that term is defined in section 536.010 that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2012, shall be invalid and void."; and"; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

Journal of the Senate

SECOND REGULAR SESSION

SIXTY-FOURTH DAY—WEDNESDAY, MAY 2, 2012

The Senate met pursuant to adjournment.

President Kinder in the Chair.

Reverend Carl Gauck offered the following prayer:

Merciful God, it is already an interesting week with so much still to accomplish that heat is generated making things more difficult for us to think calmly and deal with each other fairly and rationally. Helps us this day to acquire Your spirit within us so that what is said is helpful and what is done is right in Your eyes. In Your Holy Name we pray. Amen.

SENATE AMENDMENT NO. 1

Amend Senate Substitute No. 2 for Senate Committee Substitute for House Committee Substitute for House Bill No. 1623, Page 16, Section 67.320, Line 23, by inserting immediately after all of said line the following:

"67.463. 1. At the hearing to consider the proposed improvements and assessments, the governing body shall hear and pass upon all objections to the proposed improvements and proposed assessments, if any, and may amend the proposed improvements, and the plans and specifications therefor, or assessments as to any property, and thereupon by ordinance or resolution the governing body of the city or county shall order that the improvement be made and direct that financing for the cost thereof be obtained as provided in sections 67.453 to 67.475.

2. After construction of the improvement has been completed in accordance with the plans and specifications therefor, the governing body shall compute the final costs of the improvement and apportion the costs among the property benefitted by such improvement in such equitable manner as the governing body shall determine, charging each parcel of property with its proportionate share of the costs, and by resolution or ordinance, assess the final cost of the improvement or the amount of general obligation bonds issued or to be issued therefor as special assessments against the property described in the assessment roll.

3. After the passage or adoption of the ordinance or resolution assessing the special assessments, the city clerk or county clerk shall mail a notice to each property owner within the district which sets forth a description of each parcel of real property to be assessed which is owned by such owner, the special assessment assigned to such property, and a statement that the property owner may pay such assessment in full, together with interest accrued thereon from the effective date of such ordinance or resolution, on or before a specified date determined by the effective date of the ordinance or resolution, or may pay such assessment in annual installments as provided in subsection 4 of this section.

4. The special assessments shall be assessed upon the property included therein concurrent with general property taxes, and shall be payable in substantially equal annual installments for a duration stated in the ballot measure prescribed in subsection 2 of section 67.457 or in the petition prescribed in subsection 3 of section 67.457, and, if authorized, an assessment in each year thereafter levied and collected in the same manner with the proceeds thereof used solely for maintenance of the improvement, taking into account such assessments and interest thereon, as the governing body determines. The first installment shall be payable after the first collection of general property taxes following the adoption of the assessment ordinance or resolution unless such ordinance or resolution was adopted and certified too late to permit its collection at such time. All assessments shall bear interest at such rate as the governing body determines, not to exceed the rate permitted for bonds by section 108.170. Interest on the assessment between the effective date of the

ordinance or resolution assessing the assessment and the date the first installment is payable shall be added to the first installment. The interest for one year on all unpaid installments shall be added to each subsequent installment until paid. In the case of a special assessment by a city, all of the installments, together with the interest accrued or to accrue thereon, may be certified by the city clerk to the county clerk in one instrument at the same time. Such certification shall be good for all of the installments, and the interest thereon payable as special assessments.

5. Special assessments shall be collected and paid over to the city treasurer or county treasurer in the same manner as taxes of the city or county are collected and paid. In any county **[**of the first classification with more than one hundred thirty-five thousand four hundred but fewer than one hundred thirty-five thousand five hundred inhabitants**]**, the county collector may collect a fee as prescribed by section 52.260 for collection of assessments under this section.

67.469. A special assessment authorized under the provisions of sections 67.453 to 67.475 shall be a lien, from the date of the assessment, on the property against which it is assessed on behalf of the city or county assessing the same to the same extent as a tax upon real property. The lien may be foreclosed in the same manner as a tax upon real property by land tax sale pursuant to chapter 140 or **[**by judicial foreclosure proceeding**]**, **if applicable to that county, chapter 141, or** at the option of the governing body**, by judicial foreclosure proceeding**. Upon the foreclosure of any such lien, whether by land tax sale or by judicial foreclosure proceeding, the entire remaining assessment may become due and payable and may be recoverable in such foreclosure proceeding at the option of the governing body."; and

Further amend the title and enacting clause accordingly.

Senator Kraus moved that the above amendment be adopted, which motion prevailed.
